**INTRODUCTION AND EXPLANATION OF CODES**

## INTRODUCTION

This report presents a variety of subcontract data collected from Department of Defense (DoD) large business firms that have received at least one award in excess of \$500,000 (\$1,000,000 for construction). Public Law 95-507 requires that these contractors establish a small business and small disadvantaged business subcontracting program and report to DoD quarterly, using Standard Form 295, on subcontract awards made to these types of firms.

Table II-1 shows the dollar amounts and percent distribution of awards from DoD contractors to large, small, and small disadvantaged businesses for the first quarter fiscal year 1993 and the first quarter fiscal year 1992.

Table II-2 summarizes DoD subcontracting program commitments, while Tables II-3 and II-4 summarize small and small disadvantaged business subcontracting goals and achievements for the first quarter fiscal year 1993.

Table II-5 summarizes DoD subcontracting Program awards by the reporting organization's location, which may or may not be the place of performance. Only those locations for which data were reported are displayed. The U.S. Territory Total line contains the cumulative amounts for all the U.S. Territories (Puerto Rico, Guam, Virgin Islands, etc.) reported as one entity. During the current reporting period, one award was entered in this line and the reporting organization is located in Puerto Rico.

Detailed information from the Army, Navy, Air Force, and Defense Logistics Agency (DLA) is presented in Part III, Sections 1 through 4. The listings in Part III include all of the statistics on the Standard Form 295 submitted by each contractor and subcontractor.

Dollar amounts in the Summary tables, as well as the Detail tables, are given in thousands.

## EXPLANATION OF CODES

- CODE. Unique 4-digit number identifying each plant.

- REQD. Comments were (Y) or were not (N) required.
- RMKS. Contractor did (Y) or did not (N) provide required comments. "REQD" and "RMKS" appear in the following combinations:  
Y/N - comments required but not provided  
Y/Y - comments required and provided  
N/Y - comments not required but provided  
N/N - comments not required and not provided
- NR. No report. Although a report was required, none was received for this fiscal quarter.
