Special Bibliography Series #120
The Future of American Defense Policy

October 2017
INTRODUCTION

This Special Bibliography Series, Number 120, “The Future of American Defense Policy” was developed by the McDermott Library’s Social Sciences Bibliographer and Reference Librarian, Frances K. Scott, in support of the 59th Academy Assembly to be held at the United States Air Force Academy, 17-20 October 2017.

Most items cited in the bibliography are included in the McDermott Library’s collections, including on-line databases. This year’s topic encompasses four components, two of which are the focus.

(1) Principles of Defense Policy: Interests, Justice, and Obligations

(2) Defense Policy Choices: The Human and Economic Costs of War

If you are a participant in this year’s Academy Assembly (the Academy’s oldest continuing annual event), we welcome you to your United States Air Force Academy. We hope that your stay in the Colorado Springs area will be rewarding and enjoyable and that you find this year’s topic intellectually challenging.
