U.S. POLICY AND LATIN AMERICA IN THE 1990s
The Air Force Academy Political Science Department will host the 35th Air Force Academy Assembly entitled "U.S. Policy and Latin America in the 1990s" from 22 to 27 February 1993. To assist participants, the Air Force Academy Library Reference Branch prepared this highly selective bibliography. Citations include books, journal articles, and government publications. The books have copyright dates no earlier than 1982, and, with a few exceptions, journals and government publications have copyright dates no earlier than 1990. Citations exclude newspaper articles and report literature.

This bibliography was compiled and edited by Ms. Frances Scott using the Pro-Cite Bibliographic software. It was further edited and prepared for printing using Enable word processing software.
