### Report Documentation Page

Public reporting burden for the collection of information is estimated to average 1 hour per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to Washington Headquarters Services, Directorate for Information Operations and Reports, 1215 Jefferson Davis Highway, Suite 1204, Arlington VA 22202-4302. Respondents should be aware that notwithstanding any other provision of law, no person shall be subject to a penalty for failing to comply with a collection of information if it does not display a currently valid OMB control number.

| 1. REPORT DATE | APR 2011 |

Standard Form 298 (Rev. 8-98)  
Prescribed by ANSI Std Z39-18
PREFACE

Strategic Vision: A Selected Bibliography was compiled to support the study of one of the U.S. Army War College’s enduring themes. This list, like our earlier strategic vision bibliographies, focuses on the future and the vision required to create effective strategy. It contains some citations from the previous edition in addition to notable materials that were added to the collection since it was last published in 2008.

All items in this bibliography are available in the USAWC Library. For your convenience, at the end of the entries, we have added library call numbers, Internet addresses, or database links. Web sites were accessed during April 2011.

This bibliography and others, compiled by our research librarians, are available online through the Library’s home page http://www.carlisle.army.mil/library/bibliographies.htm. For additional information, please contact the Research, Instruction, and Access Services Division, U.S. Army War College Library by sending an e-mail message to USAWC.LibraryR@us.army.mil, or by phoning DSN 242-4259 or Commercial (717) 245-4259.

Lenore K. Garder, compiler
