---

Standard Form 298 (Rev. 8-98)
Prescribed by ANSI Std Z39-18
We produce the world’s finest Medics, Corpsmen, and Techs, supporting our Nation’s ability to engage globally.
A common bond, with a common purpose, on common ground – united as one.

Maj Gen Rank
METC Groundbreaking, 10 July 2008

“...The graduates of METC will be the finest our military have ever produced.”

RDML Kiser
METC Ribbon Cutting, 30 June 2010
2011 MHS Conference

Naval School of Health Science
San Diego

Naval Hospital Corps School

Navy Hospital Corps School

882nd Training Group

AMEDD C&S FSH, TX

Naval School of Health Science Portsmouth
58 Programs of Instruction

- **Standardized**
  - Accreditation, certification and competency levels
  - Curriculum
  - Faculty qualifications
  - Academic systems integration
  - Clinical/Phase II training

- **Accreditation/Certification**
  - Institutional accrediting agencies are those that accredit an entire institution, including all programs that are offered at the school.
    - DoE Regional Accreditation via SACS (Southern Association of College and Schools)
    - COE - Council of Occupational Education
    - CCAF – Community College of Air Force
  - Programmatic/Specialized accreditation agencies have a more limited scope and only accredit specific programs or departments within a school.
    - 20+ National Professional Practice Agencies
19 Programs & 1348 students:
