 - (d) COMDTINST 5100.46

DEGLAMORIZATION: Alcohol abuse is inconsistent with CG initiatives to promote personal excellence among members. Alcohol abuse should not be promoted by the chain of command.

GENERAL RESPONSIBILITIES OF CO:

- Conduct semi-annual regular training on the physical and psychological effects of alcohol abuse, the resources available to help overcome abuse problems and the CG's policy of identifying and eliminating alcohol abuse.
- Document alcohol incidents by page 7 entries for enlisted members and by letter for officers copy to Commander, (CGPC-adm-3) and (CGPC-epm) or (CGPC-opm).
- Following an alcohol incident, review the member's security clearance IAW COMDTINST M5510.16.
- Review the status of members involved in alcohol abuse incidents and take appropriate disciplinary, remedial, educational and / or administrative action. See *ADMINISTRATIVE & DISCIPLINARY OPTIONS*.
- Purchasing alcohol for use by minors is not an alcohol incident, but is a violation of state law and represents a breach of discipline. Consult the cognizant legal officer in taking appropriate disciplinary action under Article 134, UCMJ.
- Ensure that breathalyzer and / or field sobriety tests are conducted by base security when there is reasonable suspicion of alcohol abuse. Additionally, institute a random gate inspection program. See *SEARCH AND SEIZURE*.

(Continued on next page)

- Consult with medical and alcohol abuse program personnel when there is a suspected problem.
- In consultation with the Military Personnel Command, conduct screening for restricted duty or overseas assignment to ensure members with unresolved alcohol incidents are not considered for restricted or overseas duty.
- Document completion of alcohol rehabilitation treatment by page 7 entries for enlisted members and by letter for officers copy to Commander, (CGPC-adm-3) and (CGPC-epm) or (CGPC-opm).
- Monitor aftercare of members who have completed alcohol treatment programs. Absent exceptional circumstances warranting retention, members will normally be processed for separation for violating an aftercare treatment plan. See *ADMINISTRATIVE SEPARATIONS*.
- Make recommendations to MPC (opm/epm) regarding separation, retention and/or further therapy for members who consume alcohol after successful completion of an aftercare program.

PREVENTION:

- Conduct regular command training on alcohol abuse.
- Ensure club personnel are trained not to serve intoxicated individuals.
- Institute and promote a designated driver for all command sponsored events where alcoholic beverages are served.
- Suspend base driving privileges for alcohol related driving incidents. Refer to *reference (e)* for guidance.
- Promote firm and equal treatment of alcohol abusers through NJP, Court-Martial or administrative means.
- Invite Family Advocacy Representatives to conduct training and publish information in the POW on detecting and responding to alcohol abuse in the family environment and the resources available when professional help is needed.

DOMESTIC ABUSE PREVENTION

REFERENCES: (a) COMDTINST 1750.7

EDUCATION AND TRAINING FOR ALL HANDS: Regularly emphasize and discuss CG family violence policies that emphasize prevention; recognition; prompt notification and reporting; and the availability of responsive services.

- Publish and place on command bulletin boards information concerning victim services and family violence rehabilitative education and counseling.
- **EDUCATION AND TRAINING FOR SUPERVISORS:** Ensure that military and civilian supervisors are trained in identifying signs of abuse and FAP referral procedures.

PROACTIVE TEAM: Executive Officer, Command Enlisted Advisor, Family Program Administrators (FPA), Family Advocacy Representatives (FARs), medical staff, security personnel, legal advisor, chaplain, Work-life supervisors and Dependant Resource Coordinators are all key players.

FAMILY PROGRAMS: Conduct activities that contribute to a healthy family life (e.g. family picnics, family career day, etc.).

DEGLAMORIZATION OF ALCOHOL. Alcohol abuse frequently plays a factor in domestic abuse incidents.

CIVILIAN LIAISON: COs must establish a cooperative relationship with appropriate local and state law enforcement and child protective agencies to provide for reciprocal reporting of information, timely intervention and development of a community based approach to family violence. Memorandums of Understanding (MOUs) are recommended.

DRUG PREVENTION AND URINALYSIS PROGRAM

- REFERENCES:**

 - (b) COMDTINST 5355.1E
 - (c) COMDTINST 5355.2

TRAINING: Include and emphasize alcohol and drug education in the command indoctrination program. Conduct periodic drug abuse awareness education in all-hands training. Ensure all personnel understand the zero-tolerance policy.

DETERRENCE AND DETECTION PROGRAMS:

- Gate / quarterdeck inspections of personnel and / or vehicles. CO should structure the inspection to leave no discretion to security personnel and to reasonably balance inconvenience to members and / or others attempting to enter or exit.
- Health and welfare inspections of messing and berthing areas, barracks, and work spaces.
- Use drug detection dogs (when available), in conjunction with inspections, searches, and personnel inspections throughout all command areas. If a dog alerts, a probable cause authorization should be requested. See *SEARCH & SEIZURE*.

URINALYSIS PROGRAMS:

- **COORDINATORS & OBSERVERS:** Must be designated in writing. Whenever possible assign officers or chief petty officers. Coordinators and observers should be tested separately and should never provide a sample in any urinalysis in which they participate.
- **ATTENTION TO DETAIL & SECURITY:** The entire collection process will be scrutinized in any court-martial. Admissibility of test results is dependent on a tight chain of custody and protection of samples after collection.

(Continued on next page)

■ **TESTING GOAL:** G-WPM-1 will advise major commands by message of their testing allocation. Commands are expected to complete 25% of their yearly allocations each quarter of the fiscal year. Random sampling of smaller numbers of personnel on a more frequent basis provides best results. It reduces the risk of predictability of command testing and raises the perceived risk of detection.

■ **Example:** Conduct a random urinalysis on Friday and then test the same people on Monday. Keep everyone honest.

24 HOUR UA & SUB-UNIT TESTING: Commands may establish policies to test all member returning from UAs longer than 24 hours as a sub-unit sweep. The policy should be in writing and enforced equally and consistently to all members returning from 24 (+) hour UAs.

"FAILURE TO GO": If a member cannot provide a sample or produce a sufficient amount, require the member to remain in a controlled area and drink fluids. If the member still cannot provide a sample, refer them to medical.

POSITIVE RESULTS: Positive test results will be sent by Northwest Toxicology via Express Mail to the originating command and shall constitute authority to take administrative action. Use of test results may be limited depending on the basis for testing. See *APPENDIX G, USE OF DRUG URINALYSIS RESULTS*. Read member 31 (b) rights and question about the positive urinalysis.

OBTAINING EVIDENCE OF DRUG USE: see *SEARCH & SEIZURE – DRUG CASES*.

PERSONAL INVOLVEMENT: The CO's personal attention and involvement in environmental compliance is essential in establishing the necessary environmental ethic.

GENERAL RESPONSIBILITIES OF COs: COs and OINCs are responsible for compliance with all applicable environmental laws and regulations at their units. COs must allow state regulators on board installation to inspect. *See reference (a)* for a thorough discussion of general responsibilities. Note: An updated reference (a) is currently being developed.

SUPPORT NETWORK: Numerous sources of information and support networks exist to assist CG activities. These include COMDT (G-SEC-3),(G-SEN),(G-SEA), (G-LEL), MLCs Environmental Law Branch; MLCs Environmental Section; and MLCs Vessels Branch. *See reference (a)* for detailed "Points of Contact" information. Determine where support assets are located before environmental compliance issues arise.

ENVIRONMENTAL COMPLIANCE EVALUATIONS (ECes): Shore facilities and independently moored vessels may have ECE requirements. *See reference (b)* for a discussion of ECE requirements. *See reference (a)* for a general discussion of ECes.

SHIPBOARD DISCHARGES:

- Ensure that all discharge restrictions under MARPOL 73/78 Annex V are adhered to, especially the restrictions against plastics (no discharge allowed); oils (<15 ppm oil - no sheen) and trash (varying requirements depending on the number of miles offshore).
- Ensure that all engineering systems related to sewage treatment, bilge water and other systems capable of discharging substances to the marine environment are in proper working order and meet discharge requirements.

(Continued on next page)

- Discharge of HM / HW is prohibited at sea or upon any navigable waters of the U.S. If in foreign territorial sea, follow SOFA or international agreements.
- Consult references (a) and (c) for HM / HW guidance.

REPORTING:

- Pages 11 - 12 and 77 - 79 of reference (a) discuss reporting requirements for both oil and hazmat. Legally, a public vessel is not a "vessel" under the CWA, so no requirement to report oil discharges to NRC.
- For hazmat, **must immediately call NRC (USCG HQ) at 800-424-8802.** If on the high seas or foreign territorial seas, make an immediate report to your OPCON.

KEY ISSUES:

- Safety, health and environmental impact.
- High public and press interest.
- Compliance with federal, state and local regulations is mandatory.
- COs face personal civil and criminal liability for failure to ensure unit compliance and for failure to report.

(Continued on next page)

COMMON EXCEPTIONS TO THE GENERAL RULE PROHIBITING ACCEPTANCE OF A GIFT: In all cases, and especially with regard to the exceptions listed below, an employee is prohibited from requesting, soliciting or coercing a gift; allowing or creating the appearance of bribery or graft; or accepting gifts so frequently that it creates an appearance of impropriety.

- Free attendance at an event where employee is speaking on behalf of agency.
- Free attendance at "widely attended gatherings" where attendance is deemed by a supervisor to be in the interests of the agency.

FOREIGN GIFTS: Gifts from foreign governments may be accepted if processed IAW reference (e).

GIFTS TO THE CG OR CG UNIT: Commanders may accept minor gifts, i.e. plaques, certificates and other mementos on behalf of the CG or CG unit IAW reference (c) and (d). District Commanders and COs of major headquarters units have authority to accept gifts of cash and other personal property, other than securities, provided:

- the gifts have a value of \$2,000 or less;
- the acceptance of the gift requires no more than a negligible expenditure for its acceptance and maintenance; and
- the gift may be accepted pursuant to the Commandant's authority under references (f) and (g).

PROCUREMENT (CONTRACTING) OFFICIALS: Anyone in a procurement position or who has ultimate responsibility for procurement (e.g., COs) should see their Ethics Counselor (legal advisor) before accepting any gift.

NEVER ASSUME: Past practice or custom in an organization to accept certain gifts is not a defense. ASK THE ETHICS COUNSELOR (legal advisor).

CIVIL AND CRIMINAL PENALTIES EXIST FOR VIOLATIONS OF THESE RULES.

GOVERNMENT PROPERTY

REFERENCES: (a) 5 C.F.R. 2635.704

PREVENT MISUSE OF GOVERNMENT PROPERTY: Government property may not be utilized for private/personal purposes.

GOVERNMENT VEHICLES: May not be used to transport employees between their home and work. (31 USC 1344). GSA directives should be consulted for further definition of authorized and/or prohibited uses.

RENTAL VEHICLES: Where public transport is not available, use of rental cars while TAD may be used to obtain suitable meals, visit drug stores, barber shops, cleaning establishments and similar places required for sustenance, comfort or health. Frolics or purely scenic or recreational driving must be avoided. (JFTR U3415). See also *TRAVEL BENEFITS*.

- (a) COMDTINST M1000.6A, PERSONNEL
MANUAL, Chapter 16-E
 - (b) 5 C.F.R.2635.801

PERIODIC REVIEW: COs should conduct periodic reviews of all private organizations to ensure that each organization makes it clear that it is separate and distinct from the CG, that all contributions to the organization are voluntary, that the CG in no way endorses its product or services and there is no improper/unauthorized use of the CG or unit seal.

FUNDING AND SUPPORT: Limited fundraising activities conducted on base are permissible, under certain circumstances and controls. An ethics counselor (legal advisor) should be consulted.

- Minimal logistical support is authorized, dependent on the type of private organization.

CGIREPORTING & MILITARY JUSTICE INVESTIGATIONS

REFERENCES: (a) Manual For Courts-Martial (RCM 303), App. 3.1

REPORT OF OFFENSES (COMPLAINTS): May come to command attention in variety of ways [e.g. MAA, Report of Offense and Disposition, civilian law enforcement, individual (civilian or military / in person or via phone or mail)]. CO must investigate all complaints [see *reference (a)*]. Degree of investigation will depend on nature and seriousness of complaint.

MANDATORY REFERRAL TO CGI PRIOR TO COMMAND INVESTIGATION: Major criminal offenses except those which are purely military in nature. "Major offense" is defined as any offense which carries a potential sentence of more than one year of confinement. Consult the Manual for Courts-Martial. (COMDTINST 5520.5D) Incidents of actual, suspected or alleged major criminal offenses must be immediately referred to CGI whether occurring **on or off** an installation and **regardless of civilian investigative involvement.**

- Actual, potential, or suspected sabotage, espionage, subversive activities, or defections;
 - Loss, compromise, leakage, unauthorized disclosure, or unauthorized attempts to obtain classified information;
 - National security cases. (see also COMDTINST 5830.1, Ch.1-N-1)
 - Incidents involving ordnance;
 - Incidents of perversion;
 - Damage to government property which appears to be the result of arson or other deliberate attempt;
 - Fire or explosion of questionable origin affecting military property;
 - Incidents involving narcotics, dangerous drugs or controlled substances (Note: CGI may decline to investigate user amounts or positive urinalysis but **MUST** still be notified of the incident);
 - Thefts of government property of a value of more than \$500, or when any motor vehicle, aircraft, vessel, ordnance, contraband or controlled substances are involved;
- (Continued on next page)**

- Thefts of personal property of a single or aggregate value of over \$1,000 or series of unresolved minor thefts that affect morale and discipline;
- Deaths on military property when criminal causality cannot be firmly excluded.

WHEN CGI DECLINES AN INVESTIGATION: CGI may decline any investigation which in their judgment would be fruitless or unproductive. A command may then pursue a preliminary or administrative investigation (e.g. one-officer formal or informal investigation).

ADMINISTRATIVE & DISCIPLINARY OPTIONS

REFERENCES: (a) Manual for Courts-Martial (RCM 306)
(b) COMDTINST 5810.1C, Military Justice Manual

APPROPRIATE ACTION IN EVERY CASE: "The disposition decision is one of the most important and difficult decisions facing a commander." RCM 306 lists 10 factors that the commander should consider. (e.g. character of accused's military service; nature of the incident; victim and witness availability, etc.). Prompt action is always essential.

NO ACTION OR DISMISSAL: Pertinent facts and decisions should be appropriately documented and preserved for future reference.

ADMINISTRATIVE ACTION: May be taken in addition to or instead of disciplinary action as circumstances warrant. Administrative action will not preclude further disciplinary action.

TYPES OF ADMINISTRATIVE ACTION:

- Personnel management tools, (e.g. letters of counseling) for minor sexual harassment incidents or very minor misconduct.
- See *NONPUNITIVE MEASURES*. Personnel management tools to correct unacceptable behavior.
 - Counseling.
 - Nonpunitive letter of censure. MJM 1-F.
 - Extra Military Instruction. MJM 1-F.
 - Administrative withholding of privileges. MJM 1-F.
- OER's and EVALS. COMDTINST M1000.6A, PERSONNEL MANUAL, Ch. 10.
- Security clearance. COMDTINST M5510.16.
- Withhold or withdraw advancement / promotion recommendation.

TYPES OF DISCIPLINARY ACTION:

NONPUNITIVE MEASURES

REFERENCES:

- (a) COMDTINST 5810.1C, MILITARY JUSTICE MANUAL
- (b) COMDTINST M1000.6A, PERSONNEL MANUAL, Chapter 8-E

PURPOSE: Correct minor infractions and deficiencies without permanent record.

FUNCTION: A leadership tool for teaching and training instead of punishment. Under UCMJ, **punishment** may only be given as a result of NJP or Court-Martial.

CENSURE (MJM 1-F-1.d): Two types:

- Oral: Chewing out
- Written: "Administrative (nonpunitive) Letter of Censure" (not recommended for enlisted members IAW reference (b)).
Limitations: Private (one copy). Not mentioned in evals / OERs.
(Underlying CONDUCT may be mentioned)

EXTRA MILITARY INSTRUCTION (EMI) (MJM 1.F.1.b). Command obligation to have policy and ensure EMI not abused.

EMI ANALYSIS:

- Identify the deficiency.
- Assign corrective instruction logically related to deficiency.
- Recommend order be given in writing.

WHO MAY ASSIGN EMI?

- EMI completed during working hours -- officers / CPOs / POs / NCOs.
- EMI completed after working hours -- COs may delegate to commissioned officers and senior enlisted.

(Continued on next page)

LIMITATIONS ON EMI:

- Two hours maximum per day. (general guideline).
- Not on Sabbath.
- Reasonable number of days.
- Normal liberty upon completion
- No entry in service record.

ADMINISTRATIVE WITHHOLDING OF PRIVILEGES (MJM 1-F-1.c). Power to grant equals power to revoke. Distinguish "privileges" from "rights" which cannot be administratively withheld.

- Part of compensation or required for the performance of duties (e.g., medical care, dental care, quarters, subsistence, pay, normal liberty).
- Privilege: A benefit for the member's enjoyment (e.g., special liberty, driving on base, civilian clothing, exchange of duty, use of base theater, club).

LAWFUL WAYS TO DENY NORMAL LIBERTY:

- EMI
- Extension of working hours for mission requirements.
- Limited health / safety reasons (i.e., immunization, vaccination, and family advocacy 72-hour cooling-off period).
- Punishment awarded at NJP.
- Pretrial restraint for courts-martial. See *COURTS-MARTIAL—PRETRIAL RESTRAINT*.
- Punishment awarded at NJP or Court-martial.

"VOLUNTARY RESTRAINT" (HACK): Not authorized.

REMEDIES FOR ILLEGAL NONPUNITIVE MEASURES:

- Request mast.
- Article 138 (UCMJ) complaint against CO. (See MJM. Ch. 7)
- Area/District/CGHQ CEA/EEO/Civil Rights Officer.
- Congressional inquiry / Hotline complaint.

NJP JURISDICTION

REFERENCES:

- (a) Manual For Courts-Martial: Part V
- (b) COMDTINST M5810.1C, Military Justice Manual, Chapter 1

CO's AUTHORITY NON-DELEGABLE: Authority to impose NJP is normally *not* delegable. Exception for Admirals who may designate a principal assistant (MJM 1-A-2.d). CO of a unit has authority over:

- All military members of the command.
- Member of command at the time NJP is imposed, *not* at the time of the offense.
- TAD Personnel: COs of PCS or TAD personnel can impose NJP but both COs cannot punish same individual for same offense.
- Other armed forces: Change 4 to the MJM clarifies a CO's authority to exercise NJP authority over a member of another armed force who is attached to his/her command.

OFFENSES PUNISHABLE: CO has broad discretion to decide what offenses should be handled at NJP.

- **GENERAL GUIDANCE:** NJP is for "minor" offenses. An offense is "minor" if a dishonorable discharge (DD) or over one year's confinement is *not* authorized.
- **"DOUBLE PUNISHMENT":** Punishment of a minor offense at NJP will bar a subsequent court-martial for the same offense. Major offense – punishment at NJP will not bar a subsequent court-martial for the same offense, but accused will receive credit for NJP against the court-martial sentence. Military judge (MJ) will decide if offense is major or minor.

(Continued on next page)

PRIOR CIVILIAN ACTION (MJM 1-A-5.c): Prior federal court action bars NJP or court-martial. Prior or pending State / local / foreign court action does not bar NJP or court-martial, but must request permission from Commandant (G-L) to proceed.

RACE TO THE COURT HOUSE: If both the CG and a civilian law enforcement agency have jurisdiction over an offense, prosecution efforts should be coordinated. Consultation with the cognizant legal officer, as well as CGI should be consulted if it appears that both the CG and local authorities are contemplating prosecution.

STATUTE OF LIMITATIONS: Two years from date offense.

- "Golden Rule"- Never push a case to NJP that could not be proved at court-martial.

CO SCRIPT OR GUIDE FOR NJP: [MJM, Enclosure (1)].

- To examine evidence.

(Continued on next page)

- Refer to a higher forum or superior CA;
- Postponement of action.

PUBLICATION OF NJP:

- Best course of action: Publish **only** paygrade, punishment, nature of offense and date of Mast.

REHEARING: At any rehearing, the maximum punishment is limited to the punishment imposed at the original NJP.

COURTS - MARTIAL: BASICS

JUDICIOUS AND FAIR: Congress has entrusted Commanding Officers with responsibility to administer discipline. All COs should be vigilant to ensure all actions are consistent with the UCMJ.

INFORMED DECISIONS: Ensure that independent investigations are convened to disclose reliable facts.

AREAS OF UNLAWFUL COMMAND INFLUENCE TO AVOID:

PERSONAL INTEREST: COs with a "personal interest" (i.e. victim or witness) should not take any action on a case, and should forward the case to a superior in the chain of command FORAC.

PUBLIC OPINIONS: Do not express public opinions on innocence / guilt or appropriate punishment.

UNLAWFUL INFLUENCE: Do not order a subordinate commander to dispose of a case in a particular way. Each commander must exercise independent judgement.

INFLEXIBLE POLICY: Do not have an inflexible policy on disposition or punishment. Each case and each punishment must be decided based on its particular facts.

INFLUENCE ON MEMBERS: Do not select or remove court members in order to obtain a particular result.

INFLUENCE ON MILITARY JUDGE: Do not attempt or even create the appearance of putting pressure on a military judge or court members to obtain a particular result.

INFLUENCE ON WITNESSES: Witnesses may not be discouraged or intimidated from testifying.

PRETRIAL PUNISHMENTS: Courts decide the punishment. An accused may not be punished before trial. Legitimate pre-trial restraint is not punishment.

THE STANDARD: "Would the average American citizen lose faith in the Military Justice system or consider it unfair?" Ensure that an accused member receives all the protection provided under the UCMJ.

COMMAND REPRESENTATIVE AT PTC HEARING: Within 7 days of confinement, an independent review officer (IRO) appointed by an OEGCMA that has a DOD military correctional facility within the geographical bounds of his/her command, will conduct a hearing to review the reasons for confinement. The command should send a command representative to the hearing at the brig.

COMMAND VISITS: Prisoners in PTC should receive a weekly visit.

SUICIDAL OR INTOXICATED PRISONERS: PTC is not appropriate and brigs will not accept.

COURTS-MARTIAL: PRETRIAL AGREEMENTS

NEED FOR PRETRIAL AGREEMENTS (PTA): PTAs serve both the government and the accused. In exchange for a plea of guilty and a limit on the authorized punishment, the government is often spared the expense (both monetary and man hour) of conducting lengthy trials (convening authorities must fund the cost of a trial and witnesses and members are often unavailable to the command for days).

COs APPROVE ALL PTAs: PTAs are not entered into without the express consent of the CO. Trial counsel (prosecutors) may recommend but only COs may approve. (Change 4 to the MJM requires convening authorities to consult their SJA prior to and throughout the pretrial agreement negotiations process).

SCOPE OF A PRETRIAL AGREEMENT (PTA):

Accused may agree to:

- Plead guilty.
- Waive article 32 hearing.
- Waive members.
- Waive sentencing witnesses.
- A specific trial date.
- Stipulate to facts or testimony.
- Testify against others.
- Make restitution to a victim.
- Conform behavior to conditions of probation.
- Waive an ADMIN Board after trial.

CO may agree to:

- Lower forum court-martial.
- Drop or not proceed with certain charges.
- Protection on sentence provisions.

(Continued on next page)

NEGOTIATION PROCEDURES: Negotiations may originate with accused, DC, TC, SJA, CO. Proposals must be forwarded to the CO.

- Counter offers permissible.
- Agreement must be in writing.
- Must contain all aspects of agreement.
- Authority to sign may be delegated by CO.

WITHDRAWAL FROM THE PTA:

By the CO:

- Anytime before performance by the accused begins.
- If accused fails to fulfill a material condition.
- If MJ finds disagreement as to a material term.
- If findings are set aside on appeal.

By the accused: Anytime; but, after findings are announced, the accused can withdraw only with permission of the MJ.

National Defense Authorization Act - Automatic Forfeitures

- Forfeitures may be automatic depending on sentence adjudged
- Defense counsel may ask for waiver (instead of automatically forfeiting all pay, it is paid directly to dependents) or deferral (no automatic forfeitures until CA acts) of the automatic forfeitures in the Pretrial Agreement.
- CO cannot **suspend** automatic forfeitures

 - (c) National Defense Authorization Act 1996

CA ACTION: Review of the court-martial by the Convening Authority after the trial. A crucial step in the courts-martial process that is often neglected and causes serious consequences.

EFFECTIVE DATE OF PUNISHMENT: Most punishments do not take effect until the CA takes his / her action. Exceptions are confinement which starts immediately and forfeitures of pay which start 14 days after trial. [See *reference (c)*]. Other punishments (e.g. reduction in rate, restriction, extra duty) will not go into effect until CA acts. Dismissal, DD and BCD will not take effect until case is reviewed on appeal which cannot take place until CA action.

WHEN CA MAY TAKE ACTION: Before the CA action the accused must be given the opportunity to submit matters and the record of trial must be completed. For cases involving a Dismissal, DD or BCD— a Staff Judge Advocate (SJA) or Law Specialist must conduct a review. Contact cognizant legal office for assistance.

ATTENTION TO DETAIL: CA actions must include specific information about the accused and must accurately reflect information about the trial. Use of the standard language and forms in the MCM and MJM is crucial.

FINDINGS OF THE COURT:

- CA not required to take any action
- CA may disapprove findings (i.e. change a guilty finding into a not guilty finding but not vice versa).

PUNISHMENT: CA must take action. Options:

- Approve all punishment as adjudged.
- Disapprove all or part of punishment.
- Mitigate (reduce) a punishment.
- Commute (change) a punishment but never increase.
- Approve as adjudged, but suspend all or part of punishment.

SUSPECTS-- QUESTIONING/ INTERROGATION / ARTICLE 31(b)

MAJOR CRIMINAL OFFENSES: DO NOT allow anyone from your command to interrogate the member before referring the case to CGI.

ALWAYS READ RIGHTS: Before questioning anyone suspected of committing any offense, you must give them rights warnings.

- Use the rights warning form at MJM encl (5). Do not ask the suspect any questions unless both the right to remain silent and the right to a lawyer are waived. If the suspect wants to remain silent or asks for a lawyer, you MUST NOT ask any more questions.

PRIOR QUESTIONING W/OUT RIGHTS WARNING: If someone has previously questioned the member and did not provide rights warnings, advise the member that the prior statement cannot be used against him / her, and that even though he / she made the earlier statement, he / she can still choose to remain silent or request a lawyer. Then fully advise the member of his / her rights using MJM encl (5) and determine whether the member will waive his / her rights.

NEW OFFENSES: If during any conversation or questioning, you begin to suspect the member of a new or different offense, you must stop the questioning immediately and complete new rights warning form (MJM encl (5)) with the new or different offense listed.

ARTICLE 31(b) & NJP: Rights warnings must be given at all stages in the process. Prior to any questioning by a supervisor, investigating officer, and before appearing before the CO at Mast.

DRUNKEN MEMBER: A member must be in a condition to understand and voluntarily waive his / her rights. Don't try to interrogate a drunk member!

FALSE PROMISES OR THREATS: A confession must be voluntary. Don't use threats or false promises.

PROMISE OF LENIENCY: Only General Court-Martial Convening Authorities (Flag officers or COs of HQ units) have the authority to make deals or grant immunity or leniency for testifying. Do not promise a member that you won't use what he / she says against them, or that he / she won't be prosecuted.

SEARCH & SEIZURE

REFERENCES: (a) Manual For Courts-Martial: Military Rules Of Evidence (MRE)

CO AUTHORIZING A SEARCH MUST BE NEUTRAL AND DETACHED: If CO or OINC was the victim of an offense or has become involved in the investigation, refer any search authorization request to a superior in COC.

NON-DELEGABLE AUTHORITY: Only the CO or OINC can issue a search authorization. CO or OINC must personally make the probable cause determination (CDO must wake CO/OINC).

MAJOR CRIMINAL OFFENSES: DO NOT conduct a search before referring the case to CGI unless the search is necessary to protect life or property, or to prevent the destruction of evidence.

SEARCH AUTHORIZATIONS MUST BE BASED ON PROBABLE CAUSE:

- A reasonable belief that a crime has been committed and that evidence of the crime will be located at the place to be searched.
- The reasonable belief must be supported by a factual basis and information must be reliable and credible.

ON BASE PROPERTY: With probable cause, a CO can authorize the search or seizure of any person (military or civilian) or property within his / her jurisdiction.

OFF BASE PROPERTY IN U.S.: CO may not authorize a search of off-base property in the United States. Must work through CGI to obtain authority to conduct an off-base search.

OFF BASE PROPERTY OUTSIDE U.S.: CO with probable cause may authorize a search of a military member's off base property.

(Continued on next page)

QUEST FOR EVIDENCE: If looking (searching) for evidence, DO NOT order or conduct a "health and readiness inspection" in the area where the evidence may be located.

- Courts may throw out the evidence seized in an inspection if the inspection was not previously scheduled; if it followed the report of an offense; if it targeted specific individuals; or if it subjects specific individuals to a greater degree of scrutiny than others.

COMMON AREAS: May be searched anytime without a search authorization. Drug dogs may be used in passageways, work spaces or common areas at any time. Drug dog alert from w/in a common area may establish probable cause to order a search of private property (*i.e.*, private room or locker).

USE OF FORMS: Enclosures (39), (40) of the MJM have the forms necessary for authorizing a search. (Encl (39) must be tailored for use/signature by CO vice Military Judge). Anyone providing information to support the request to search should be sworn and under oath. (See *APPENDIX B: CO Search Authorization Checklist*).

SPECIFICITY ON THE FORM: When authorizing a search, the CO must describe the place to be searched and the items to be seized. The list of items to be seized should include every item of evidence that may be expected to be found or any parts / pieces thereof.

ALWAYS ASK FOR CONSENT: Before actually conducting a search, the owner of the property should be asked for consent to search. Document consent in writing.

INSPECTIONS: Commanders may order urinalysis inspections to determine and ensure the security, military fitness, safety, and good order and discipline of the command. Members may be selected randomly or Commanders may conduct unit or sub-unit sweeps. Results of inspections that follow reports of drug use by individuals w/in the command (which were not previously scheduled) and / or inspections that target specific individuals may be suppressed at a court-martial. Consult a Law Specialist upon reports of drug use by members in the command.

- **24 HOUR UA & SUB-UNIT TESTING:** Commands may establish policies to test all member returning UAs greater than 24 hours as a sub-unit sweep. The policy should be in writing and enforced equally and consistently to all members returning from 24 hour UAs.

REPORT OF DRUG USAGE, POSSESSION or SUSPICION OF DRUG USE & PROBABLE CAUSE SEARCHES: Evidence obtained through probable cause (PC) searches will be admissible in disciplinary actions and may be used to characterize discharge. Must have reliable and credible information to establish PC. (Who witnessed the event and why should CO/OINC believe them?). See *SEARCH & SEIZURE* and *APPENDIX B: CO PROBABLE CAUSE CHECKLIST*.

- **ALWAYS ASK FOR CONSENT SEARCH:** Prior to conducting any search or ordering a member to provide a urine sample, the member should be asked to consent and the consent should be obtained in writing. IAW ref (a), member should be advised that he / she may refuse. Consent will negate subsequent challenge that the sample was seized illegally. *(Continued on next page)*

-
- **OBSERVATION:** If you suspect a member is under the influence of a drug or alcohol, have medical or trained observer evaluate the member and opine whether the behavior indicates intoxication. Observation alone may establish PC. If PC does not exist, Commander may order a "Competence for Duty" test, but results will be inadmissible in disciplinary action. (see Competence for duty below & *APPENDIX I: Use Of Positive Urinalysis*).

 - **STALE COMPLAINTS:** If alleged use occurred several days before report, the information may be stale and therefore would not support a PC determination. Consent urinalysis may still be requested. Windows for detection:
 - Marijuana: 1 - 5 days
 - Cocaine: 4 days
 - Amphetamines / Methamphetamine: 3 days
 - LSD: 1 day

 - **COMPETENCE FOR DUTY TESTS:** May not be used for disciplinary purposes nor to assign an OTH. Includes tests ordered whenever a member's behavior, conduct, or involvement in an accident gives rise to suspicion of drug abuse and a urinalysis test has not been conducted on a consensual or probable cause basis. See *APPENDIX G*.

 - **EVALUATION TESTING:** Following a positive test result, but CO is in doubt after reviewing all the evidence. CO may order testing for 2 - 6 months, no more than 16 specimens. Even after evaluation testing is completed, can still use original test for disciplinary and/or administrative proceedings. Results of evaluation testing may only be used for administrative action; not for UCMJ action.

DRUG PARAPHERNALIA: Reference (a) defines drug abuse paraphernalia as "equipment, products, and materials of any kind that are used for trafficking/supplying, for injecting, ingesting, inhaling, or otherwise introducing into the human body any drug in order to abuse the drug." Although there is no CG-wide general order or instruction that prohibits the possession of drug paraphernalia, some Area/District Commanders have promulgated punitive orders concerning drug paraphernalia. Check your District or Area SOP or call your cognizant legal officer to determine if there is a general order prohibiting the possession of drug paraphernalia. Paraphernalia discovered during authorized searches, inspections or that is in plain view may be seized.

ADMINISTRATIVE INVESTIGATIONS

REFERENCES: (a) COMDTINST 5830.1, CG ADMINISTRATIVE INVESTIGATIONS MANUAL

TYPES OF INVESTIGATIONS: There are 3 types of administrative fact-finding bodies.

- Courts of Inquiry.
- Formal investigations (required to conduct a hearing).
- Informal investigations (not required to conduct a hearing).

AUTHORITY TO CONVENE: Enclosure (1) to reference (a) lists the type of investigation that COs have authority to convene.

DEADLINE FOR COMPLETION: Informal investigations should be completed not later than 21 days from the date of the incident. Each subsequent review/endorsement should be completed as soon as possible. Delays should be explained in the preliminary statement and subsequent endorsements.

ENDORSEMENTS: CO's should address any & all deficiencies identified in the investigation, and detail corrective action taken. Special rules apply in referencing certain admin and disciplinary actions (e.g., nonpunitive letters shall not be mentioned).

ROUTING: Investigative reports are routed to the final action authority (normally the cognizant GCMA or HQ units with filled legal billets) via all other commands with a direct official interest. An info copy is sent to the Headquarters program manager. Final action documents should not address opinions or recommendations since such documents are releasable under FOIA.

RETENTION: The final reviewing authority is the custodian for, and shall retain the original of, all records finalized.

FOIA RELEASE: Until the final reviewing authority takes action, only the enclosures are releasable. After final action, the approved findings of fact and any opinions or recommendations that are **specifically** addressed by the final reviewing authority are releasable.

(Continued on next page)

DOCUMENTING LOD \ MISCONDUCT.

- Health-record entries: Where CO and medical representative agree injury was "in the LOD, not due to misconduct" and it is unlikely that permanent disability will occur.
- Injury report form (CG-382): Where CO and medical representative agree injury was "in the LOD, not due to misconduct" but possible permanent disability exists.
- Administrative Investigation (generally informal): Where possibility that determination will be "not in the LOD" or when an admin investigation is required for other reasons, e.g. possible claim against the government exists.

DEATH CASES.

- No administrative investigation required where member's death occurs from natural causes alone.
- Administrative Investigation: Required in all cases not meeting above test.
- See *DEATH INVESTIGATIONS*.

ADMINISTRATIVE SEPARATIONS-- BASICS

REFERENCES: (a) PERSONNEL MANUAL, COMDTINST
M1000.6A, Chapter 12

DISCHARGE AUTHORITIES (DA):

- Commandant in all cases except Early Separation, Unsatisfactory Performer, Expiration of Enlistment, Disability, Unsuitability and Uncharacterized Separations wherein the District Commander, MLC Commander or Commanding Officer, as appropriate, may be the DA.

NOTICE vs ADMIN BOARD PROCEDURE

- Use notice procedure for all cases involving members with less than 8 years of total active and/or Reserve military service **and** in which an OTH is not contemplated.
- Use admin board procedure for all homosexual conduct cases (including statement cases) for enlisted members with 180 days or more service on notification of discharge.
- Use notice procedure for all Uncharacterized Separation cases involving homosexual conduct (including statement cases) for enlisted members with less than 180 days of service. Member must be informed in writing the reason(s) for separation under the homosexual conduct policy and of his or her rights.
- ADMIN BOARD: Member is entitled to an admin board when OTH is contemplated or member has at least 8 years active and/or Reserve service.
- Use Determination Board and Board of Inquiry procedures for all homosexual conduct cases (including statement cases) involving officers.

(Continued on next page)

OTH IN LIEU OF COURT-MARTIAL

- A request for discharge under OTH conditions for the Good of the Service may be submitted by the member any time after court-martial charges have been preferred.
- CO shall recommend approval or disapproval with appropriate justification, certify accuracy of the court-martial charges and forward a complete copy of all investigations, any other information considered by the CO as pertinent and a medical examination report or opinion that a psychiatric exam is not required.
- Request for OTH in lieu of court-martial shall be forwarded through GCMCA for personal review and comment who shall then forward to Commander, (CGPC-sep-2).

CONDITIONAL WAIVERS

- A respondent entitled to an Administrative Board may request a condition waiver of his right to a board contingent upon Commandant directing either an Honorable or General characterization of discharge.

ENDORISING ADMIN BOARD CASES: If Admin Board recommends retention, CO may still recommend discharge to DA. As to characterization, CO can recommend a better discharge than the Admin Board, but not worse.

PAGE 7 IS EXTREMELY CRITICAL DOCUMENT: Administrative remarks are a prerequisite to ADSEP processing for those bases of discharge that require a 6 month probationary period prior to initiating adsep processing. Clear guidance on who may issue a pg. 7 should be promulgated. (Dept Head and / or XO).

ADMIN LEAVE: Provisions allow for a member to request admin leave while awaiting discharge. See 12-B-53 of *reference (a)*.

AVOID UNLAWFUL COMMAND INFLUENCE: See *COURTS-MARTIAL BASICS*.

ADMINISTRATIVE SEPARATION BOARDS

REFERENCES:

- (a) COMDTINST M1000.6A, PERSONNEL MANUAL, Chapter 12
- (b) COMDTINST M5830.1, ADMINISTRATIVE INVESTIGATIONS MANUAL, Chapter 6

WITNESS REQUESTS: Must be timely. No subpoena power for civilian witnesses. CO may expend funds if live testimony is both necessary and outweighs the difficulties. The CO may consider such things as cost, delay, interference with mission in deciding whether to expend funds.

CONTINUANCE REQUESTS: Respondent should be given reasonable time in order to prepare for ADMIN board.

- Watch delay tactics with respect to upcoming EAOS.
- If respondent goes UA while pending the board, may proceed in absentia.

CHALLENGES FOR CAUSE: May be made where Board Member cannot make a fair and impartial decision. CA determines whether or not to grant a challenge for cause.

ISSUES FOR THE ADMIN BOARD:

- Basis supported by preponderance of evidence?
- If supported, should respondent be separated or retained?
- If separated, what should characterization of discharge be?

ADMIN BOARD EVIDENCE:

- Pre service / prior enlistment adverse matter - may **never** be considered on the issue of characterization. May only be considered on the issue of retention if not remote or isolated.
- Findings of Court Martial or civilian courts are binding upon subsequent administrative boards.

(Continued on next page)

DISPOSITION: The Family Advocacy Case Review Committee (CRC) will make a determination of either "substantiated" or "unsubstantiated" within 12 weeks. This determination, along with any treatment recommendations, will be forwarded to the commands of the offender and victim, if a different command, in a written report.

- (1) Command must provide the alleged offender opportunity to review the investigation and submit a written rebuttal within 15 working days.
- (2) **CO maintains sole discretion over disciplinary action. Family Advocacy review does not preclude or limit command disciplinary action.** (See ADMINISTRATION & DISCIPLINARY OPTIONS)

APPEAL OF "SUBSTANTIATED" DETERMINATIONS: "Substantiated" determinations made by the District Commander, CO or OINC can be appealed to COMDT (G-PWL). Appeals must be in writing, and normally filed within 15 working days of the advisement of the command's determination.

TREATMENT OF VICTIMS: Coordinate under the Victim / Witness Assistance Program IAW chapter 2-R of reference (b). (See *VICTIM / WITNESSES*).

INTERVENTION: Ensure that appropriate actions are taken to provide for the protection of victims during the investigation and processing of a FAP case [e.g. issuance of a military protective order (MPO) to remove the military member from the family home (whether civilian or government quarters); coordination with local child protective services to have the child removed from the home; or issuance of an order barring alleged perpetrators from CG installations]. (See *LAW ENFORCEMENT CIVILIAN JURISDICTION*).

MILITARY PROTECTIVE ORDERS (MPO): Written order requiring member to move out of home or to "stay away" from complainant. Should be issued whenever it is likely or foreseeable that further incidents will arise. Should be issued in writing. Temporary in nature but may be renewed and should be in force until Family Advocacy counselors have intervened. Will also protect members from false allegations. Consult with a legal advisor.

INTERVIEWING OR QUESTIONING SUSPECTED OFFENDERS: Should not be done if a law enforcement agency (CGI or civilian) is investigating. (See *CGI INCIDENT REPORTING & SUSPECT- QUESTIONING*).

ALCOHOL RELATED INCIDENTS: Alcohol abuse / CAAC screening should be conducted.

ADSEP PROCESSING: ADSEP processing must be initiated for sexual perversion. For cases involving abuse of a family member (spouse or child), adsep processing may be initiated any time during the 6 month probationary/treatment period if the member is unresponsive to treatment or commits additional abuses toward the victim or another person. See *ADMINISTRATIVE SEPARATIONS*.

Weapons Possession: If convicted at SPCM / GCM or any civilian court of crime of domestic violence - service member is no longer permitted to possess a firearm pursuant to reference (e).

FREEDOM OF INFORMATION ACT (FOIA)

REFERENCES: (a) COMDTINST M5260.3, PRIVACY AND
FREEDOM OF INFORMATION ACTS MANUAL

ACCESS TO RECORDS: FOIA gives all persons (including foreign citizens and governments) a right to access CG "agency records" unless such records are specifically exempted from disclosure.

- (1) Records includes information maintained in an electronic format.
- (2) Commands shall make records available in any form requested by the person, including electronic formats.

DENIAL AUTHORITIES (DA'S): Only a DA may deny release of a properly requested record.

- DAs are typically Flag Officers or General Court-Martial Convening Authorities (GCMCAs).
- The following officials at CGHQ are DAs:
 - Directors, except the Chief Counsel and Director of Systems;
 - Chief, G-LGL for records within the Office of Chief Counsel;
 - Director of Systems Resources for records within the office of G-C, G-CCS, special staff offices and records within two or more offices.
 - Chief, National Response Center

TIME LIMITS: FOIA requests must be processed within 10 working days. (Note: effective October 1997 this will be extended to 20 days). Time limits may be extended 10 working days in unusual circumstances by written notice to the requester. Chapter 5 of reference (a) discusses time limit extensions.

SPECIAL RECORDS: Chapter 5-I of reference (a) provides guidance for the following types of records:

- SAR files.
- CGI investigations.
- Administrative investigations.
- Marine Casualty investigations.
- Merchant Seaman records.
- MLE records.
- Personnel lists.

(Continued on next page)

EXEMPTIONS: If you have any question over whether a record must be released, forward the FOIA request and the documents in issue to the DA. Some of the specific exemptions under FOIA include:

- Classified information.
- Purely internal rules and procedures.
- Memos containing internal advice and recommendations.
- Records which contain personal and private information (e.g., medical and service records, mailing lists containing home addresses/phone numbers, names and/or addresses of routinely deployable units or units located in foreign territories).
- Law enforcement records.

TRACKING: FOIA action officers should be keeping track of any and all reimbursable fees (record search and review time, duplication costs, etc.). Such records will also help major commands in submitting annual FOIA reports (due NLT 2 January of each year). See, chapter 20 of reference (a).

REQUESTS FOR INFO RELATED TO LITIGATION: If the FOIA request (or any other request for information) is believed to be related to litigation in which the government is or might become a party, notify your servicing legal office and G-LCL at 202-267-2245.

NO RECORDS DETERMINATION: Reference (a) describes the information that must be included in a "No Records" determination response to a FOIA request. In addition, the following statement must be included in the response: "We have determined that a reasonable search for responsive records has been made and no other places within the Coast Guard exist where the records are likely to be found. See, e.g. In Re Wade, 969 F. 2d 241 (7th Cir. 1992); Oglesby v. Dept of the Army, 920 F. 2d 57 (D.C. Cir. 1990)."

FOREIGN CLAIMS

REFERENCES: (a) COMDTINST M5890.9, CG CLAIMS AND LITIGATION MANUAL

PURPOSE & SCOPE: Promote friendly relations with foreign countries by promptly paying meritorious claims for death, injury, property damage or other loss caused by U.S. military members. The claim must arise outside the U.S. and its territories, possessions or commonwealths.

VALID CLAIMANT: Inhabitants of foreign countries including persons, corporations or other government or business entities and U.S. citizens living abroad. Does not include tourist, travelers, U.S. service members or their dependents.

EXAMPLES OF CLAIMS NOT COVERED: Combatant claims, admiralty incident, patent infringement, claims of insurers, purely contractual claims of individuals or claims for paternity. See Chapter 12 of reference (a).

ESTABLISHMENT OF CLAIMS COMMISSIONS: Chapter 5 of reference (a) lists those officers who have authority to appoint foreign claims commissions that will adjudicate foreign claims. Foreign claims commissions must diligently follow the requirement of reference (a) when investigating, documenting, adjudicating and reporting incidents.

PRIVATE SETTLEMENT: When a wrongdoer or group of individuals are identified as having committed a negligent and / or non-scope of duty act, private settlement and voluntary restitution is an option that should be considered. Private settlement must be voluntary on the part of the member(s). The foreign claims commission should thoroughly document the incident in the same manner as a foreign claim, and ensure that a final settlement agreement and release is signed by the member and the claimant to prevent additional or supplementary claims for the same damage.

FRATERNIZATION INCIDENT

- REFERENCES:**
- (a) COMDTINST M1000.6A, CG PERSONNEL MANUAL, Chapter 8.H
 - (b) UCMJ ARTICLE 134

POTENTIAL REPORTING REQUIREMENTS:

- Major criminal offenses to CGI. (See *CGI INCIDENT REPORTING*).
- Incidents involving Sexual Harassment. (See *SEXUAL HARASSMENT*).
- Incidents involving sexual assaults. (See *VICTIM / WITNESS*).
- Incidents involving superiors or commanding officers IAW section 9-2-2, COMDTINST M5000.3.

BACKGROUND: Unduly familiar personal relationships between seniors and subordinates are contrary to military custom because they undermine the respect for authority that is essential to the CG's ability to accomplish its mission. Fraternization is prohibited and punishable under the UCMJ.

PROHIBITED RELATIONSHIPS:

- **Officer / Enlisted:** Personal relationships between officer and enlisted members that are unduly familiar and that do not respect differences in grade or rank. Such relationships are prejudicial to good order and discipline and violate long-standing traditions of the naval service.
- **Officer / Officer and Enlisted / Enlisted:** Personal relationships between officer members or between enlisted members that are unduly familiar and that do not respect differences in grade or rank when prejudicial to good order and discipline or of a nature to bring discredit on the military service. Prejudice to good order and discipline may result from, but are not limited to, circumstances which:
 - call into question a senior's objectivity;
 - result in actual or apparent preferential treatment;
 - undermine the authority of a senior; or
 - compromise the chain of command.

(Continued on next page)

EXAMPLES OF PROHIBITED RELATIONSHIPS: Dating, cohabitation, sexual relationships, and / or private business partnerships.

DIRECT SENIOR-SUBORDINATE SUPERVISORY RELATIONSHIP: Not a prerequisite for fraternization.

SAME CHAIN-OF-COMMAND: Not a prerequisite for fraternization.

GENDER-NEUTRAL: The focus is on the detriment to good order and discipline, not the sex of the parties.

SUBSEQUENT MARRIAGE: Does not excuse or mitigate.

MARRIED MEMBERS: Will not be assigned to the same chain of command (compatible with needs of the service).

RESPONSIBILITY FOR PREVENTION: Rests primarily on the senior. Both members are accountable for their own conduct.

MULTI-SERVICE COMMANDS: Must create clear policies because of differences in service regulations.

ADMINISTRATIVE OR DISCIPLINARY OPTIONS: Investigate allegations and take appropriate administrative or disciplinary action. [See *APPENDIX F: Fraternization Investigation Chart & ADMINISTRATIVE & DISCIPLINARY OPTIONS*].

CO'S BALANCING TEST: Constitutional rights involving freedom of expression should be preserved to maximum extent possible, consistent with mission accomplishment and security, and good order and discipline.

NO CONTEMPTUOUS WORDS: Article 88 UCMJ prohibits officers from being disrespectful to senior governmental leaders (i.e. President, Vice President, Congress, SECDEF, SECNAV, SECARMY, SECUSAF, etc.).

PORNOGRAPHY:

- Private possession cannot be prohibited (except child pornography).
- Display and distribution can be controlled.
- Contact cognizant legal officer for questions concerning sales at CGES.

CO can and should require prior approval before distribution. Apply the balancing test stated above and rule of equal treatment.

MANDATORY PAO / SECURITY REVIEW: Required for any publication written by military member that "pertains to military matters."

See reference (a).

ON-BASE "GATHERINGS": Prohibited if clear danger to loyalty, morale, good order and discipline or interference with mission accomplishment. Apply the rule of equal treatment.

OFF-BASE "GATHERINGS": Attendance may be prohibited if clear danger to loyalty, morale, good order and discipline or interference with mission accomplishment. Also, if sponsored by a "hate-group"; or violence is likely; or an illegal march.

(Continued on next page)

OFF-LIMITS: A CO may declare places temporarily "off-limits" in emergencies until the Armed Forces Disciplinary Control Board (AFDCB) or Area Coordinator can act. Reasons for declaring places off limits: clear danger to loyalty, morale, good order and discipline; interference with mission accomplishment; adverse affect upon health, safety, welfare or morals; engages in discriminatory practices; etc. *See reference (b).*

NO MILITARY UNIONS, strikes, slowdowns, picketing.

MEMBERSHIP IN SUPREMACIST OR EXTREMIST GROUPS: "Active" participation in such organizations is prohibited. Active participation includes: publicly demonstrating or rallying, fundraising, recruiting and training members, organizing or leading such organizations, or otherwise engaging in activities in furtherance of such organizations that are viewed by command to be detrimental to good order, discipline, or mission accomplishment.

■ COMDT (G-WPM) is currently developing policy regarding administrative / disciplinary actions against members who actively participate in such organizations.

RIGHTS TO PETITION FOR REDRESS OF GRIEVANCES: (*See REQUEST MAST / ARTICLE 138 COMPLAINT & see CONGRESSIONALS*).

RELIGION: Policy is to accommodate practice of religion to the extent possible. *See reference (c).*

HIV ISSUES

REFERENCES: (a) COMDTINST 6220.10 (*Draft*)

ASSESSMENT INTERVIEW: Must be completed by cognizant medical health authority, and include counseling on risk factors, transmission factors, and blood donation.

LIMITATIONS ON USE OF HIV INFORMATION: Information gained during initial medical interviews cannot be used against the member in court-martial, NJP, administrative separation proceedings, as a bar to enlistment, or a basis for adverse eval or OER marks.

CONFIDENTIALITY IS THE RULE: Handle HIV information with the highest degree of confidentiality. Information shall not be released to anyone unless there is a demonstrated need to know. Privacy Act considerations strictly applicable.

WRITTEN PROTECTIVE ORDERS: Ensure that "safe sex" order has been issued by the appropriate medical authority.

ASSIGNMENT OF MEMBER: HIV+ member is not deployable and is normally assigned within 300 miles of a Military Treatment Facility (e.g. Portsmouth, Bethesda).

VOLUNTARY SEPARATION: Characterization is type warranted by service record (honorable or general).

INVOLUNTARY SEPARATION: Authorized for HIV + members who develop AIDS. The 1996 DoD Authorization Act included provision for mandatory adsep of HIV+ personnel within 6 months. An unresolved issue at time of this printing.

HOMOSEXUAL CONDUCT

REFERENCES:

- (a) 10 U.S.C. 654
- (b) COMDTINST M1000.6A, CG PERSONNEL MANUAL, Chapter 12.E

NEW FOCUS: Homosexual conduct NOT sexual orientation. Homosexual conduct includes both homosexual acts and statements by a member that he \ she is homosexual or bisexual or words to that effect.

SAFETY OF THE MEMBER: Determine whether member should be moved within the command, transferred TAD, or if other security measures are warranted for the member's safety pending investigation and / or ADSEP processing.

INVESTIGATIONS: In cases involving adult private consensual sexual misconduct, the service member's commander must initiate a "fact-finding inquiry" and assign the matter to a commissioned officer (IO) who should conduct the investigation with utmost discretion. If the commander determines there is credible information of adult private consensual sexual misconduct, he or she **may** request a criminal investigation by CGI.

REASONS FOR INITIATING AN INVESTIGATION: Only the CO may initiate an investigation. Must have "credible information" that a reason for ADSEP exists (homosexual conduct). Rumors, suspicions, or mere associational activity such as patronizing a "gay bar," or attending a homosexual rights rally, is not credible information. The decision to investigate must be based on first hand knowledge from a "reliable person."

INTERVIEWING THE MEMBER, EXPLANATION OF POLICY: The IO must advise and explain to the member the military's policy on homosexual conduct set forth in reference (b), including the mandatory administrative separation consequences. Article 31(b) UCMJ rights should be afforded to anyone suspected of an offense (e.g. sodomy, conduct unbecoming, indecent acts, fraternization.) (See *SUSPECTS – QUESTIONING*).

(Continued on next page)

INTERVIEWING THE MEMBER FOR ALLEGED CONDUCT: The member should not be asked, nor is the member required to reveal, whether he / she is a heterosexual, homosexual, or bisexual. The focus of the interview must be on their CONDUCT and NOT their "status" or sexual orientation. The IO may ask if the member engaged in the homosexual CONDUCT at issue. The IO "must be able to clearly and specifically explain which grounds for separation he / she is attempting to verify and how the information sought relates to the specific basis(es) at issue." (See *SUSPECTS – QUESTIONING*).

INTERVIEWING THE MEMBER IN A "STATEMENTS CASE": The mere statement of homosexual orientation raises the rebuttable presumption that the member has the propensity to engage in homosexual acts. The member shall be advised of this rebuttable presumption and may be questioned whether he / she has engaged in, attempts to engage in, or has the propensity to engage in homosexual acts. The member may also be asked why he / she made the statement and what he / she meant by the statement. (See *SUSPECTS – QUESTIONING*).

MANDATORY ADSEP PROCESSING FOR HOMOSEXUAL CONDUCT: Must initiate if CO determines that member engaged in or will engage in homosexual conduct. Mandatory processing does not equal mandatory separation. Member can rebut presumption of homosexual conduct or ADSEP board may vote to retain. Commander, Coast Guard Personnel Command retains separation authority.

CHARACTERIZATION OF SERVICE: Honorable, general, or uncharacterized (entry level) discharge, unless there is a finding that member attempted, committed, or solicited: a homosexual act involving force or coercion; with a subordinate; in public view; with someone under the age of 16; on a military aircraft or vessel; or on board military property.

EXPECTATIONS: Members must pay their just financial obligations in a proper and timely manner.

COMPLAINTS: COs shall counsel the member and inquire into the complaint and take prompt action to resolve the controversy.

ADMINISTRATIVE SEPARATION: May be used when there is a pattern of failure to pay just debts (must violate counseling first). (See *ADMINISTRATIVE SEPARATIONS*).

INVOLUNTARY ALLOTMENT APPLICATIONS: Process IAW COMDTINST M7220.29, Coast Guard Pay Manual.

AUTOMATIC STATE COURT EXEMPTIONS: Flag officers, commanding officers, OINCs, members assigned to units whose primary function is to operate vessels or aircraft; those in a training status; and those outside conus are exempt from serving on state juries under reference (a).

DISCRETIONARY STATE COURT EXEMPTIONS: COs may exempt members from state / local juries if jury duty would:

- unreasonably interfere with performance of their duties; or
- adversely affect readiness of command as a whole.

HOW TO EXEMPT: CO should sign written letter to appropriate state official (normally clerk of courts) exempting member. Written notice shall cite reference (c) as authority for exemption.

FOR MEMBERS AVAILABLE FOR JURY DUTY: Should not be charged leave or lose any entitlement.

- Fees received by member for jury duty must be turned over to the U.S. TREASURY. Members may keep any reimbursement made for transportation or parking costs.

LAW ENFORCEMENT -- CIVILIAN JURISDICTION

- REFERENCES:**
- (a) 18 U.S.C. Sec. 1382
 - (b) 40 U.S.C. Sec. 255
 - (c) COMDTINST M5530.1, CG PHYSICAL SECURITY MANUAL
 - (d) COMDTINST M5810.1C, CG MILITARY JUSTICE MANUAL, Chapter 8
 - (e) Manual for Courts-Martial: Part IV, Article 134

BASE INTEGRITY AND SECURITY PARAMOUNT: The installation commander, under the Internal Security Act of 1950, retains ultimate authority to protect his / her installation from any threat, no matter what type of jurisdiction is present.

THREE TYPES OF JURISDICTION (some installations will have different types in different areas):

- **EXCLUSIVE:** Federal government has exclusive authority to make and enforce local laws.
- **CONCURRENT:** State has equal authority to make and enforce local laws.
- **PROPRIETARY:** Federal government is merely a tenant on the land and retains no power to make or enforce local laws.

JURISDICTION DOES NOT AFFECT ENFORCEMENT OF UCMJ OVER MILITARY PERSONNEL: UCMJ is applicable in all places and at all times to all active duty. Military misconduct involving violation of state criminal laws (i.e. providing alcohol beverages to minors) that are not defined as a punitive offense under the UCMJ may be prosecuted under the Federal Assimilative Crimes Act. See reference (d).

CIVILIAN MISCONDUCT:

- **EXCLUSIVE AREAS:** Civilian misconduct may be prosecuted in Federal Magistrate's Court. Cognizant legal officer will have to be a Special Assistant U.S. Attorney to prosecute. Minor driving infractions may be handled administratively IAW applicable COMDT and unit instructions.

(Continued on next page)

-
- **CONCURRENT AREAS:** State law applies with equal force as federal law. Base police or civilian law enforcement have authority to respond. Military members may be prosecuted in state court or under UCMJ. Civilians may be prosecuted in state court or in Federal Magistrate's Court. Consider having a memorandum of understanding with civilian law enforcement on these issues.
 - **PROPRIETARY AREAS:** State law controls. State law enforcement normally make all arrests and prosecution will be in state courts. Active duty may also be prosecuted in state court for traffic violations and other crimes but will not necessarily preclude punishment under UCMJ for same offense.

DETENTION OF CIVILIAN FOR DELIVERY TO CIVILIAN AUTHORITIES:

Regardless of the type of jurisdiction, may not confine civilians, but may "detain" for a reasonable time for civilian Law Enforcement pickup. Civilians authorities **MUST** have a warrant or reasonable belief offense committed by person to be confined. Notify CGI immediately. (See also *SERVICE OF PROCESS / SUBPOENAS*)

BARRING OF CIVILIANS: Civilians who commit misconduct and / or present a threat to good order and discipline on the base, may be barred by the base CO from entering the installation. Issue a written barring order. Those who violate the order may be tried in federal court, fined and / or imprisoned. See *reference (a)*.

CONFINEMENT OF MILITARY MEMBER FOR DELIVERY TO CIVILIAN AUTHORITIES: Servicemember may be held in confinement if necessary under circumstances but only for a reasonable period to facilitate delivery to the civilians. Civilians **MUST** have a warrant or reasonable belief offense committed by member.

ARREST WARRANTS FOR ACTIVE DUTY MEMBERS: See *reference (c)* for detailed guidance.

- **Federal warrant:** Upon display of credentials and warrant, must turn over member.
- **Local State warrant:** Upon display of credentials and warrant, turn over member. Ensure execution of delivery agreement.
- **Out-of-state warrant:** Turn over member only if member waives extradition. Ensure execution of delivery agreement.

CO REFUSAL TO ALLOW ARREST: Report to COMDT (G-LGL) via the chain of command.

MARRIAGES -- OVERSEAS

REFERENCES: (a) COMDTINST M1000.6A, CG PERSONNEL
MANUAL, Chapter 16-K

REQUEST / APPLICATION: Any member planning to marry a foreign national overseas must submit an application via the chain of command to the senior Coast Guard command having authority in the foreign national's home area.

COUNSELING: Member must be counseled regarding the legal responsibilities incurred by marriage including financial obligations and admission requirements into the United States. Obtain specific information from the local INS office or US Embassy or Consulate.

VALIDITY OF FOREIGN MARRIAGE: The marriage must be valid under the law of the jurisdiction where it is performed.

U.S. ADMISSION REQUIREMENTS FOR INTENDED SPOUSES: Must receive medical screening and background investigations. Local United States Embassy or Consulate will conduct background investigation, including a criminal and subversive record check.

VISAS: There is no automatic right for foreign spouses to be granted visas to enter the United States. Foreign spouses must apply for an immigrant visa with local embassy or Immigration and Naturalization Service office.

MENTAL HEALTH EVALUATIONS (MHEs)

REFERENCES:

- (a) COMDTPUB P6520.1
- (b) COMDTINST M6000.1, CG MEDICAL MANUAL

REFERRAL RESTRICTIONS: Public Law 102-484, Section 546 was enacted to prevent DoD commanders from making improper or unwarranted mental health evaluations or involuntary hospitalization as a form of harassment or retaliation against a member for reporting derogatory information. The Coast Guard was not included in this legislation and, therefore, the restrictions implemented by Public Law 102-484 do not pertain to the CG, e.g. CG members who are referred for an MHE by their COs do not receive a "written acknowledgment of rights" or a "statement of counseling with an attorney" when appearing for evaluation. See *reference (a)*.

POLICY: Although exempt from the referral restrictions discussed above, CG policy prevents COs from making improper command referrals (e.g. as reprisal).

FUNDAMENTAL PRINCIPLES: Do not refer a member for a MHE as a reprisal for making or preparing a lawful communication to a member of Congress, the chain of command, DOTIG, or other appropriate person. Do not restrict a member from lawfully communicating with DOTIG, CGIS, attorney, member of Congress, or other person about appropriateness of MHE referral.

CO RESPONSIBILITIES:

- Be prepared to assess persons who express concerns regarding mental health or exhibit unusual behavior, including suicidal or homicidal ideations, hallucinations, delusions or other potentially harmful behavior.
- If member's performance is effected, a fitness for duty determination may be required.

FITNESS FOR DUTY: Member must receive a medical and psychological evaluation and prognosis from a military physician and a licensed clinical psychologist or psychiatrist. If a military physician is not available, CO may refer the member to a nonfederal physician for a medical evaluation and, if appropriate, a consult-referral to a licensed clinical psychologist or psychiatrist for initial evaluation and treatment plan.

(Continued on next page)

RECORDS: All records and correspondence regarding mental health care is privileged information and must be handled IAW chapter 4-A of reference (b). The mental health provider, whether federal or nonfederal, must provide the command with the following information for inclusion in the member's health record:

- copy of initial evaluation, diagnosis (by DSM code), treatment plan and prognosis both with and without treatment;
- summary of all treatment administered;
- assessment of physical and mental capabilities and limitations (e.g. patient may do routine desk work but is to avoid stressful situations). A member's capabilities and limitations shall be translated into corresponding work and duty limitations by the member's command.

WRITTEN RELEASE: If required by the provider, the command will submit a letter or release form, signed by the member, to obtain the above records.

AVAILABILITY OF RESOURCES: Active duty members may self-refer or can be directly referred by medical personnel or their CO to a federal facility (e.g. CG, DoD or VA medical treatment facility MTF)). MLC(k) authorization is not required for members who receive care at a federal MTF. MLC(k) is the sole approving authority for nonfederal care. **Active duty members who undergo non-emergency, nonfederal mental health care without prior approval are responsible for all incurred costs.** Questions regarding funding of mental health care for active duty members should be directed to MLC (k) at 1-800-9HBAHBA.

EMERGENCY MENTAL HEALTH CARE (e.g. danger to self or others): Prior MLC (k) approval not required.

- Prepare written memo documenting reasons and include in health record.

PARENTING, MARITAL, FINANCIAL OR OTHER BEHAVIOR MODIFICATION PROGRAMS: Not authorized as part of Health Services Program by may be included as part of the Employee Assistance Program. *See reference (a).*

PATERNITY COMPLAINT

REFERENCES: (a) COMDTINST M1000.6A, CG PERSONNEL
MANUAL, Chapter 8-G, 8-M

POLICY: Members owe the same duty of support to illegitimate children as they would to children born in wedlock.

DETERMINATION OF PATERNITY: CG does not determine disputed paternity actions, this is a matter for state courts.

COURT ORDERS: Members must comply with state court orders.

- Compliance is necessary even if member disputes paternity or does not believe that an official determination of paternity has been made.
- Refer member to legal assistance attorney / civilian attorney to challenge order.

UPON RECEIPT OF A COMPLAINT: Member must be interviewed and counseled IAW reference (a).

ADMISSION OF PATERNITY: If member admits paternity, he should be counseled on obligation to provide support.

- If no court order, support should be made based upon a voluntary agreement between the member and the mother or guardian of the child. If no agreement can be reached, the amount of support provided should be comparable to the support guidelines contained in reference (a).
- If member is now eligible for BAQ, Pay and Personnel Center will require written acknowledgement of paternity.

DENIAL OF PATERNITY: Refer member to a legal assistance attorney / civilian counsel to challenge paternity action. Use the sample letter contained in reference (a) to respond to complainant.

ADMINISTRATIVE OR DISCIPLINARY ACTION: After counseling, if the member continues to fail to provide child support IAW a state court order, mutual agreement, or service guidelines, administrative or disciplinary action may be warranted. (See *ADMINISTRATIVE & DISCIPLINARY OPTIONS*).

CO's ANALYSIS: A CO may prohibit, limit, or control, the political expression of a member when there "is a clear danger to loyalty, discipline, or morale of military personnel; or there is a material interference with the accomplishment of the military mission." See *FREEDOM OF EXPRESSION*.

WEARING UNIFORMS AT POLITICAL RALLIES: Members are prohibited from wearing of uniforms at any political activity, such as speeches, rallies, interviews, picket lines, marches, or assembly, knowing that a purpose of the activity supports personal or partisan views on political, social, economic, or religious issues, except as authorized in advance by the CO.

RIGHT TO DIRECTLY CONTACT CONGRESS: No person may restrict any member from communicating with Congress in the member's personal or private capacity [see Coast Guard Regulations, Article 9-2-7 & *CONGRESSIONAL INQUIRIES*].

INITIAL COUNSELING RESPONSIBILITIES: Once pregnancy is medically confirmed, servicewoman must be counseled regarding the CG's pregnancy and parenthood policies, including dependent care plans, separation for Care of Newborn Children (CNC) options, military entitlements to maternity care while on active duty, limited medical benefits available if member separates prior to delivery and possible conflicts between parent role and the service's need for readiness and worldwide assignment.

ADMINISTRATIVE SEPARATION OPTIONS: Members who become pregnant while on active duty may request separation from active duty under the provisions of 12-A for officers or 12-B-12 or 12-D-3 for enlisted members of reference (c). Requests to resign or be released early are handled on a case-by-case basis. General Rule: Request will normally be denied unless the member demonstrates compelling need.

REQUIRED COUNSELING PRIOR TO SEPARATION: Prior to separation, the member must be counseled concerning limited maternity care benefits. Counseling should be documented and recorded in the member's service record. See reference (a).

WORK LIMITATIONS: Detailed guidance is provided on management of pregnant servicewomen, including general duty limitations [i.e. exemptions from weapons training, swim quals; parade rest or attention longer than 15 minutes; reduced exposure to unsafe chemical, toxic agents; after 28 weeks of pregnancy ensure member is limited to 40 hour work week].

CONVALESCENT LEAVE: District Commanders and COs may grant pre-natal sick leave up to 30 days (all periods shall be certified as necessary by health care provider). Post-delivery maternity leave is authorized up to six weeks (42 days) without Commander, (MPC-epm/opm) approval.

SHIPBOARD CONSIDERATIONS: Pregnant servicewomen **MUST** be transferred from the ship before the 20th week of pregnancy or date of deployment whichever is first. "3 Hour Rule": Even when not deployed pregnant member cannot get underway if time required for medevac to emergency OB / GYN care exceeds 3 hours.

BREASTFEEDING: Servicewomen may breastfeed infants during times allotted for meals and breaks. Alternatives, (e.g., breastpumping) are advised.

FOLLOW ON TOURS: A servicewoman who was transferred from her unit due to pregnancy may be returned to the same ship or unit or to an equivalent billet in a command of the same duty type to complete her prescribed tour length. See references (a) and (b).

PRIVACY ACT

REFERENCES: (a) COMDTINST M5260.3, CG FREEDOM OF INFORMATION AND PRIVACY ACTS MANUAL

PURPOSE: The Privacy Act limits the government in collecting personal information that will be stored in a "system of records," and permits an individuals access to information in a "system of records" that contains personal information about them, unless specifically exempted from disclosure.

DENIAL AUTHORITIES: Only a proper "Denial Authority" (DA) may deny release of a properly requested record. "Denial Authorities" are typically Flag Officers or General Courts-Martial Convening Authorities (GCMCAs). See FOIA for a listing of DAs.

PRIVACY ACT WARNINGS: Required when someone from the command is requesting "personal information" (e.g., SSN) which will then be stored in a "system of records" (e.g., medical or personnel files, training records, administrative investigations, etc.). See, Chapter 15 of reference (a).

INDIVIDUAL ACCESS TO FILES: In most cases, an individual may access any record that contains personal information about them (e.g., personnel files, unit punishment book, etc.). There are some exceptions to this rule. For medical records, the decision to release directly to the individual, or to withhold direct release, shall be made by a medical practitioner.

THIRD PARTY ACCESS TO FILES: In most cases, a third party may not access any record that contains personal information about someone else. There are some exceptions, including

- Internal release within DOT ("need to know").
- Statistical research.
- Law enforcement activity.
- Congressional inquiries (where made on behalf of individual).

See, chapter 13.C of reference (a) for a complete listing of exceptions.

TIME LIMITS: Privacy Act requests are to be acknowledged within 10 working days and acted upon within 30 days of receipt of the request.

TRACKING: Chapter 13-E of reference (a) requires that each record disclosure be documented except when the disclosure is to CG or DOT personnel with need to know or when disclosure is required under FOIA.

RELIEF FOR CAUSE (RFC)-- OFFICER

REFERENCES: (a) COMDTINST M1000.6A, CG PERSONNEL
MANUAL, Chapter 4.F

GROUND: Four reasons for requesting an officer RFC:

- Misconduct;
- Unsatisfactory performance involving one or more significant events (gross negligence or complete disregard);
- Unsatisfactory performance over an extended period of time after counseling;
- Loss of confidence of CO or OINC;
- Inappropriate personal relationships.

RFC IS GENERALLY NOT AN OPTION WHEN:

- CO or OINC is in receipt of permanent change of station orders or has relief on board.
- Other available alternatives exist within the command to resolve the situation.

DOCUMENTATION: Unsatisfactory performance must be properly documented. All allegations must be adequately supported by appropriate inquiry or documentation.

DISCIPLINARY ACTION: Must be taken before requesting a RFC based on misconduct or an explanation must be provided to Commandant, (G-WP).

OPPORTUNITY TO RESPOND: The officer must be given 5 working days to provide a written response to the RFC request.

REPOSSESSION OF PERSONAL PROPERTY

DISCRETION OF THE INSTALLATION CO: Repossession of personal property belonging to military personnel located on a naval installation may be permitted at the discretion of the installation CO. The "repo-man" must obtain permission from the CO in advance.

PROPERTY BELONGING TO CIVILIAN EMPLOYEES OR CONTRACTORS: CO should order property removed from the installation until the matter is resolved.

DOCUMENTS AUTHORIZING REPOSSESSION MUST COMPLY WITH LOCAL STATE LAW: The cognizant legal officer should review the documents.

INFORMAL INQUIRY BEFORE REPOSSESSION IS ALLOWED: Contact the member to determine if he / she is aware of the problem, and rule out administrative error (i.e., an allotment problem).

IF REPOSSESSION IS TO BE ALLOWED: The owner of the property should be afforded the opportunity to voluntarily relinquish the property. The member should be referred to a Legal Assistance Attorney.

NO BREACH OF THE PEACE: Ensure that the repossession is carried out in the manner prescribed by the CO. Contact base security and have them on the scene to avoid any problems or altercations.

REQUEST MAST / REDRESS OF WRONGS / ART. 138 UCMJ

 - (c) COMDTINST M5810.1C, MILITARY JUSTICE MANUAL, Chapter 7
 - (d) COMDTINST M1000.6A, CG PERSONNEL MANUAL, Chapter 13-B-2,5

REQUEST MAST: Member's of the military service have the right to communicate directly with the CO at a proper time and place.

- CO's should encourage request mast in order to resolve matters at the lowest level. Once a request mast is submitted, all levels of the COC should work to resolve the problem. Only the individual submitting the chit may withdraw the chit. If withdrawn, the reason thereof should be documented and preserved.
- Request Mast is with the CO. Requests to see higher authority should be handled at Request Mast and if the matter is not resolved, the CO should forward the request up the chain of command with a recommendation. There is no "right" to a "personal audience" with a superior above the CO (it is a matter within the sole discretion of that superior).

CG REGULATIONS ARTICLE 9-2-2 – OPPRESSION OR OTHER MISCONDUCT BY A SUPERIOR:

- Formal complaint that may be filed against any superior. (Complaints against the CO are filed under Article 138 after the complainant has requested redress from the CO).
- If the superior is in the same chain of command, the CO should handle through Request Mast procedures. If the matter is resolved, no report to higher authority is required.
- If the superior is not in the same chain of command, the complaint should be forwarded via the complainant's CO to the respondent's CO and to the officer exercising GCM authority over the respondent.

(Continued on next page)

-
- If the complainant considers the resolution unjust, the complainant may file an Article 138 complaint against the cognizant CO.

UCMJ ARTICLE 138 COMPLAINTS:

- See reference (c).
- Made against a CO after a request for redress has been denied.
- Must be endorsed and forwarded to the officer exercising GCM authority over the CO.
- A complainant may withdraw a complaint at any time but it must be in writing and forwarded up the chain of command if the complaint has already been forwarded. If the complaint has not been endorsed or forwarded, the CO should document and preserve the withdrawal.

CO's CONSENT / CO's PRESENCE: Service of process (a summons to appear in court as a party) should not be permitted without the CO's consent. Where practicable, the member should be served within the CO's presence or that of another designated officer.

IMMEDIATELY REFER MEMBER TO A LEGAL ASSISTANCE ATTORNEY.

LOCAL STATE COURT OR FEDERAL COURT SERVICE OF PROCESS: CO should permit service upon members, civilian employees or dependents except in unusual cases when compliance would prejudice the public interest.

- **VESSELS IN TERRITORIAL WATERS OF A STATE:** Are considered within the jurisdiction of that state for purposes of service of process.

COURTS LOCATED OUT OF STATE: Service of process shall normally be permitted under the same conditions as in-state service, but the CO shall ensure that the member is advised that he / she need not accept service.

SERVICE BY OUT-OF-STATE MAIL: If member refuses to accept, the refusal should be noted and the documents returned to sender.

RELATION TO OFFICIAL DUTIES: When service of process upon a member or civilian employee arises from performance of official duties, ensure that the member is notified of his / her applicable rights IAW references (a) - (c) and that copies of the process and pleadings along with a description of the pertinent facts are provided to the cognizant legal office.

NORMALLY GRANT LEAVE OR LIBERTY: Personnel who are served with or accept process should normally be granted leave or liberty unless prejudicial to military service. See, reference (b).

(Continued on next page)

SERVICE OF SUBPOENAS: (Court orders requiring a person to testify as a witness) shall be handled in the same manner as service of process with the following exceptions:

- If service member is subpoenaed as a witness on behalf of the federal gov't, the member will be issued TAD orders.
- If service member is subpoenaed as a witness or required to appear as a party in a civil action due to knowledge not gained in performing official duties, the member shall be granted regular leave.
- If service member is subpoenaed as a witness on behalf of a party to a civil or state criminal action with no federal gov't interest but due to knowledge of facts acquired in an official duty status, funding should be borne by the party seeking the testimony. If there is insufficient time to coordinate advanced funding, TAD orders should be issued and the cognizant legal officer shall seek reimbursement on behalf of the gov't.

REQUESTS FOR STATEMENTS AND / OR INTERVIEWS WITH SERVICE MEMBERS BY PARTIES TO PRIVATE LITIGATION: Notify the cognizant legal officer.

ARREST WARRANTS: See *LAW ENFORCEMENT – CIVILIAN JURISDICTION*.

 - (e) COMDTINST 5350.21

POTENTIAL REPORTING REQUIREMENTS: COs shall report acts of illegal discrimination IAW reference (a).

PREVENT REPRISALS: COs have a wide range of administrative and disciplinary actions available to address sexual harassment and prevent the possibility of further harassment or reprisal including the removal of the alleged perpetrator from the work space, informal counseling, comments in performance evaluations, administrative separation and punitive measures under the UCMJ.

NECESSITY OF COMPLAINT: There is no requirement under article 93, UCMJ, that the victim complain; though, certainly, if an innocent comment is made and the victim complains about the remark or gesture, such notice to the accused may go a long way in proving culpable negligence if the situation is repeated.

COMPLAINANT / VICTIM ASSISTANCE: Provide the complainant with victim counseling support or referral services at the outset. See, section 10.g of reference (b). Monitor and provide follow-up services as required. Consider appointing a personal advocate to assist the complainant.

PRIVACY ACT CONSIDERATIONS: Maintain the confidentiality of all parties involved. (See *PRIVACY ACT*).

INFORMAL RESOLUTION: Attempt and encourage local resolution for military members and use of informal resolution process for civilian employees prior to the filing of a formal complaint.

(Continued on next page)

FORMAL COMPLAINT: When local resolution proves infeasible, the matter may be pursued through the filing of a formal complaint of discrimination IAW references (c) and (d). (See *APPENDIX E: Steps for Investigating SH Complaints*).

LEVEL OF INVESTIGATION: COs determination based on seriousness and magnitude of incident. Ensure investigating officer is neutral and qualified. Consider outside investigator if command investigation would have appearance of being partial to either complainant or alleged perpetrator. Coordinate all efforts with the cognizant legal advisor.

DISCIPLINARY OR ADMINISTRATIVE ACTION: Take timely and tailored action when appropriate. Focus remedies on solving the problem. (See *ADMINISTRATIVE & DISCIPLINARY OPTIONS*).

MANDATORY ADMINISTRATIVE DISCHARGE PROCESSING: Required for substantiated incidents that involve:

- Actions, threats or attempts to influence another's career or job in exchange for sexual favors; or
- Physical contact of a sexual nature which, if charged as a violation of the UCMJ, could result in a punitive discharge. (See *ADMINISTRATIVE SEPARATIONS*).

 - (d) COMDTINST M1000.6A, CG PERSONNEL MANUAL, Chapter 10
 - (e) COMDTINST M5830.1, CG ADMINISTRATIVE INVESTIGATIONS MANUAL, Chapter 5

PERSONNEL CASUALTY REPORTS: Required for any suicide and also for any case where a member attempts suicide or makes other suicide gestures.

CGI NOTIFICATION: If member had access to classified information.

ACTUAL SUICIDE: See *DEATH INVESTIGATIONS*.

LINE OF DUTY / MISCONDUCT DETERMINATIONS: Will not be made if there is an actual suicide. In suicide attempt or gesture cases, where there is a permanent disability or physical inability to perform duties in excess of 24 hours, a determination is required. Convene an administrative investigation (normally an informal investigation).

- In the case of a true suicide attempt, there is a strong inference that the member lacked mental responsibility. Therefore, the likely outcome will be that the member was "in the line of duty" and "the injury was not due to own misconduct."
- In the case of suicide gestures (an intentional infliction of injury without serious suicidal intent), the likely outcome will be that the member was "not in the line of duty" and "the injury was due to own misconduct."

MENTAL HEALTH EVALUATIONS: Members who express suicidal ideations should be immediately referred to a mental health professional. Normally, this can be considered an emergency situation for purposes of referring a member to a non-federal medical treatment facility without prior approval from MLC (k). See *MENTAL HEALTH EVALUATIONS*.

VICTIM / WITNESS ISSUES

- REFERENCES:**
- (a) COMDTINST M5810.1C, CG MILITARY JUSTICE MANUAL, Chapter 2-R
 - (b) CG VICTIM-WITNESS ASSISTANCE PROGRAM MANUAL (*Draft*)

APPOINT A COMMAND VICTIM & WITNESS ASSISTANCE COORDINATOR:

Responsible individual should be appointed in writing to coordinate victims / witnesses issues.

BASIC REQUIREMENTS: Upon notification of incident wherein a victim or witness of a crime is identified, ensure information is provided about the victim / witness treatment provisions discussed in reference (a).

- Victim: A person who has suffered direct physical, emotional, or financial harm as a result of the commission of a crime.
- Witness: A person participates in a CG criminal investigation for the purpose of providing information or evidence concerning a crime about an offense in the investigative jurisdiction of the CG.

PREVENT REPRISAL: Protect victims and witness. Remove alleged perpetrator from workspace if necessary. For alleged military perpetrator consider necessity of issuing a Military Protective Order (MPO). (See *FAMILY ADVOCACY / DOMESTIC VIOLENCE* or see *PRETRIAL RESTRAINT*). An MPO may be issued in situations other than family violence (e.g., boyfriend / girlfriend disputes). Consider TAD transfer of alleged perpetrator or victim. If victim is military or military dependent refer to Legal Assistance Attorney for advice on civilian protective order. If alleged perpetrator is civilian consider debarment from the base.

COUNSELING AND TREATMENT: Victims of sexual assault and rape should receive immediate treatment and counseling.

PSYCHIATRIC EVALUATION: Do not refer a victim (complainant) or witness for a mental health evaluation unless it is done pursuant to COMDTPUT P6520.1. (See *MENTAL HEALTH EVALUATION*).

(Continued on next page)

FOLLOW UP INFORMATION: Provide information and assistance to victims and witnesses at all stages. Victims and witnesses should be informed regarding: arrest of accused (or changes in confinee status); investigative status; decisions not to prosecute; preferral / referral of charges; conviction, sentencing and / or final resolution. See *reference (a)*.

SEXUAL ASSAULT REPORTING

- Incidents involving sexual assault victims who are under age 18 or married to the perpetrator should be reported through the family advocacy program. (See *DOMESTIC VIOLENCE / FAMILY ADVOCACY INCIDENTS*).

The severity of the situation shall dictate the proper course of action. See *enclosure (1) of reference (a), "A Supervisor's Guide, When You are Confronted with Violence, Threats or any Inappropriate Behaviors."* Some examples include:

- calling the unit's security staff, local law enforcement officials or CGI;
- ban the threatening individual from the workplace by revoking his / her facility pass and alerting the appropriate security staff to deny the individual access to the facility.

Appendix A

CO SEARCH & SEIZURE CHECKLIST

I. FINDING THE EXISTENCE OF PROBABLE CAUSE TO ORDER A SEARCH:

When faced with a request by an investigator to authorize a search, what should you know before you make the authorization? The following considerations are provided to aid you.

A. Find out the name and duty station of the applicant requesting the search authorization.

B. Administer an oath to the person requesting authorization. A recommended format for the oath is set forth below:

"Do you solemnly swear (or affirm) that the information you are about to provide is true to the best of your knowledge and belief, so help you God?"

C. What is the location and description of the premises, object, or person to be searched?

Ask yourself.

1. Is the person or area one over which I have jurisdiction?

2. Is the person or place described with particularity?

D. What facts do you have to indicate that the place to be searched and property to be seized is actually located on the person or in the place your information indicates it is?

E. Who is the source of this information?

1. If the source is a person other than the applicant who is before you, that is, an informant, see the attached addendum on this subject.

2. If the source is the person you are questioning, proceed to question 6 immediately. If the source is an informant, proceed to question 6 after completing the procedure on the addendum.

F. What training have you had in investigating offenses of this type or in identifying this type of contraband?

G. Is there any further information you believe will provide grounds for the search for, and seizure of, this property?

- H. Are you withholding any information you possess on this case which may affect my decision on this request to authorize the search?

If you are satisfied as to the reliability of the information and that of the person from whom you receive it, and you then entertain a reasonable belief that the items are where they are said to be, then you may authorize the search and seizure. It should be done along these lines:

"(Applicant's name), I find that probable cause exists for the issuance of an authorization to search (location or person) for the following items: (Description of items sought)"

II. SEARCH AUTHORIZATIONS: INFORMANT ADDENDUM

- A. **First inquiry.** What forms the basis of his or her knowledge? You must find what **facts** (not conclusions) were given by the informant to indicate that the items sought will be in the place described.

- B. Then you must find that **either** the informant is reliable or his information is reliable.

1. Questions to determine the informant's reliability:

- (a) How long has the applicant known the informant?
- (b) Has this informant provided information in the past?
- (c) Has the provided information always proven correct in the past?
Almost always? Never?
- (d) Has the informant ever provided any false or misleading information?
- (e) (If drug case) Has the informant ever identified drugs in the presence of the applicant?
- (f) Has any prior information resulted in conviction? Acquittal? Are there any cases still awaiting trial?
- (g) What other situational background information was provided by the informant that substantiates believability (e.g., accurate description of

interior of locker room, etc.)?

2. Questions to determine that the information provided is reliable:

- (a) Does the applicant possess other information from known reliable sources, which indicates what the informant says is true?
- (b) Do you possess information (e.g., personal knowledge) that indicates what the informant says is true?

H. Are you withholding any information you possess on this case that may affect my decision on this request to authorize the search?

If you are satisfied as to the reliability of the information and that of the person from whom you receive it, and you then entertain a reasonable belief that the items are where they are said to be, then you may authorize the search and seizure. It should be done along these lines:

"(***Applicant's name***), I find that probable cause exists for the issuance of an authorization to search (***location or person***) for the following items: (***Description of items sought***)".

III. SEARCHES: DESCRIBE WHAT TO LOOK FOR AND WHERE TO LOOK

Requirement of specificity. No valid search authorization will exist unless the place to be searched and the items sought are particularly described.

A. Description of the place or the person to be searched.

1. ***Persons.*** Always include all known facts about the individual, such as name, rank, SSN, and unit. If the suspect's name is unknown, include a personal description, places frequented, known associates, make of auto driven, usual attire, etc.

2. ***Places.*** Be as specific as possible, with great effort to prevent the area which you are authorizing to be searched from being broadened, giving rise to a possible claim of the search being a "fishing expedition."

B. ***What can be seized.*** Types of property and sample descriptions. The ***basic rule:*** Go from the general to the specific description.

1. **Contraband:** Something which is illegal to possess.

Example: "Narcotics, including, but not limited to, heroin, paraphernalia for the use, packaging, and sale of said contraband, including, but not limited to, syringes, needles, lactose, and rubber tubing."

2. **Unlawful weapons:** Weapons made illegal by some law or regulation.

Example: Firearms and explosives including, but not limited to, one M-60 machine gun, M-16 rifles, and fragmentation grenades.

3. **Evidence of crimes**

(a) **Fruits of a crime**

Example: "Household property, including, but not limited to, one G.E. clock, light blue in color, and one Sony fifteen-inch, portable, color TV, tan in color with black knobs."

4. **Tools or instrumentalities of crime.** Property used to commit crimes.

Example: "Items used in measuring and packaging of marijuana for distribution, including, but not limited to, cigarette rolling machines, rolling papers, scales, and plastic baggies."

5. **Evidence that may aid in a particular crime solution:** helps catch the criminal.

Example: "Papers, documents, and effects that show dominion and control of said area, including, but not limited to, canceled mail, stencilled clothing, wallets, receipts."
