A. PURPOSE

This Instruction supplements references (a) and (b) and authorizes DoD 1416.8-M, "Department of Defense Manual for Foreign National Compensation," which contains the procedures and instructions for the administration of foreign national compensation.

B. APPLICABILITY AND SCOPE

1. The provisions of this Instruction apply to the Office of the Secretary of Defense, the Military Departments, the Organization of the Joint Chiefs of Staff, the Unified and Specified Commands, and the Defense Agencies (hereafter referred to as "DoD Components").

2. Its provisions shall be used by those DoD Components who have responsibility for fixing compensation and conditions of employment for foreign national employees outside the United States, its territories, and possessions.

C. PROCEDURES

1. The procedures in DoD 1416.8-M represent the best approach to wage determination to satisfy the overall DoD policy objectives. Should there be instances where these procedures do not represent the best approach because of peculiarities of particular local situations, DoD Components may develop an alternative approach provided it satisfies DoD policy requirements.

3. Once approval is granted to use provisions other than those of DoD 1416.8-M to make wage determinations, any deviations from the approved procedures must be approved by the ASD(MRA&L). These requests shall be processed through channels and include an analysis of all factors bearing upon the request.

D. RESPONSIBILITIES

1. The Assistant Secretary of Defense (Manpower, Reserve Affairs, and Logistics) shall:

a. Develop, publish, and revise DoD 1416.8-M, "Department of Defense Manual for Foreign National Compensation," consistent with DoD Directive 5025.1 (reference (c)).

b. Approve any valid exceptions to the provisions of DoD 1416.8-M, "Department of Defense Manual for Foreign National Compensation."

c. Maintain surveillance over the foreign national compensation program.

2. Heads of DoD Components shall follow the procedures in DoD 1416.8-M or an alternate wage determination methodology approved by the ASD(MRA&L) for foreign national employee compensation.
