**PART I**

**INTRODUCTION AND EXPLANATION OF CODES**

## INTRODUCTION

This report presents a variety of subcontract data collected from Department of Defense (DOD) large business firms that have received at least one award in excess of \$500,000 (\$1,000,000 for construction). Public Law 95-507 requires that these contractors establish a small business and small disadvantaged business subcontracting program and report to DOD quarterly, using Standard Form 295, on subcontract awards made to these types of firms.

Table II-1 shows the dollar amounts and percent distribution of awards from DOD contractors to large, small, and small disadvantaged businesses for First Half FY 1987 and First Half FY 1986.

Table II-2 summarizes DOD subcontracting program commitments, while Tables II-3 and II-4 summarize small and small disadvantaged business subcontracting goals and achievements for First Half FY 1987.

Detailed information from the Army, Navy, Air Force and Defense Logistics Agency (DLA) is presented in Part III, Sections 1 through 4. These listings include all of the statistics submitted by each contractor and subcontractor on the Standard Form 295.

## EXPLANATION OF CODES

- CODE.** Unique 4-digit number identifying each plant.
- SURV DATE.** The date of the most recent Government subcontracting surveillance review. The first two digits represent the year of the review and the last two digits represent the month of the review; e.g., March 1985 becomes 8503.
- TYPE.** Type of contractor as follows:
- P - prime contractor
  - S - subcontractor
  - B - both prime and subcontractor
- REQD.** Comments were (Y) or were not (N) required.
- RMKS.** Contractor did (Y) or did not (N) provide required comments.
- "REQD" and "RMKS" appear in the following combinations:
- Y/N - comments required but not provided
  - Y/Y - comments required and provided
  - N/Y - comments not required but provided
  - N/N - comments not required and not provided
- NR.** No report. Although a report was required, none was received for this fiscal quarter.
- O/S.** Companies reporting \$0 to small businesses.
- O/D.** Companies reporting \$0 to small disadvantaged businesses.
- LSA AMT.** Amount of subcontracts placed with labor surplus area (LSA) concerns.
- NOTE:** An asterisk (\*) in an amount column indicates less than \$500 in dollar amount fields and less than .05 percent in percentage fields. An asterisk preceding a code number indicates that, although a report was required, none was received for this fiscal quarter.
