Introduction

The Air Force Academy Political Science Department will host the 38th Air Force Academy Assembly entitled "U. S. Foreign Policy and the UN System" from 12 through 17 March 1996. To assist participants in this Assembly, Ms. Frances Scott of the Air Force Academy Library Reference Branch prepared this highly selective bibliography of materials available in the Academy Library. Most of the books listed in the bibliography have been published since 1984. The majority of the journal articles, report literature, and government publications were published since 1991.
