Report Documentation Page

Form Approved
OMB No. 0704-0188

Public reporting burden for the collection of information is estimated to average 1 hour per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to Washington Headquarters Services, Directorate for Information Operations and Reports, 1215 Jefferson Davis Highway, Suite 1204, Arlington VA 22202-4302. Respondents should be aware that notwithstanding any other provision of law, no person shall be subject to a penalty for failing to comply with a collection of information if it does not display a currently valid OMB control number.

PREFACE

Modern military life affects not just service members, but also their families. This bibliography provides research, resources, and information for military families and service providers.

With some notable exceptions, the materials listed in this bibliography are dated 2006 to the present. All items are available through the USAWC Library. For your convenience, we have added U.S. Army War College Library call numbers, Internet addresses, or database links at the end of each entry. Web sites were accessed August 2011.

This bibliography and others compiled by our research librarians are available online through the Library's home page at <http://www.carlisle.army.mil/library/bibliographies.htm>. Military family researchers will be especially interested in *Post-Traumatic Stress Disorder: A Selected Bibliography*, compiled by Jenny Silkett in June 2011.

For additional information, please contact Research, Instruction, and Access Services, U.S. Army War College Library, by phoning DSN 242-3660 or Commercial (717) 245-3660, or by sending an e-mail message to USAWC.LibraryR@us.army.mil.
