SPECIAL BIBLIOGRAPHY NUMBER 63

JUNGLE WARFARE;
A
BIBLIOGRAPHY

BY

LESTER L. MILLER, JR.

1 SEPTEMBER 1979
This bibliography presents books and periodical articles written on the subject of jungle warfare. Materials have been selected from materials held by the Morris Swett Library, USAFAS. Almost all of the references are to pre-1970 citations.
FOREWORD

This bibliography covers selected books and periodical articles on the subject of jungle warfare. The book section is composed of mostly non-copyrighted documents which have been collected by the Morris Swett Library.

This number is arranged in two parts as noted above. An arbitrarily devised acronym has been devised to aid in the cause of brevity when identifying particular periodical articles. Inclusion of an item, or omission, does not imply USAFAS endorsement or sanction of the compiler's point-of-view nor does it guarantee accuracy of content. Comment and criticism concerning this list is solicited.
