Full Spectrum Global Support

Supply Chains
- Subsistence
- Fuel/Energy
- Land Systems
- Maritime Systems
- Aviation Systems
- Medical
- Clothing & Textile
- Construction & Equip

Distribution
- Defense Distribution Center
- 25 Distribution Centers

Reutilization & Disposal
- Defense Reutilization & Marketing Service
- Reverse Logistics

Stockpile
- Defense National Stockpile Center

Theater Support
- DLA Europe
- DLA Pacific
- DLA Central
- DLA Africa

DLA Services
- Document Automation & Production Service
- Defense Logistics Information Service
- Defense Automatic Addressing System Center
The DLA Enterprise

**Support Warfighters the world over by:**

- Processing an average of 131,200 requisitions per day
- Producing an average of 9,940 contract line awarded per day
- Staffing 25 Distribution Depots Worldwide
  - Processed 25.8M Receipts and Issues during the past 12 months
- Managing 4.0M cataloged NIINs* via eight supply chains
- Supporting over 1,600 Weapon Systems
- Providing ~84% of Services’ repair parts
- Providing nearly 100% of Services’ subsistence, fuels, medical, clothing & textile, construction & barrier material

**Our People:**

- 24, 488 Civilians, 474 Active Duty Military, 759 Reserve Military
- Located in 48 States/28 Countries

*NIIN is part of the is National Stock Number (NSN)  

*Data current as of 31 Jan 10*
DLA – In Elite Company

• FY04 sales/services of $28B to FY09 sales/services of $38B make DLA:
  – FY09 revenues of nearly $38 billion put DLA at #61 on the Fortune 500 list, ahead of companies like American Express, DuPont and Coca Cola
  – FY 10 projected sales/services revenue is $41.8B
  – Third largest storage capacity of the top 50 Distribution Warehouses (Only FedEx and UPS have more)
  – 129.0M Barrels of Fuel sold in FY 09 and 132.5M in FY 08
  – Projected FY 10 net barrels are 125.5M. 40.1M net barrels actual sold through January FY 10
  – $509.3M Reutilized and $8.2B Disposed through January FY 10

• Our reach extends far beyond DoD
  – Foreign Military Sales program supports 118 Nations
  – $1.5 B in Sales and 585K shipments in FY09
  – Forecast of $1.55B in FY10 Sales

Data current as of 31 Jan 10
Global Supply Chains

- **Subsistence (DSCP)**
  - Food Service
  - Produce
  - Operational Rations

- **Clothing & Textile (DSCP)**
  - Recruit Clothing
  - Organizational Clothing & Individual Equipment

- **Fuel/Energy (DESC)**
  - DoD Executive Agent for all Bulk Petroleum
  - Natural Gas, Coal, Electricity
  - Aerospace Energy

- **Construction & Equipment (DSCP)**
  - Facilities Maintenance

**KEY:**
DSCP - Defense Supply Center Philadelphia; DSCR – DSC Richmond; DSCC – DSC Columbus; DESC – Defense Energy Support Center
DLA Offers Services that are Environmentally-oriented

- Energy support
- “Buying Green” course
- Green shopping on DOD EMALL
- Hazardous Material Information Resource System
- Hazardous Technical Information Service
- DOD Shelf Life Program
- Disposal – including electronics, pharmaceuticals
- Ozone Depleting Substances Reserve
- Document Automation & Production Service (DAPS)
Types of Environmental Services Available to DoD Customers from Defense Energy Support Center

• Funding of recurring environmental compliance costs at Service fuel facilities:
  • Operating fees, co-operative fees, response plans, waste disposal, sampling and testing

• Funding of environmental projects
  • Environmental compliance projects
  • Spill cleanup projects

• POC: 703-767-8318, D427
Renewable Energy

  - Not less than 3% in FY07 through FY09
  - Not less than 5% in FY10 through FY12
  - Not less than 7.5% in FY13 and each year after

- **Renewable Energy Certificates (RECs):** The need to meet short term goals is being accomplished by the purchase of RECs, also known as Green Tags
  - RECS are not the power itself but represent the environmental attributes of power generated by renewable sources.
Renewable Energy (continued)

• Renewable Energy Certificates (continued)
  – Can be purchased and used nationally from renewable projects across the United States
  – Least cost current means to achieve the goals
  – Currently supports DoD, DOE, DOC, IRA, EPA, VA, USPS, NASA
  – Continuing to purchase RECs for those in need

• Contracting expertise for long term power purchase agreements stemming from renewable energy project development

• DOD and Federal customers/partners

• Pilot Projects are underway with various DOD and Federal civilian agencies for solar and geothermal technologies

POC: desc.repteam@dla.mil; 703-767-8669 or 8523; DSN 427
Utility Privatization (UP)

• UP leverages private sector financing in order to modernize DoD systems at a cost lower than if the government retained ownership.

• Comprised of two contractual actions:
  – Conveyance of the utility system to a private/public owned utility company
  – Utility distribution services contract for up to 50 years

• UP projects correct many environmental Notices of Violations and life safety deficiencies that may otherwise remain un-financed or subject to the availability of funds if retained under DoD ownership.

• Contact 703-767-2572; DSN 427-2572; [http://www.desc.dla.mil](http://www.desc.dla.mil)

Water Tower Replacement
Refurbishment to lift stations
Energy Savings Performance Contracts (ESPCs)

- ESPCs leverage private sector financing for installing energy efficient equipment in DoD facilities IAW 42 USC 8287 & Energy Policy Act 2005
- ESPCs help to meet the federal government’s energy efficiency, water conservation, and renewable energy goals.
- Under an ESPC, contractor designs, constructs, and finances energy savings project. Agency makes payments (from appropriated funds) over life of the contract, to the contractor, from savings reduction in utility bills.
- Reduces DOD Dependency on Foreign Oil
- Added Benefit: Reduces Pollution SO2 and NO2
- Contact DESC, 703-767-8451; DSN 427-8451; [http://www.desc.dla.mil](http://www.desc.dla.mil)

Annual Cost Avoidance

$1.94M
Buying Green – a Multifunctional Approach to Pollution Prevention

• This 2-day workshop offered by the DLA Training Center (DTC) provides an overview of the Federal pollution prevention initiatives and how they relate to the DoD acquisition process. **Highlights** include:
  – P2 Laws/Executive Orders/Regulations
  – Green Procurement Program
  – Environmentally Preferred Products
  – Life-cycle Costing
  – Acquisition Planning
  – FAR requirements

• **Course Number & info:** (DCPSO00R750)
• [http://www.hr.dla.mil/training/](http://www.hr.dla.mil/training/)
• **Workshop Manager** - D850-6166, Comm 614-692-6166
DOD EMALL
DOD’s Online Shopping Tool

- Web self-service capability for the DOD
- Sells both finished goods and services
- Supports contracts written by DLA, GSA, Services, Federal agencies
- Offers over 66M items from government stock, long term contracts and 1900 catalogs
- Offers 494,487 Green Items as of April 2010
- Currently adding about 30 vendors a month and over 750K items of content a month
- FY09 Total Sales $817M; Green Sales over $325,000

https://dod-email.dla.mil
DOD EMAIL provides over 494,487 Green products to our customers.
Once you have found your product, Rolling your mouse over the Green Icon/ENAC code provides an explanation.
DOD EMALL
DOD’s Online Shopping Tool

Clicking the Icon provides online help/ENAC and product definitions.
To view Green reports, navigate to the “Reports” tab.

When shopping is complete, users may request full reports of orders made and account activity. For instance, if a customer wants to know how well they are supporting various initiatives, such as purchasing green products or supporting small businesses, DOD EMALL can provide the customer reports, weekly, monthly or quarterly as desired. A general search by quarter is displayed on the next 2 pages.
Click on Green Purchases hyperlink to view reports.
This page allows users to view quarterly reports. Users may also receive customized reports by sending an email to: emallcustomreports@dla.mil. This provides users information on how well they are supporting the “Green program”.
This is the Green Reports page. This page breaks down sales by Fiscal Year Quarters.
DOD EMALL

DOD’s Online Shopping Tool

The bottom of the page provides the user with total sales for that quarter.
Hazardous Material Information Resource System (HMIRS)

- DoD central repository for Material Safety Data Sheets (MSDS); including foreign language MSDS
- Assists Federal Government personnel who handle, store, transport, use, or dispose of hazardous materials – EPA, OSHA, DOT
- Includes value-added info by Service-agency focal points: HAZCOM warning label & transportation info
Hazardous Material Information Resource System (HMIRS)

- Available on the web, in CD/DVD sets or as direct system-to-system interface (e.g., Federal Catalog System for supply items)
- Over 400,000 MSDSs and 4,800 users.
- Hazard Communication warning labels are based on the OSHA standard
- HMIRS CDs containing nonproprietary MSDS data have been updated to look and feel like the web.
HMIRS

Contact info

• **Program Manager**: Defense Logistics Information Service (DLIS), DSN 661-4195. Focal point for Help Desk support: Customer Service Office, 1-877-DLA-CALL (352-2255)

• **Functional Manager**: Defense Supply Center Richmond (DSCR), 804-279-3518; DSN 695

• also email: HMIRS@dlad.mil
DOD Shelf Life Program

- Delegated to DLA by DUSD(L&MR)
- Authority Vested in DODD 4140.1, DoD 4140.1-R, DOD 4140.27-M
- Policies in DoD 4140.27-M, Shelf Life (SL) Management Manual
- Permeates Entire Supply Chain
- Applies to Wholesale, Retail, Consumable, Non consumable
- Participants include DOD, GSA, FAA, DTRA, DHS
- Formal Training Program Available; computer based training being developed
- Joint Reg DLAD 4155.37 contains SL Extensions Policies
- Shelf Life Extension System (SLES) contains successful extensions and test and visual inspection criteria. SLES and other SL information available on web sites.
- Use web site feedback for any questions

Public internet web site: https://www.shelflife.hq.dla.mil/
Intranet site available upon request to .mil customers
Defense Reutilization & Marketing Service (DRMS)

http://www.drms.dla.mil/

Reuse and Recycling Programs –
providing maximum reutilization of DOD excess property

- Scrap Recycling - providing a recycling service with reimbursement going back to DOD Qualified Recycling Programs
- Donation in Lieu of Disposal - diverting property from landfill with no cost or reimbursement to Government (other than occasional shipping costs). Examples: low value recyclables such as - tires, wood, furniture, and hazardous materials
- Electronics Recycling - Computers for Learning Program, MOA with Federal Prison Industries (FPI) Unicor, Demanufacturing contracts
- Precious Metals Recovery - refining of precious metals bearing material/scrap to conserve resources; no reimbursement to generator
- Hazardous Materials Reuse - Maximizing lifecycles, minimizing the environmental risks and the costs associated with disposal
- Hazardous Waste - safe and compliant disposal management, tailored and cost efficient contracts with DLA assumed liability for 3rd party contamination sites

POC: DLA Customer Interaction Center 1-877-352-2253, options 3-2-1
Defense Reutilization & Marketing Service

Electronics Demanufacturing

- Increased recycling and solid waste diversion

- Protection of the environment/controlled disposal of:
  - Batteries of all types in electronics
  - Mercury switches
  - Heavy Metal content
  - Keeping leaded glass from PC monitors and TVs out of landfills

- National Security:
  - Ensures property with military capability not released into commerce
  - Destruction of secure information

Demanufacturing & FPI Recycled (million lbs)
Pharmaceutical Reverse Distribution

• Return of expired, short-dated, recalled, and overstocked products
  ✓ Pharmaceuticals – Rx, OTC, & Controlled substances
  ✓ Limited Medical/Surgical items & Diagnostics
  ✓ On-site and Off-site service
  ✓ CONUS and OCONUS

• Hazardous and Non-Hazardous Disposal
• Attempt to achieve maximum credit return
• Minimize regulatory risk -- ensures all regulatory requirements are met for returns and disposals – DEA, FDA, EPA/OSHA, & DOT transportation regulations

Contact:  (215) 737-4149 or 4351; DSN 444
Hazardous Technical Information Services (HTIS)

An advice service for managing hazardous materials or wastes:

- Environmental
- Safety & Health
- Transportation
- Packaging
- Logistics

Bulletin

- Bimonthly, with over 8,000 Recipients

Regulatory Alerts – weekly

Help Line: 800-848-HTIS

Staffed with chemists, chemical engineers, industrial hygienists, environmental specialists
HTIS HELP LINES

- Monday - Friday: 0730 - 1630 ET
- DSN 695-5168 & (804) 279-5168
  - Voice mail after hours
  - 800-848-HTIS
  - FAX: 279-4194
- Internet
  - dscr.htis@dla.mil
  - Links from other DOD/Government Sites
- NOT for Emergency Response
The DoD Ozone Depleting Substances Reserve at Defense Supply Center Richmond

Only Source for Weapon Systems Support

Halons 1211 and 1301
Refrigerants R-11, R-12
R-114, R-500, and R-502
ODS Reserve Program Guidance

• Halon and Refrigerant Recycling Program Supporting Major Weapons Systems

• Turn-ins Mandatory – Local Disposal or Sale Prohibited

• Outside of U.S. -- Individual Country Laws and Regulations Continue to Evolve

Contacts: Phone: 804-279-5203 / 5202, DSN695; OR email: DSCR.ODSReserve@dla.mil
Document Automation & Production Service (DAPS) is Environmentally Responsible

- **Electronic Document Management**
  - DAPS’ Document Management services save customers more than 13.5 million printed pages per year
  - Eliminates the need for long term publication warehouses
  - Saves long term printing cost

- **Recycled Content Paper**
  - DAPS Paper Contract
    - Reduced DoD paper usages from 1.2 billion sheets of recycled content paper per year to 250 million
    - Meets the EPA requirement for recycled post-consumer fiber content
    - Requires paper processed without the use of chlorine or chlorine compound

>>> Saving 118,750 trees annually

- **Energy Star Rated Copiers**
  - Energy Star Rating is required in all of DAPS’ acquisitions for copiers and printers available for lease or rent.
  - Vendors pick-up and recycle all copier and printer toner cartridges

**Winner:** 2009 DLA Environmental Award and 2008 Secretary of Defense Environmental Award, Honorable Mention

For more info: [http://www.daps.dla.mil/](http://www.daps.dla.mil/)
Green Product Highlights

- Re-refined Lubricating Oil
- Reclaimed Engine Coolant
- Remanufactured Toner Cartridges
- Vehicular Wet Battery Program
- Heavy Equipment Procurement Program
- Energy Efficient Lighting
- Biobased Fuels
- Biobased Cutlery
Re-refined Lubricating Oil

• **Basic Re-refined Oil Program**
  – API certified oil in your choice of 5W-30, 10W-30, 15W-40, 30 & 40
  – No minimum orders.
  – Packaged in Quarts, 5 Gallon Containers, and 55 Gallon Drums.
  – World-wide delivery from Vendor to Customers

• **Closed Loop Re-refined Oil Program**
  – API certified oil in your choice of 30, 40, 10W-30 and 15W-40
  – Small minimum orders.
  – Includes pick up of your used oil for re-refining.
  – CONUS delivery of packaged and bulk products
  – Available in Quarts, 5 gallon containers, 55 gallon drums, bulk deliveries

POC: 804-279-4257, DSN 695
http://www.dscr.dla.mil/userweb/dscrlD/Re-refined/RR.htm

Defense Supply Center Richmond

Jun10
Reclaimed Engine Coolant (aka Recycled Antifreeze)

- Conforms with EPA guidelines
- May be purer since recycling process reduces chlorines from hard water
- Commercial Item Description that replaces 3 Mil Specs, specs same for virgin, recycled
- Army – use recycled only, DLA to do automatic substitution
- Other Military Services -- similar directions
- POC for product: 804-279-3995, DSN695
- POC for antifreeze recycling equipment: 804-279-4654, DSN695
Toner Cartridges

- EPA CPG item (non-paper office product)
- Used in laser printers, photocopiers, fax machines, and microphotographic printers
- When the toner is replaced, the cartridges can be returned to the manufacturer to be refilled, refurbished, and cleaned for resale.
- EPA recommends: remanufacturing services for expended cartridges, and remanufactured toner cartridges or new toner cartridges made with recovered materials from product vendors
- POC: 804-279-3995, DSN695

Defense Supply Center Richmond
Vehicular Wet Battery Program

- Contract awarded in December 2004 services all 50 states – current contractor is Exide
- New Price: The 6TMF battery price is $73.06 for all sites (FY 2009 price). Also included: 2HN, 4HN
- Direct Vendor Delivery for sites using 120 or fewer per year, order on as needed basis through MILSTRIP or DOD EMALL
- Consignment of 30 day supply for sites using 120 or more per year – over 250 sites
- Consignment Advantages – no inventory investment, no servicing risks, spent batteries picked up at no charge for recycling, diversion from installation waste stream
- Requires application – POC: 614-692-4225; DSN850 Fax 614-693-1603; DSN850

Defense Supply Center Columbus
Heavy Equipment Procurement Program (HEPP)

- Supports the Acquisition of Over 2,400 “Commercial Type” Heavy Equipment Products
- Multi-award commercial requirement contracts
- Focus: Tailored Customer Support
  - Average Administrative Lead Time = 16 Days
  - Optional Ordering System
  - (MIPR or Requisition)
  - Credit Card Ordering
  - Interactive Web Catalogs
  - 1.0% Cost Recovery Rate

**Defense Supply Center Philadelphia**

**Construction Equipment, Material Handling Equipment, Fire Fighting/Rescue Vehicles & Environmental Products**

- 10 Year Contracts
- Full Range of Options
- OEM’s
- Add/Delete Clause
- Customization
- Leveraged Buying
Heavy Equipment Procurement Program

Equipment for environmental functions:
- Balers
- Crushers
- Compactors
- Shredders
- Recycling equipment
- HazMat storage facilities
- Sweepers
- Extractors
- Graders
- Sewer cleaners
- Vacuum trucks
- Spill containment systems

POCs: 215-737-7256, DSN 444-7256, 215-737-7283, DSN 444-7283; hepp@dla.mil

Defense Supply Center Philadelphia
Biobased Plastic Flatware

• Biobased resin uses wheat to replace 50% of Polypropylene
• Meets or exceeds all current performance standards (impact strength, heat distortion, flexibility, biodegradability)
• Replacement into Unitized Group Ration A and Heat & Serve programs, then into daily dining facilities on military bases, hospitals, etc.
• POC: 215-737-4435; DSN444

As shown above, the flatware is packaged with napkin, sugar, salt and pepper in a clear plastic bag.

Defense Supply Center Philadelphia
Biobased Plastic Flatware

Offered by JWOD NIB/NISH Partner: L C Industries

Biobased Fuels (aka Biofuels)

- Biodiesel, mono-alkyl esters of long chain fatty acids derived from vegetable oils or animal fats IAW ASTM D 6751, for use in diesel engines.
- **B20**, a blend: 20% biodiesel & 80% ultra-low sulfur diesel fuel
- **E85**, a blend of 85% ethanol and 15% gasoline
- Initially driven by the **Energy Policy Act (EPACT) of 1992** and **EO 13149: Greening the Government Through Federal Fleet and Transportation Efficiency**
- Biofuel use reduces regulated exhaust emissions, decreases petroleum imports
- DESC worked to establish quality requirements for B20 so fuel works comparable to diesel; recognized with White House Closing the Circle Award

POC: DSN427-8415; DSN427-8740 (Comm 703-767)

**Defense Energy Support Center**
Alternative Fuels Information Station

• Tutorials now available on:
  – Energy Policy Act Compliance & fleet management programs
  – E85 and Biodiesel (definitions, properties, production, advantages & disadvantages)
  – Synthetic Fuels (definitions, properties, production, advantages & disadvantages)
  – Alternative Fuels Logistics (infrastructure, how to buy, changes needed to handle alt fuels)

• POCs: DSN427-8415; DSN427-8740 (Comm 703-767)
• Quality/Technical Support Office 703-767-8737; DSN427

Defense Energy Support Center
DLA’s Environmental Attribute Initiative

• Environmental Attribute Codes (ENAC) for NSN items in the Federal Logistics Information System, also known as the Federal Catalog System, to signify that a product meets strict, definable environmental standards & criteria

• Listing of ENAC by category (scroll down to Table 194):

• ENAC currently applied to over 8000 items managed by DLA & GSA, ranging from paints & coatings to lamps to file folders to gaskets to industrial cleaners & lubricants

• Spreadsheet listing NSN items with ENAC is found at:
Environmental Attributes, continued

• DLA formed and chairs a Joint Group on Environmental Attributes (JGEnvAtt) to seek out and evaluate clearly definable environmental product criteria or ‘attributes’ from recognized environmental organizations

• JGEnvAtt process: Identify, evaluate and through a consensus building process, approve Environmental Attributes or criteria to be applied to products in the FCS.

• Voting Members: Army, Air Force, DLA, Navy, Marine Corps, GSA

• Advisors: Office of the Secretary of Defense, US Departments of Agriculture and Energy, US Environmental Protection Agency, Office of the Federal Environmental Executive (OFEE)
Environmental Attributes
Approved by the JGEnvAtt

- Recycled Content
- Energy Efficient
- Water Conserving
- Low VOC Content
- Low Standby Power
- Asbestos Alternative
- Biobased
- Non-mercury Alternative
- Electronic Products Environmental Assessment Tool (EPEAT)
- Non-cadmium Alternative
DLA-managed NSNs and ENAC

- Goal to increase support to customers in the realm of environmentally responsible or green products
- DLA’s Senior Green Product Council included an objective in DLA’s strategic plan for a 25% increase in “green” DLA-managed NSNs (with ENAc) offered to customers over FY06-FY09, using a FY05 baseline
- Met/exceeded the 25% goal a year early, progress more than doubled original target by FY09
- All DLA supply chains now engaged; established Green Products Team that wants to hear from customers about green product needs, green products already in use, and ideas for new products or processes
- email: GreenProducts@dla.mil
Green Procurement Report -- Website Tool

• Online tool to help Federal customers manage & report green procurement at Service/Agency, installation or unit level
• Included in OSD Green Procurement Program metrics
• Website location www.dlis.dla.mil/erlsgpr
• Covers transactions from DLA and General Services Administration stock systems (but not GSA schedule items)
• Currently requires registration and password; expected to be CAC-enabled (summer 2010 maybe)
• Other functional enhancements possible as part of an upcoming system modernization and replacement
Welcome to the web based Green Procurement Report (GPR)

Changes to environmental legislation have resulted in an increased emphasis on the procurement of environmentally preferred products. The Green Procurement Report (GPR) can be used by military services and Federal Agencies to track environmentally friendly purchases and provide required data input to pollution prevention reports (i.e., RCRA6002). The GPR provides visibility of green procurements from the stock system of Defense Logistics Agency (DLA) and the General Services Administration (GSA). Each authorized GPR User can customize their report and display the results by Service/Agency, DODAAC (DOD Activity Address Code) and Environmental Attribute Code (ENAC). The GPR pulls information from ERLS to compile the reports.

To learn more about ERLS, visit our Links/Resources.
Note: Users normally will obtain an individual account & password for accessing this system to use at this screen – more on this later!
This screen displays 5 report options, 3 that are standard and 2 that are custom.
As an example, choose the second option to see a report for a specific activity or DODAAC.

Department of Defense Activity Address Code (DODAAC)
A six position, alphanumeric code that identifies a specific unit or activity authorized to requisition, receive supplies, or receive billing.
Customize Green Procurements By DODAAC

Initiating Account Registration for the Green Procurement Report:

The Green Procurement Report (G:PR) can be used by environmentally friendly purchases and provide record keeping. The G:PR provides visibility of green purchases from the stock system of Defense Logistics Agency (DLA) and the General Services Administration (GSA). Each authorized GPR User can customize their report and display the results by Service/Agency, DODAAC (DOD Activity Address Code) and Environmental Attribute Code.

GPR pulls information from ERLS to compile the reports.

To learn more about ERLS, visit our Links/Resources.
