## Department of Defense Budget For Fiscal Year 1995

February 1994

012 15 012

## Preface

The C-1 is provided annually to the DoD oversight committees of the Congress coincident with the transmission, by the President, of the Budget of the United States Government.

For FY 1993 and FY 1994 the C-1 reflects appropriations "as enacted", including congressional rescissions. It does not reflect transfer of budget authority or unobligated balances, nor proposed program deferrals.
