The use of other ID media shall be restricted to activities and areas where special ID is required.

The card, which is the property of the U.S. Government, shall be in the personal custody of the member at all times. Additional identification documents for commissary privileges are described in DoD 1330.17-R (reference d) and for medical benefits are described in subparagraph 1.b.(3) below. This card does in itself authorize exchange and morale, welfare, and recreation privileges as described in DoD Directive 1330.9 (reference (c)).

(3) When accompanied by a set of valid active duty orders, that card shall be used to authorize full benefits and privileges for a period of time not to exceed 180 days if the member is called to active duty by congressional decree or Presidential callup under 10 U.S.C. Chapter 15 or 39 (reference (f)).

(4) When the card is issued to Reserve retirees entitled to retirement pay at age 60, but who have not yet attained age 60, the abbreviation "RET" shall be entered after the member's grade in the grade block on the face of the card. The card must be issued by the retired Reserve member's parent Service.

c. DD Form 2, "United States Uniformed Services Identification Card (Retired)," (enclosure 3, page 3-3) is the primary ID for retired Uniformed Services members entitled to retired pay and shall be used to identify the member's eligibility for benefits and privileges administered by the Uniformed Services in accordance with 10 U.S.C. 55, DoD Directive 1330.9, and DoD 1330.17-R and DoD 6010.8-R (references (b), (c), (d), and (g)). The card, which is the property of the U.S. Government, shall be in the personal custody of the retired member at all times. If required by military authority, it shall be surrendered for ID or investigation.

d. DD Form 1173, "Uniformed Services Identification and Privilege Card," (enclosure 4, page 4-1) shall be used to identify individuals eligible for benefits and privileges administered by the Uniformed Services in accordance with references (b), (c), (d), and (g); DoD Directive 6310.7 (reference (h)); and as outlined in the "DD Form 1173 Entitlement Guide" (enclosure 4, attachment 1).

(1) DD Form 1173 is not a pass. The card, which is the property of the U.S. Government, shall be in the personal custody of the individual to whom issued at all times. If required by military authority, it shall be surrendered for ID or investigation.

(2) No other form of ID shall be used for such purposes except as herein provided or as prescribed by the Uniformed Service concerned when required for additional ID for access to classified areas, activities, or installations or when required to identify individuals who do not qualify for the DD Form 1173, but who do qualify for benefits.

e. DD Form 1173-1, "Department of Defense Guard and Reserve Family Member Identification Card," (enclosure 4, page 4-3) shall be used to identify individuals as dependents of Ready Reserve members not on active duty in excess of 30 days and

Reserve retirees who are entitled to retirement pay at age 60, but who have not yet attained age 60. DD Form 1173-1 is for identification only. When accompanied by a set of valid active duty orders, that card shall be used to authorize full benefits for a period of time not to exceed 180 days if the member is called to active duty by congressional decree or Presidential callup under 10 U.S.C. 15 and 39 (reference (f)). During peace-time, appropriate additional identification for benefits and privileges is described in 10 U.S.C. 55 and DoD Directive 1330.17-R (references (b) and (d)). f. Any person willfully altering, damaging, lending, counterfeiting, or using these cards in any unauthorized manner is subject to fine or imprisonment or both, as prescribed by 18 U.S.C. 499, 506, 509, 701, or 1001 (reference (i)). Section 701 of reference (i) prohibits photographing or otherwise reproducing or possessing Uniformed Services ID cards in an unauthorized manner, under penalty of fine or imprisonment or both. Unauthorized or fraudulent use of the DD Form 2, DD Form 1173, or the DD Form 1173-1 would exist, if a bearer uses the card in a manner that would enable the bearer to obtain benefits and privileges to which he or she is not entitled. Photocopying of the DD Form 2, DD Form 1173, or DD Form 1173-1 to facilitate medical care processing, check cashing, or administering other military-related benefits to eligible beneficiaries are examples of authorized photocopying.

g. Under the Uniformed Services cross-servicing agreement:

The signature of the sponsor is required, as outlined in paragraph F.1.h., below.

h. The verifying official shall ensure that DD Form 1172 shall be signed by the sponsor if the sponsor is living. If the sponsor refuses to sign or is physically unable to sign the application, the verifying official shall ensure that the dependency between the sponsor and family member exists. Include reasons why sponsor is not able to or will not, sign DD Form 1172 in enclosure 5, attachment 1, section III, block 89., and certify those actions and proper authority in the sponsor signature block as well as the verifier's block, as part of the verification process. Unremarried and unmarried former spouses shall sign on their own behalf. If the sponsor is deceased, the adult applicant shall sign. Appropriate remarks shall be included in block 89.

i. Documentation from the Department of Veterans Affairs (VA) for honorably discharged veterans who are evaluated 100-percent disabled must certify that the veteran is entitled to commissary and exchange privileges and indicate whether a reevaluation is necessary. In addition to VA certification, the veteran must also present a DD Form 214, "Certificate of Release or Discharge from Active Duty."

j. In accordance with DoD 1341.1-M (reference (j)), on completion of the manually prepared DD Form 1172 by the sponsor or applicant, the verifying official, and the issuing agent, the original of the completed form shall be mailed to the DEERS Enrollment Processing Center, Post Office Box 16008, Monterey, CA 93942-6008. A DD Form 2268, "Defense Enrollment Eligibility Reporting System (DEERS) Batch Transmittal," shall be attached to batches of no more than 50 forms.

k. DEERS enrollment for eligible overseas civilian sponsors and their dependents shall be accomplished jointly by the military and civilian personnel offices. The civilian or military personnel offices shall complete and verify the DD Form 1172 for

their personnel, as outlined in enclosure 5, and shall forward the original DD Form 1172 to the nearest ID card-issuing facility for issuance of an ID card, if required. The form shall then be batched and transmitted, as prescribed in paragraph F.1.j., above. If the DD Form 1172 is completed, but an ID card is not required to be issued, a copy of the DD Form 1172 shall be forwarded directly to the DEERS, as prescribed in paragraph F.1.j., above.

2. Eligibility for DD Forms 2, 1173 and 1173-1, Restrictions and Overseas Limitations

Members who are ordered to active duty for periods of 30 days or less shall not be issued this form, but shall be identified by copies of their orders or other documents establishing temporary active duty status and by their DD Form 2 (Reserve) or DD Form 2 (Retired), as appropriate.

b. DD Form 2 (Reserve) shall be issued to members of the following:

(1) Ready Reserve, who are not otherwise entitled to either DD Form 2 (Active or Retired).

A former spouse who meets the 20/20/15 requirement described in paragraph F.2.d.(2)(b) but whose divorce occurred on or after April 1, 1985 but before September 29, 1988, is no longer eligible for an ID card. (1) DD Form 1173 may not be issued to the following:

(a) Individuals when eligibility for, or usage of, the card for periods of 30 days, or less, is indicated.

(c) Children adopted after age 21 or, if a full-time student, after age 23. A case-by-case waiver of this restriction may be granted in any case of an adoption of an individual, 21 years, or older, with an incapacitating condition that existed prior to age 21 or that occurred while the individual was a full-time student prior to the age of 23, if it is determined that there is a BONA FIDE parent-child relationship. The criteria for determining that relationship shall be that: 1 the person adopted was a close blood relative prior to the adoption; 2 the member in fact has responsibility for the care, maintenance and support of the person adopted and the person's legal, financial and other affairs; and, 3 the person adopted has resided with the member at least 1 year before the issuance of the ID card and will continue to reside with the member. Any such waiver must be approved by the appropriate Assistant Secretary of the Military Department concerned.

(d) Military personnel, except on an individual basis when the Secretary of the Military Department concerned, or a designee, considers the issuance to be in the Military Department's interest.

(e) Employees of nonappropriated fund instrumentalities in the United States, unless otherwise eligible, including retired Armed Services exchange employees with 20, or more, years of Armed Services exchange employment.

(g) Dependents, when the member is in a deserter status. (That does not apply to former spouses, who are eligible for benefits.)

(h) Individuals who stand in loco parentis (in the place of a parent or instead of a parent charged factitiously with a parent's duties and responsibilities).

(i) The abused dependent of a member of a Uniformed Service receiving a dishonorable or bad-conduct discharge or dismissed from a Uniformed Service as a result of a court-martial conviction for an offense involving abuse of the dependent, even though the abused dependent may be entitled to receive limited military medical or dental care for an injury or illness resulting from the abuse.

(j) Former spouses who had 20 years of marriage, at least a 15-year overlap with their former spouse's 20 years of Military Service, who were divorced after April 1, 1985, and whose medical benefits have expired, and who purchase DoD-designated conversion insurance, in accordance with DoD Directive 6000.3 (reference (v)) even though the former spouse may be entitled to receive limited military medical or dental care for a pre-existing medical or dental condition.

(2) DD Form 1173-1 may not be issued to the following:

(a) Ready Reserve and Reserve retiree dependent children under 10 years old or 21 years of age or older unless: 1 the child under 10 years of age does not reside in the household of an eligible adult family member, and 2 dependent child 21 years of age or older if incapacitated or a student. Dependency determinations will be done in accordance with Uniformed Services regulations.

(b) Other categories requiring dependency determinations such as parents and parents-in-law.

(c) Former spouses.

(d) Dependents of sponsors executing active duty orders for more than 30 days.

g. Overseas Limitations. Treaties, status of forces agreements (SOFAs), or military bases agreements in overseas areas may place further limitations on the logistical support that otherwise might be available to eligible personnel. Usually, SOFAs with foreign countries prevent the use of commissary or exchange facilities by persons who are not stationed within the host country under official orders in support of the mutual defense mission. ID cards shall be issued in accordance with this Instruction and the Uniformed Services shall use other means, such as ration cards, to implement restrictions under SOFAs.

3. Preparation and Issuance of DD Forms 2, 1172, 1173, and 1173-1

a. Procedures for preparation and issuance of DD Forms 2 shall be, as determined by the Uniformed Service concerned, subject to the following:

(1) DD Form 2 (Active). The "expiration date" shall be shown, as prescribed in enclosure 3, attachment 2.

(2) DD Form 2 (Reserve). The "expiration date" shall be shown, as prescribed in enclosure 3, attachment 2. For Ready Reserves, the "expiration date" shall be shown, as prescribed in enclosure 3, attachment 2. For Reserve retirees entitled to retired pay at age 60, the abbreviation "RET" shall be entered after the retiree's grade in the grade block on the face of the card and the "expiration date" shall be shown, as prescribed in enclosure 3, attachment 2.

(3) DD Form 2 (Retired)

(a) The "expiration date" shall be shown, as prescribed in enclosure 3, attachment 2.

(b) A positive statement of entitlement to healthcare benefits under CHAMPUS (reference (g)) shall not be entered on that card. Sources of medical care shall assume entitlement, unless there is a negative statement.

(c) The verifying official shall determine if the retired member is entitled to Medicare Part A hospital insurance benefits, under Title XVIII of the Social Security Act (reference (w)), regardless of the age or disability status of the retiree. Except as provided in 3.a.(3)(d), if entitled to Medicare Part A hospital insurance benefits under reference (x), the retiree is ineligible for medical care under the Civilian Health and Medical Program of the Uniformed Services (CHAMPUS), and the DD Form 2 (Retired) shall be issued to reflect that the member is not authorized civilian medical benefits. Retirees are not authorized CHAMPUS beyond attainment of age 65, unless they present a formal statement of eligibility for Medicare Part A benefits from the Social Security Administration certifying that they are not entitled to hospital insurance benefits, under reference (x). If the retiree is entitled to hospital insurance benefits, under reference (x), the word "After" in the medical block, on the form, shall be deleted. If the retiree should show satisfactory evidence (formal determination from the Social Security Administration (SSA)) indicating that the member is not entitled to Medicare Part A hospital insurance benefits, under reference (x), the words "No" and "After," in the medical block, shall be deleted. If the retiree is under age 65 and not eligible for Medicare Part A benefits, enter the date the retiree will

attain age 65. (See enclosure 20, definition 2. "Attainment of Age 65.")

(d) All CHAMPUS beneficiaries under age 65 who would otherwise have lost eligibility for CHAMPUS due to eligibility for Medicare Part A as a result of disability will remain CHAMPUS eligible under certain conditions. Medicare eligible beneficiaries under age 65 may retain their CHAMPUS eligibility or have their CHAMPUS eligibility restored provided they are entitled to Medicare Part A as a result of a disability (not end stage renal disease); and they are enrolled in Medicare Part B. The date the beneficiary becomes entitled to CHAMPUS is based on the status of the beneficiary. Retirees and eligible spouses or children of living retirees are restored for eligibility effective October 1, 1991. Eligible unremarried former spouses, and survivors of deceased active duty and retired members, and Guard and Reserve-deceased members are restored for eligibility effective December 5, 1991.

(4) Photograph and Lamination Process. All DD Form 2 cards shall have a passport-type and full-face photograph of the bearer affixed to the obverse side. Cards shall be laminated, using the heat-pressure method, before issuance.

b. Procedures for completion of DD Form 1172 (enclosure 5, attachment 1) shall be in accordance with the instructions in enclosure 5, and the following:

(1) Each DD Form 1172 shall contain a "Privacy Act Statement" that shall include information on authority, principal purposes, routine uses, and disclosure, as required by DoD Directive 5400.11 (reference (y)).

(2) The sponsor or applicant shall also list each child under 10 years old, or any other beneficiary, who shall not be issued an ID card for whom dependent status is claimed for medical benefits. That information shall be provided in section II and shall include all applicable information, in accordance with enclosure 5. If confirmed through the DEERS by eligibility inquiry or by viewing a previously verified DD Form 1172, duplication of that action is not necessary.

(3) Regardless of the individual's age or incapacity status, the verifying official shall determine if the individual is entitled to hospital insurance benefits under Medicare Part A (reference (x)). If entitled to insurance benefits under reference (x), the individual is ineligible for medical care under CHAMPUS unless the military sponsor is on active duty except as provided in paragraph 3.a.(3)(d). Spouses and children of active duty sponsors do not lose entitlement to the CHAMPUS because of

entitlement to insurance benefits under reference (x). To determine CHAMPUS eligibility for permanently incapacitated children over the age of 21, a formal determination of eligibility for Medicare Part A benefits must be obtained from the SSA and presented to the verifying official. Individuals receiving Social Security disability compensation for 24 consecutive months are automatically entitled to Medicare Part A hospital insurance benefits under reference (x) effective with the twenty-fifth month of compensation. All applicants must be asked if they are receiving Social Security disability benefits and when the benefits began to determine CHAMPUS eligibility. If Social Security disability benefits have been received for more than 24 months, CHAMPUS benefits shall be disallowed. Individuals are not authorized the CHAMPUS beyond attainment of age 65, unless the sponsor is on active duty or applicant presents a statement from the SSA certifying that the individual is not entitled to Medicare Part A hospital insurance benefits under Medicare Part A (reference (x)). The verifying official shall cite that documentation in enclosure 5, attachment 1, section III, block 89., in addition to all other required documentation prescribed in subparagraph F.3.b.(4), below.

(4) The verifying personnel officer or other responsible official of the sponsor's Uniformed Service shall complete enclosure 5, attachment 1, DD Form 1172, blocks 59. and 87., section II, as prescribed in enclosure 4, attachment 1, and MC effective date and expiration date, as prescribed in enclosure 4, attachment 2. Legal documentation, such as a marriage certificate, birth certificate, and court order for adoption, shall be presented to establish eligibility for each dependent claimed. (Retirees shall show retirement orders, retirement certificates, or DD Form 214, "Certificate of Release or Discharge from Active Duty.") That requirement can be satisfied, if the dependent is enrolled in the DEERS data base and a DEERS inquiry is made verifying eligibility. The verifying official shall cite the documentation presented in DD Form 1172, enclosure 5, attachment 1, section III, block 89., or shall make appropriate notation and date, if the verification is made through the DEERS.

(5) To establish eligibility for unremarried former spouses, a marriage certificate and final decree of divorce, dissolution, or annulment of marriage shall be required to satisfy the 20-year marriage requirement. Additionally, it is the verifying official's responsibility to obtain the member's military records to verify the necessary overlap between marriage and Military Service and verify that the former spouse has not remarried and is not enrolled in an employer-sponsored health plan.

(6) Military sponsors shall provide documentation necessary to update DEERS eligibility for dependents no longer

eligible for benefits and privileges. Personnel offices shall assist sponsors in proper completion of the DD Form 1172 to update those family members eligibility in the DEERS. Survivors of deceased personnel shall also be so directed. Notification to the parent Uniformed Service of ID card destruction is not required. The Uniformed Services shall ensure that the DEERS data base is updated immediately. Reserve members designated to participate in the National Guard and Reserve DEERS Enrollment Program shall provide required documentation and report status changes to update the DEERS for their dependents, and shall initiate action to delete those who are enrolled, but are no longer eligible to receive future benefits, on mobilization of the sponsor.

(7) If the DD Form 1172 that is sent to the DEERS Enrollment Processing Center cannot be processed because essential information is missing, illegible, or if the form is unverified, it shall be rejected with appropriate reasons annotated and must be resubmitted by the submitting official.

c. Procedures relative to the issuance and preparation of DD Form 1173 shall be in accordance with the following and instructions in enclosure 5.

(1) Appropriate dependents of each sponsor shall be listed on the DD Form 1172. A DD Form 1173 shall be issued to each dependent 10 years old, or older. DD Form 1173 need not be reissued solely because of change in the grade of the sponsor.

(2) Privileges and facilities not authorized for the holder of DD Form 1173 shall be blocked out.

(3) No individual shall be entitled to possess or be issued more than one DD Form 1173 at a time. If a court-appointed ward of one sponsor is also the dependent child of another sponsor or applicant, only one DD Form 1173 shall be issued. The primary sponsor shall be the member from whom medical benefits are authorized. Commissary, exchange, and theater privileges also may be authorized, if otherwise eligible. Enclosure 5, attachment 1, DD Form 1172, section III, block 89., shall contain a statement explaining dependency status (e.g., RET and/or CIV if a retiree is working as a command-sponsored civilian overseas).

(4) However, a VSI or SSB separatee, who is also a Ready Reserve member and the dependent of an active duty or retired member, shall be issued two cards--a DD Form 2, Reserve (Red) and a DD Form 1173. The applicant may choose a DD Form 1173 over stamped "TA" or a DD Form 1173 as a dependent. A DD Form 1173 "TA" ID card must show a separate expiration date for each bene-

fit: 120 days medical care, 2 years unlimited commissary, and 2 years unlimited exchange.

(5) DD Form 1173 preparation instructions are, as follows:

(a) Date. Enter all dates in the four-digit year, three-alpha character month, and two-digit day format (YYYYMMDD).

(b) Block 3. Expiration dates shall be shown, as prescribed in enclosure 4, attachment 2.

(c) Block 4. The relationship code to the sponsor shall be, as specified in block 35, DD Form 1172 (enclosure 5, attachment 1).

(d) Block 9. In special circumstances that permit children 21 years, and over, entitlement to medical care and other privileges, indicate, after date of birth, "INCT" for a temporarily incapacitated child, "INCP" for a permanently incapacitated child, or "SCH" for attendance at an approved school.

(e) Block 11. The present status of the sponsor shall be as specified in block 4., DD Form 1172 (enclosure 5, attachment 1).

(f) Block 12. Enter the Social Security Number (SSN), or, if the member died and did not have an SSN, enter zeros and the Uniformed Service number.

(g) Block 13. Privileges shall be as specified on verified DD Form 1172 (enclosure 5, attachment 1). For privileges allowed only while the bearer is overseas, add 'OS ONLY'."

(h) Block 14. That block shall contain the signature of the cardholder. If the individual is too young to sign, enter "INFANT." Enter "INC," if the individual cannot sign due to a mental or a physical incapacity.

(i) Blocks 15.a. and 15.b. Medical care shall be as specified on verified DD Form 1172 (enclosure 5, attachment 1).

(j) Photographs. All DD Forms 1173 shall have a passport-type and full-faced photograph of the bearer affixed to the obverse side and shall be laminated, using the heat-pressure method, before issuance. Enter the SSN of the cardholder below the photograph.

d. Procedures relative to the issuance and preparation of DD Form 1173-1 shall be in accordance with the instructions in enclosure 5, and the following:

(1) Appropriate dependents of each Ready Reserve member and Reserve retiree, who is entitled to pay at age 60, shall be listed on DD Form 1172. A DD Form 1173-1 shall be issued to each dependent child 10 years old or older.

(2) Dependents of Ready Reserve members and Reserve retirees, who are entitled to pay at age 60, currently possessing Service-specific Reserve dependent ID cards, shall be issued DD Form 1173-1 on expiration of their Service-specific card.

(3) Each Service shall honor the other Service's specific Reserve dependent ID cards until such time as Service specific ID cards are no longer authorized to be in circulation.

(4) Unremarried surviving spouse of a retired reserve member entitled to pay at age 60, who died prior to reaching age 60 may be issued DD Form 1173-1 until such time as the member would have attained age 60 and the surviving spouse may be authorized issue of DD Form 1173 if the member elected to participate in the Reserve Components Survivor Benefit Plan. Surviving spouse of a retired reserve member who did not elect to participate in the Reserve Components Survivor Benefit Plan may continue to be issued DD Form 1173-1.

(5) No individual shall be entitled to possess or be issued more than one dependent ID card at a time, except:

(a) On the occasion where a Reserve member executes short-tour active duty orders (31 to 179 days), and their dependents require issuance of DD Form 1173; the dependents may simultaneously possess the DD Form 1173-1 and DD Form 1173, as prescribed by Uniformed Service regulations.

(b) Dependents of sponsor separating under the VSI or SSB program shall be issued two ID cards--a DD Form 1173 over stamped "TA," which indicates continued eligibility for various benefits for up to 2 years, and dependent's DD Form 1173-1.

(6) If the sponsor is called to active duty by congressional decree or Presidential callup under 10 U.S.C. 15 and 39 (reference (f)), the DD Form 1173-1 shall become a benefits extending card, when accompanied by a copy of the sponsor's orders to active duty and activation in the DEERS. If the sponsor is retained on active duty beyond 180 days, the dependent shall then

be issued the DD Form 1173 to continue benefits eligibility beyond 180 days.

(7) DD Form 1173-1 preparation instructions are, as follows:

(a) Date. Enter all dates in the four-digit year, three-alpha character month, and two-digit day format (YYYYMMDD).

(c) Block 6. The cardholder's social security number shall be entered in this block.

(d) Block 7. In special circumstances that permit children 21 years of age and older to commissary, exchange and morale, welfare, and recreation privileges, indicate, after the date of birth, "INCT" for a temporarily incapacitated child, "INCP" for a permanently incapacitated child, or "SCH" for attendance at an approved school.

(e) Block 8. Expiration dates shall be shown, as prescribed in enclosure 4, attachment 3.

(f) Block 9. That block shall contain the signature of the cardholder. If the individual is too young to sign, enter "INFANT." Enter "INC," if the individual cannot sign due to a mental or physical incapacity.

(g) Blocks 10.c and 10.d. Enter service and status, as specified in blocks 4. and 5., DD Form 1172 (enclosure 5, attachment 1).

(h) Photographs. All DD Forms 1173-1 shall have a passport-type and full-faced photograph of the bearer affixed to the obverse side and shall be laminated, using the heat-pressure method, before issuance.

DEFINITIONS

1. Adopted Child. A child adopted before the age of 21 or, if enrolled in a full-time course of study at an institution of higher learning, before the age of 23. Except for entitlement to medical care, a child with an incapacitating condition that existed before the age of 21 or that occurred while the child was a full-time student prior to the age of 23, may be adopted at any age provided it is determined that there is a BONA FIDE parent-child relationship.

2. Annulled. The status of an individual, whose marriage has been declared a nullity by a court of competent jurisdiction. That restores unremarried status to a widow, widower, or former spouse for reinstatement of benefits and privileges.

3. Attainment of Age 65. The first day of the month of the anniversary of the sixty-fifth birthday, unless the birthday falls on the first of the month. If the birthday is the first of the month, attainment of age 65 occurs on the first day of the preceding month.

4. Dependent. Individuals, whose relationship to the sponsor leads to entitlement to benefits.

5. Documentation. Properly certified birth certificate or certificate of live birth authenticated by attending physician or other responsible person from a U.S. hospital or a military treatment facility showing the name of at least one parent; properly certified marriage certification; properly certified final decree of divorce, dissolution, or annulment of marriage and statements attesting to nonremarriage and status of employer-sponsored healthcare; court order for adoption or guardianship; statement of incapacity from a physician or personnel or medical headquarters of sponsor's parent Uniformed Service; letter from school registrar; retirement orders (providing entitlement to retired pay is established) or DD Form 214; DD Form 1300, "Report of Casualty"; certification from the VA of 100-percent disabled status; orders awarding Medal of Honor; formal determination of eligibility for Medicare Part A benefits from the Social Security Administration; civilian personnel records; and invitational travel orders.

6. Dual Status. A person who is entitled to privileges from two sources (e.g., a retired member, who is also the dependent of an active duty member; a retired-with-pay member who is employed overseas as a civilian by the U.S. Government and is qualified for logistical support because of that civilian employment; a member of a Reserve component who is an eligible dependent of a military sponsor; or a child, who is the natural child of one

sponsor and the stepchild and member of a household of another sponsor).

7. Former Member. For the purpose of this Instruction, a former member refers to an individual who is in receipt of retired pay for non-Regular service under 10 U.S.C. 67, but who has been discharged from the Service and who maintains no military affiliation. These former members and their eligible dependents are only entitled to medical care. They are not entitled to commissary, exchange, or morale, welfare, and recreation privileges. These former members and their eligible dependents will be issued the DD Form 1173.

8. Former Spouses. Individuals who were married to a Uniformed Service member for at least 20 years, and the member had at least 20 years of service creditable toward retirement, with at least a 15-year overlap of their marriage and the members' military service.

9. Guard and Reserve DEERS Enrollment Program. The program by which Guard and Reserve members and their eligible dependents are enrolled into the DEERS. Those sponsors and their dependents are maintained in a preeligibility status for future entitlement to unlimited benefits, until such time as the sponsor is called to active duty by Presidential callup or congressional decree. On sponsor activation, as reflected in the Uniformed Service personnel tapes submitted to the Defense Manpower Data Center (DMDC), the DEERS shall reflect activation of preeligible dependents as eligible for full benefits for a period not to exceed 180 days. Preeligible dependents shall not be required again to prove their relationship to the sponsor to receive benefits. To receive benefits during the 180-day period, dependents shall be required to possess a Uniformed Service specific Reserve ID card or the DD Form 1173-1 and a copy of the sponsor's orders to active duty. Retention of eligibility, after 180 days, requires revalidation of the dependent's relationship to the sponsor in the DEERS and issuance of DD Form 1173. At any time during the 180 day period, dependents can request issuance of the DD Form 1173.

10. Inactive National Guard (ING). The ING is part of the Army National Guard. Those are Reserves, who are attached to a specific National Guard unit, but do not participate in training activities. On mobilization they shall mobilize with their assigned units. Those members muster with their units once a year. Issuance of DD Form 1173-1 to ING dependents is mandatory. The ING participates in the Guard or Reserve DEERS Enrollment Program.

11. Individual Ready Reserve (IRR). Trained individuals, who have previously served in the active component or Selected

Reserve and have time remaining on their Military Service Obligation (MSO). It also includes volunteers, who do not have time remaining on the MSO, but are under contractual agreement to be a member of the IRR. These individuals are mobilization assets and may be called to active duty under the provisions of reference (f). Issuance of DD Form 1173-1 to IRR dependents is mandatory. The IRR participates in the Guard and Reserve DEERS Enrollment Program.

12. Institution of Higher Learning. A college, university, or similar institution, including a technical or business school, offering postsecondary-level academic instruction that leads to an associate or higher degree, if the school is empowered by the appropriate State education authority under State law to grant an associate, or higher, degree. When there is no State law to authorize the granting of a degree, the school may be recognized as an institution of higher learning, if it is accredited for degree programs by a recognized accrediting agency. The term also shall include a hospital offering educational programs at the postsecondary level regardless of whether the hospital grants a postsecondary degree. The term also shall include an educational institution that is not located in a State, that offers a course leading to a standard college degree, or the equivalent, and that is recognized as such by the Secretary of Education (or comparable official) of the country, or other jurisdiction, in which the institution is located (38 U.S.C. Chapter 34, Section 1661, and Chapter 35, Section 1701, reference (z)).

13. Issuing Official. A person who is a U.S. military member, DoD civilian (appropriated or nonappropriated fund supported) or equivalent civilian personnel employed by the National Guard of the United States and responsible for issuing DD Forms 2, DD Form 1173, and DD Form 1173-1 to bona fide beneficiaries, as determined by the verifying official, and the only person authorized to sign block number 108. on DD Form 1172.

14. Member. An individual who is affiliated with a Service, either active duty, Reserve, active duty retired or Reserve retired. Members in a retired status are not former members. See "Former Member" definition.

15. Parent-by-Adoption. A person who adopted the sponsor, before the sponsor's twenty-first birthday and is entitled to benefits because of a BONA FIDE parent and child relationship. Emancipation of the sponsor before the adoption shall normally be presumed to prevent the commencement of the parent and child relationship.

16. Ready Reserve. Military members of the Reserve and National Guard, organized in units or as individuals, liable for recall to

active duty to augment the active components in time of war or national emergency. The Ready Reserve consists of three Reserve component subcategories: the Selected Reserves (SelRes), the IRR, and the ING.

17. Remarried Parent. A dependent parent of a deceased military member, who loses dependency-based eligibility for benefits on remarriage.

18. Reserve Retired Entitled to Pay at Age 60 (Gray Area Retirees). Those retirees, who have completed 20 qualifying years for retirement and are entitled to receive retired pay at age 60. Those individuals, who are mobilization assets and may be recalled to active duty under 10 U.S.C. Chapter 39 (reference (f)). Issuance of DD Form 1173-1 to dependents of Gray Area Retirees is mandatory. That group participates in the Guard and Reserve DEERS Enrollment Program.

19. Selected Reserve (SelRes). Those units and individuals within the Ready Reserve designated by their respective Services, the Chairman of the Joint Chiefs of Staff, and approved by the Chairman of the Joint Chiefs of Staff, as so essential to initial wartime missions that they have priority over all other Reserves. They must be prepared to mobilize within 24 hours. Issuing DD Form 1173-1 to their dependents and participation in the Guard and Reserve DEERS Enrollment Program are mandatory.

20. Special Separation Benefit (SSB). Voluntary separation from active duty with 6 or more years of active service as of December 5, 1991, and have not completed 20 years of active service at time of separation. Pub. L. 102-190 (reference t), authorizes this program until September 30, 1995, although termination dates for each Military Service may be sooner. This incentive entitles certain individuals a lump sum payment, benefits and entitlements. DD Form 1173 identification cards will be issued to these individuals and their family members. It provides 2 years of exchange and commissary privileges and 120 days of medical benefits (CHAMPUS) and (MTF). Assistant Secretary of Defense for Force Management and Personnel guidance memorandum, dated January 3, 1992, implemented the SSB program.

21. Standby Reserve. Personnel, who maintain their military affiliation without being in the Ready Reserve, who have been designated key civilian employees, or who have a temporary hardship or disability. Those individuals are not required to perform training and are not part of units. Those individuals are trained and could be mobilized, if necessary, to fill manpower need in specific skills. Those individuals do not participate in the Guard and Reserve DEERS Enrollment Program. Issuance of the DD Form 1173-1 to dependents is at the request of the sponsor.

22. Transition Assistance Management Program (TAMP) or (TA). On active duty before or on September 30, 1990, and involuntary separated from active duty on or after October 1, 1990 through September 30, 1995. To qualify for these benefits, individuals must be separated involuntarily with service characterized as honorable or under honorable conditions. For enlisted service members, not for reasons of misconduct, discharge instead of court-martial or other reasons for which service normally is characterized as under other than honorable conditions. For officers, not for resignation in lieu of trial by court-martial, or misconduct or moral or professional dereliction if the discharge could be characterized as under other than honorable conditions. DD Form 1173 identification cards will be issued to these individuals and their family members. It provides 2 years of exchange and commissary privileges and medical benefits (CHAMPUS) and (MTF) for 60 days for those who separated with less than 6 years of active service and 120 days for those separating with 6 or more years of active service.

23. Unmarried. A widow or widower, who remarried and that marriage terminated by death or divorce, or a former spouse, whose subsequent remarriage ended by death or divorce.

24. Unremarried. (a) A widow or widower who has never remarried. (b) A former spouse whose only remarriage was to the same military sponsor is treated as if he or she never remarried and the periods of marriage may be combined to document eligibility for former spouse benefits.

25. Verifying Official. A person, who is a U.S. military member, DoD civilian (appropriated or nonappropriated fund supported) or equivalent civilian personnel employed by the National Guard of the United States or other similarly qualified personnel in exceptional cases as determined by the Secretary of the Military Department, or a designee, and responsible for validating eligibility of bona fide beneficiaries to receive benefits and entitlements, and the only person authorized to sign block number 99. on DD Form 1172.

26. Voluntary Separation Incentive (VSI). Voluntary separation from active duty with 6 or more years of active service as of December 5, 1991, and have not completed 20 years of active service at time of separation. Pub. L. 102-190 (reference t), authorizes this program until September 30, 1995, although termination dates for each Military Service may be sooner. This incentive entitles certain individuals an annual annuity payment based on the number of years of active service. In accordance with provisions contained in Pub. L. 102-484 (reference u), a DD Form 1173 identification card will be issued to these individuals and their family members. It provides 2 years of exchange and

commissary privileges and 120 days of medical benefits (CHAMPUS) and (MTF). Assistant Secretary of Defense for Force Management and Personnel guidance memorandum, dated January 3, 1992, implemented the VSI program.

27. Ward. An unmarried child whose care and physical custody has been entrusted to the sponsor by a legal decree or other instrument that a court of law or placement agency issues. This includes foster and preadoptive children and children for whom a managing conservator has been designated. Wards must be dependent on the sponsor for over half of their support. An identification card issued to a ward does not reflect entitlement to medical care benefits; however, if the child is in preadoptive stage, a letter from the MTF will authorize medical treatment in the local MTF.

B. MC (CHAMPUS) EFFECTIVE DATE NOTES

The MC effective date is the date the beneficiary first became eligible for CHAMPUS coverage. Once assigned, an MC effective date is permanent for as long as the beneficiary is continually covered by the CHAMPUS. The MC effective date does not change on the sponsor's retirement or death, unless the retirement or death occurred before January 1, 1967 (the initial date retirees and their dependents became eligible for the CHAMPUS). In this case, and in other instances not covered above, when there appears to be a choice of two or more eligibility dates, always choose the latest date. If there is a break in eligibility, the date CHAMPUS eligibility resumes (using those guidelines to determine that date) shall be the MC effective date.

- A - Date of sponsor's entry on active duty or December 7, 1956 (the initial date active duty dependents became eligible for CHAMPUS), if entry was on or before that date. (If there is a break in service of more than 24 hours, use the most recent date of entry on active duty.)
- B - January 1, 1967, if the sponsor retired or died on, or before, that date.
- C - Date of marriage.
- D - Date of birth.

- E - Date of final adoption.
- F - August 31, 1972 (date illegitimate child of male member whose paternity has been judicially determined, or illegitimate child of a female member became eligible for the CHAMPUS).
- G - January 1, 1969 (date illegitimate child of a male member, whose paternity has not been judicially determined, or illegitimate child of spouse became eligible for the CHAMPUS).
- H - Date Reserve member or former member becomes, or would have become, eligible for retired pay at the member or former member's sixtieth birthday.
- I - Date entered the United States.
- J - Date child's dependency on sponsor was established.
- K - Refer to A, B, C, or H, above, if meeting 20-20-20 criteria and divorced on, or after, February 1, 1983, or if meeting 20-20-15 criteria and divorced on, or after, April 1, 1985. If former spouse had an employer-sponsored health plan, use date the plan was canceled.
- L - January 1, 1985, if meeting 20-20-20 criteria and divorced before February 1, 1983, or if meeting 20-20-15 criteria and divorced before April 1, 1985. If former spouse had an employer-sponsored health plan, use date the plan was cancelled.
- M - If Reserve member's death occurred after September 30, 1985, date Reserve member died.
- N - If Reserve member's death occurred after November 14, 1986, date Reserve member died.
- O - The MC effective date is the day after the member involuntarily or voluntarily separated (TAMP) under Pub. L. 101-510 (1990) (reference (t)), voluntarily separated (SSB) under Pub. L. 102-190 (1991) (reference (t) or voluntarily separated (VSI) under Pub. L. 102-484 (reference (u))).
- P - If the unmarried former spouse's, widow's or widower's remarriage is legally annulled, reinstatement of benefits is the day following the annulment.
- Q - Retirees and the eligible spouse or children of living retirees who are Medicare eligible under age 65 have their CHAMPUS entitlement restored effective October 1, 1991, as long as they

are enrolled in Medicare Part B on or before October 1, 1991. Eligible retirees and the spouse or children of living retirees who become Medicare-eligible after October 1, 1991, will retain their original MC effective date as long as they are enrolled in Medicare Part B at the time they become Medicare Part A eligible.

R - Unremarried former spouses, and the survivors of retired-deceased, active duty-deceased, and Guard/Reserve-deceased Service Members who are Medicare eligible under age 65 have their CHAMPUS entitlement restored effective December 5, 1991, as long as they are enrolled in Medicare Part B prior to December 5, 1991. Eligible unremarried former spouses, and the survivors of retired-deceased, active duty-deceased, and Guard/Reserve-deceased Service members who become Medicare-eligible after December 5, 1991, will retain their MC effective date as long as they are enrolled in Medicare Part B at the time they become Medicare Part A eligible.

DD FORM 1173-1 ISSUANCE AND EXPIRATION DATE GUIDELINES

A. DD FORM 1173-1 ISSUE GUIDANCE

1. The DD Form 1173-1 is for identification purposes and in itself authorizes exchange and morale, welfare, and recreation privileges as described in DoD Directive 1330.9 (reference (c)). However it does not extend full medical benefits and commissary privileges until such time as the sponsor is called to active duty by congressional decree or Presidential call-up under 10 U.S.C. 15 and 39 (reference (f)). The card then authorizes benefits when accompanied by a copy of the sponsor's activation orders and the preeligible dependent's activation in the DEERS. During peace-time, appropriate additional identification for benefits and privileges is described in 10 U.S.C. 55 and DoD 1330.17-R (references (b) and (d)).

2. The DD Form 1173-1 shall be issued to dependents of Ready Reserve members not on active duty in excess of 30 days and Reserve retirees, who are entitled to pay at age 60 in the categories of spouse, child, stepchild, and ward. Issuance of DD Form 1173-1 is mandatory for dependents of Ready Reserve members and Gray Area Retirees, as part of the Guard and/or Reserve DEERS Enrollment Program. DD Form 1173-1 may be issued to a spouse in the legal name by which the spouse is known, such as a maiden name.

3. DD Form 1173-1 shall also be issued to the unremarried surviving spouse of Reserve retirees entitled to pay at age 60, who die before reaching age 60. Eligible dependents in the categories of child, stepchild, and ward shall also be issued DD Form 1173-1. For surviving dependents of Reserve retirees enrolled in the Reserve Components Survivor Benefit Plan, the surviving eligible dependents shall be issued the DD Form 1173, instead of the DD Form 1173-1, on the sponsor's sixtieth birthday. For the categories of surviving unremarried spouse, who are not enrolled in the Reserve Components Survivor Benefits Plan, DD Form 1173-1 will be issued on the sponsor's sixtieth birthday. Surviving eligible dependents, who are not enrolled in the Reserve Components Survivor Benefit Plan, shall continue being issued DD Form 1173-1.

4. The DD Form 1173-1 shall not be issued to Ready Reserve or Reserve retiree dependent children under 10 years of age or 21 years of age or older unless: a. the child under 10 years of age does not reside in the household of an eligible adult family member; b. dependent child 21 years of age or older is incapacitated or a student.

5. The DD Form 1173-1 shall not be issued to dependents who qualify for issuance of DD Form 1173, when the sponsor is executing active duty orders in excess of 30 days.

6. No individual shall be entitled to possess or be issued more than one ID card at a time, except:

a. On the occasion when a Reserve member executes short-tour active duty orders (31 to 180 days) and their dependents require issuance of DD Form 1173. At that time, dependents may simultaneously possess the DD Form 1173-1 and DD Form 1173, as prescribed by Uniformed Services regulations.

b. Dependents of sponsor separating under the VSI or SSB program shall be issued two ID cards--a DD Form 1173 overstamped "TA," which indicates continued eligibility for various benefits for up to 2 years, and dependent's DD Form 1173-1.

7. Dependents of Guard and Reserve members called to, or extended on, active duty by congressional decree or Presidential callup under 10 U.S.C. 15 and 39 (reference (f)), shall be eligible for medical benefits in addition to commissary, exchange and theater privileges by presenting their DoD Guard and Reserve Family Member ID card (red) along with a copy of the sponsor's orders to active duty and the preeligible dependent's activation in the DEERS. In no case shall that capability be extended beyond 180 days. If dependent eligibility is to be extended beyond 180 days, the dependent must be issued DD Form 1173.

B. EXPIRATION DATES

The expiration dates for DD Form 1173-1 shall be either 4 years from date of DD Form 1172 verification, the sponsor's expiration of service commitment, or the dependent child's twenty-first birthday, whichever is earliest. For Reserve retirees entitled to pay at age 60, enter maximum 4 years from date of verification of DD Form 1172, dependent child's twenty-first birthday, or sponsor's sixtieth birthday, whichever is earliest. For students or incapacitated children see enclosure 4, attachment 2.

C. DEPENDENCY DETERMINATION

Dependency determination for pre-eligible Guard and Reserve dependents is the same as for dependents of active duty and active duty retired members.

PRINCIPAL PURPOSE(S): To apply for the Uniformed Services Identification Card. Applicant information is subject to computer matching within the Department of Defense or with any other Federal or non-Federal agency. Matching programs are practiced to assure that an individual eligible under a Federal program is not receiving duplicate benefits from another program. A beneficiary or former beneficiary who has applied for privileges of a Federal Benefit Program and has received concurrent assistance under another plan will be subject to adjustment or recovery of any improper payments made or delinquent debts owed.

ROUTINE USE(S): To the Department of Health and Human Services, the Department of Veterans Affairs, and other Federal, state, and local government agencies engaged in approved computer matching agreements with the Department of Defense. Disclosures also may be made to appropriate business entities, individual providers of care, and others, on matters relating to claims adjudication, program abuse, utilization review, professional quality assurance, medical peer review, program integrity, third party liability, coordination of benefits, and civil and criminal litigation.

DISCLOSURE: Voluntary; however, failure to provide information may result in denial of Uniformed Services Identification Card and non-enrollment in the Defense Enrollment Eligibility Reporting System.

SECTION VIII - CONDITIONS APPLICABLE TO SPONSOR OR APPLICANT

I understand that the actions of the recipient(s) of "Uniformed Services Identification Card" issued as a result of this application are my responsibility insofar as proper use of the card for benefits and privileges authorized; i.e., medical care, exchange, commissary, and theater. I will cause the recipient to surrender the card immediately upon call to do so or when appropriate under applicable regulations, and will notify an agency designated to grant authorization for privileges and facilities in event of any change in status affecting a recipient's eligibility therefor.

I am aware that medical care furnished in uniformed services facilities is subject to availability of space, facilities, and the capabilities of the medical staff to provide such care. Determinations made by the medical officer or contract surgeon, or his/her designee, as to availability of space, facilities and the capabilities of the medical staff shall be conclusive.

Reimbursement shall be required for any unauthorized medical care furnished at government expense. Copies of regulations concerning eligibility requirements are available in the Services Personnel Offices.

By signing this document, the sponsor or applicant certifies that he/she is aware that eligibility for benefits under the Civilian Health and Medical Program of the Uniformed Services (CHAMPUS) terminates for all beneficiaries, except spouses and children of active duty members, when the beneficiary becomes eligible for Medicare Part A, Hospital Insurance, through the Social Security Administration.

**PENALTY FOR PRESENTING FALSE CLAIMS OR MAKING FALSE STATEMENTS
IN CONNECTION WITH CLAIMS: FINE OF UP TO \$10,000 OR
IMPRISONMENT FOR UP TO FIVE YEARS OR BOTH.**
