October 2007

PREFACE

The study of U.S. national security and strategy is embedded in the core of the curriculum of the U.S. Army War College. Compiled as a springboard into the research and understanding of an intertwined subject area, this selected bibliography reflects books, documents, periodical articles, and web sites relating to this topic

With a few notable exceptions, the materials in this bibliography are dated 2004 to the present. For older materials, please see the bibliography titled *U.S. National Security and Strategy*, compiled by Jane E. Gibish, February 2004. All items are available in the USAWC Library. For your convenience, at the end of the entries, we have added library call numbers, Internet addresses, or database links. Web sites were accessed during October 2007.

This bibliography and others, compiled by our research librarians, are available online through the Library's home page at <http://www.carlisle.army.mil/library/bibliographies.htm>.

For additional information, please contact the Research and Information Services Branch, U.S. Army War College Library, by sending an e-mail message to USAWC.LibraryR@us.army.mil, or by phoning DSN 242-4260 or Commercial (717) 245-4260.
