TECHNICAL PROPOSAL WRITING  
A bibliography

by  
John T. Milek, Ian General,  
Rose E. Konrath, and Masse Blockfield

January 1969

APR 1 1969  
CULVER CITY, CALIF.

This document has been approved  
for public release and sale; its  
distribution is unlimited.

Culver City, Calif.

## PREFACE

This bibliography, consisting of over 240 citations, was prepared in response to the needs of many engineers involved in the writing of proposals. Selected citations cover open literature as well as report literature. The authors have attempted to be as comprehensive as possible.

## TECHNICAL PROPOSAL WRITING: A BIBLIOGRAPHY
