## FOREWORD

The General/Flag Officer Worldwide Roster is produced quarterly by Washington Headquarters Services from the General/Flag Officer Billet Information System (FOBIS), as authorized by DoD Instruction 7730.61, "Reports on General and Flag Officer Positions," dated August 7, 1990.

FOBIS incumbent and position updates are provided monthly by the appropriate personnel offices of the Military Departments and reflects updates to be effective as of the 10th of the month. These updates form the basis for the production of the Worldwide Roster, which is a reflection of current incumbents assigned to joint staff and command billets, and all Army, Navy, Marine Corps, and Air Force positions. Individuals in transit between assignments or selectees not in an authorized billet are not included in this publication. An alphabetical index is also included to assist the reader in easily locating personnel by duty assignment(s). Any errors should be brought to the attention of the particular Military Department involved with the incumbent. Other comments on this publication should be addressed to the office shown on the title page.

Each Military Department makes internal distribution and provides their respective active duty General/flag officers with a copy of this publication. All other agencies/individuals desiring a copy should contact the Government Printing Office listed on the preceding title page.

Shown below are the telephone numbers for each of the contact points in the Services, who are responsible for internal Service distribution and updates to the officers listed or to be listed:
