NOTICE: When government or other drawings, specifications or other data are used for any purpose other than in connection with a definitely related government procurement operation, the U. S. Government thereby incurs no responsibility, nor any obligation whatsoever; and the fact that the Government may have formulated, furnished, or in any way supplied the said drawings, specifications, or other data is not to be regarded by implication or otherwise as in any manner licensing the holder or any other person or corporation, or conveying any rights or permission to manufacture, use or sell any patented invention that may in any way be related thereto.
INTRODUCTION

This bibliography, prepared by members of the Air Force Academy Library staff, is the second in a series dealing with the general topic of Unconventional Warfare. Additional bibliographies to be published in the near future will deal with Escape and Evasion and Propaganda.

This bibliography represents a selected portion of the holdings of the Air Force Academy Library on the subject.
