INFORMATION SERVICE
U.S. DEPARTMENT OF COMMERCE
SPRINGFIELD, VA. 22161

NOTE

JPRS publications contain information primarily from foreign newspapers, periodicals and books, but also from news agency transmissions and broadcasts. Materials from foreign-language sources are translated; those from English-language sources are transcribed or reprinted, with the original phrasing and other characteristics retained.

Headlines, editorial reports, and material enclosed in brackets [] are supplied by JPRS. Processing indicators such as [Text] or [Excerpt] in the first line of each item, or following the last line of a brief, indicate how the original information was processed. Where no processing indicator is given, the information was summarized or extracted.

Unfamiliar names rendered phonetically or transliterated are enclosed in parentheses. Words or names preceded by a question mark and enclosed in parentheses were not clear in the original but have been supplied as appropriate in context. Other unattributed parenthetical notes within the body of an item originate with the source. Times within items are as given by source.

The contents of this publication in no way represent the policies, views or attitudes of the U.S. Government.

PROCUREMENT OF PUBLICATIONS

JPRS publications may be ordered from the National Technical Information Service (NTIS), Springfield, Virginia 22161. In ordering, it is recommended that the JPRS number, title, date and author, if applicable, of publication be cited.

Current JPRS publications are announced in Government Reports Announcements issued semimonthly by the NTIS, and are listed in the Monthly Catalog of U.S. Government Publications issued by the Superintendent of Documents, U.S. Government Printing Office, Washington, D.C. 20402.

Correspondence pertaining to matters other than procurement may be addressed to Joint Publications Research Service, 1000 North Glebe Road, Arlington, Virginia 22201.

Soviet books and journal articles displaying a copyright notice are reproduced and sold by NTIS with permission of the copyright agency of the Soviet Union. Permission for further reproduction must be obtained from copyright owner.

HIGH COMMAND APPOINTMENTS, PROMOTIONS

1 JANUARY 1985-1 JANUARY 1986

[The following item lists changes observed in the positions, ranks, and other relevant information concerning Soviet officers of the higher command levels of the USSR Ministry of Defense and related agencies. The list includes changes found in the Soviet media during 1985. Therefore it is not a complete accounting of the high command. Neither does it list every agency or subdivision with the Ministry of Defense. Rather, only those agencies in which changes were observed are included.]

HIGH COMMAND APPOINTMENTS, PROMOTIONS

1 JANUARY 1985-1 MAY 1986

[The following item lists changes observed in the positions, ranks, and other relevant information concerning Soviet officers of the higher command levels of the USSR Ministry of Defense and related agencies. In the case of some officers, their most recent appearance in the Soviet media may also be noted. The list includes changes found in the Soviet media between 1 January 1985 and 1 May 1986. Therefore, it is not a complete accounting of the high command. It does not list every agency or subdivision with the Ministry of Defense. Rather, only those agencies in which changes were observed are included.]
