As the eighth supplement to the bibliographical series, United States Air Force Academy: A Bibliography 1954-1964, this publication identifies materials related to the Air Force Academy from selected sources over a five-year period from 2006 to 2010. It also includes some items published between 2004 and 2005 that were not captured in the previous supplement. The bibliography provides a starting point for students, scholars and others interested in finding materials pertaining to the Air Force Academy. Most items cited in this bibliography are available from the McDermott Library collections. The bibliography is arranged by topic and within each category both published and unpublished materials are listed alphabetically by author.

INTRODUCTION

The McDermott Library of the U.S. Air Force Academy is pleased to offer the eighth supplement to the bibliographical series, *United States Air Force Academy: A Bibliography 1954-1964*. This publication identifies materials related to the Air Force Academy from selected sources over the five-year period. It also includes some items published between 2004 and 2005 that were not captured in the previous supplement.

The bibliography provides a starting point for students, scholars and others interested in finding materials pertaining to the Air Force Academy. Most items cited in this bibliography are available from the McDermott Library collections. The bibliography is arranged by topic and within each category both published and unpublished materials are listed alphabetically by author.

In addition to the quinquennial bibliographies, *United States Air Force Academy: A Bibliography* series which started in 1964, the McDermott Library published Number 109 in the *Special Bibliography Series* entitled "High Flight: History of the U.S. Air Force Academy." This bibliography was developed by Mr. Joseph Barry for the 22nd Military History Symposium in September 2009 to capture more than 50 years of Academy history. We welcome suggestions for additions and any important documents about the Air Force Academy that were not cited in this or past bibliographies. Questions and comments about this addition to the bibliography series should be addressed to Mr. Barry at:

HQ USAFA/DFLIBR
Attn: Mr. Joseph Barry
2354 Fairchild Drive, Ste 3C9
USAF Academy CO 80840-6214

By writing to the address above, other libraries may obtain (free of charge) a copy of the current or previous issues of the *United States Air Force Academy: A Bibliography* series as part of the Academy Library's gifts and exchanges program. The *Special Bibliography Series* is also available on the McDermott Library's web site.

This bibliography is the first supplement compiled and indexed by Mr. Joseph Barry, Humanities and Social Sciences Subject Librarian, from the Reference Branch of the Air Force Academy's McDermott Library.
