FOREWORD

This report presents a summary of the information submitted by Defense contractors to assume an affirmative obligation and submit reports with respect to subcontracting with small business, small disadvantaged business, other minority business, and woman-owned business in accordance with Public Law 95-507. Submission of data is accomplished quarterly on a Federal Agency Quarterly Summary Subcontracting Report as directed by the instructions contained therein.

HIGHLIGHTS

This publication represents the first report prepared from information received on the Summary Subcontracting Report. Prior to this fiscal year, subcontracting data were reported for each individual quarter on DD Form 1140-1. During the first two quarters of Fiscal Year 1981, OMB Form 0348-0013, Federal Agency Quarterly Summary Subcontracting Report, was the required form; beginning third quarter, Standard Form 295, Summary Subcontract Report, became the prescribed document for submission of data. Both of these forms utilize a cumulative year-to-date approach to collection of data.

This report is presented in two Sections. Section I contains summary tables. The table on Page 1A, Cumulative Current Fiscal Year 1981, provides an overview of data presented for this time frame and includes relative percentages. The comparison table on Page 1B displays selected data elements for comparison between Fiscal Year 1981 and Fiscal Year 1980.

The codes appearing in this publication are explained on page iv.
