Dear Reader:

This product was prepared by the staff of the *Federal Research Division* of the *Library of Congress* under an interagency agreement with the sponsoring United States Government agency.

The Federal Research Division is the Library of Congress's primary fee-for-service research unit. At the request of Executive and Judicial branch agencies of the United States Government and on a cost-recovery basis, the Division prepares studies and reports, chronologies, bibliographies, foreign-language abstracts, databases, and other tailored products in hard-copy and electronic media. The subjects researched include the broad spectrum of social sciences, physical sciences, and the humanities.

For additional information on obtaining the research and analytical services of the Federal Research Division, please call 202-707-9905, fax 202-707-9920, via Internet frd@mail.loc.gov, or write to Marketing Coordinator, Federal Research Division, Library of Congress, Washington, DC 20540-4840.

Louis R. Mortimer
Chief

Federal Research Division
Library of Congress
Washington, DC 20540-4840

PREFACE

This study provides population data for Chengdu Military Region (MR), People's Republic of China, and is based on the latest Chinese population census of July 1982. Chengdu MR's area and population include the three provinces of Guizhou, Sichuan and Yunnan, and a part of Xizang Autonomous Region. It should be noted that the number of people living in the other part of Xizang is negligible and is included in the total.

Statistical tables presented in this study cover the population trends and urban-rural population distribution by major territorial subdivision of the Chengdu MR. Population distribution is subdivided by sex, age cohort, and nationality.

Technical and computer support was provided by David Donlavage.
