CHAPTER 1

GENERAL INFORMATION

A. INTRODUCTION

1. This volume of the DoD Catalog of Audiovisual (AV) Productions is produced from the Defense Audiovisual Information System (DAVIS) data base for use primarily by DoD public affairs offices and the U.S. public.

2. This volume contains a complete listing of all unclassified Army, Navy, Marine Corps, and Air Force AV productions that have been cleared for nonsponsored public exhibition by the Assistant Secretary of Defense (Public Affairs) (ASD(PA)).

3. Productions listed in this volume also are available for sale or rental to the public through:

National Audiovisual Center (NAC)
National Archives and Records Service
General Services Administration
Washington, D.C. 20409

4. The U.S. public may obtain copies of this volume from:

Naval Publications and Forms Center, Code 301
5801 Tabor Avenue
Philadelphia, PA 19120

B. SPECIFIC AUTHORIZED CLEARANCE

The most common codes found in this Catalog are:

1. PE. Public Exhibition (nonprofit). Denotes an AV production that has been cleared for exhibition in its released distribution media on a nonprofit basis only; no admission may be charged.

2. TV. Television (nonsponsored). Denotes an AV production that, in addition to PE, has been cleared for broadcast by commercial television stations on a nonsponsored basis as a public service and by public television stations.

3. TH. Theatrical. Denotes an AV production that, in addition to PE, has been cleared for exhibition or use by a commercial enterprise, such as a theater charging admission.

4. PS. Public Sale. Denotes an AV production that may be purchased through NAC. See paragraph A.3., above.

C. STATUS DESIGNATORS

All AV productions listed in this Catalog are current unless annotated specifically as historical. A historical production no longer reflects current DoD policies, programs, or procedures, but is retained for use because of its

historical significance. Before all showings of historical productions audiences shall be made aware that such productions do not reflect current DoD policies, programs, or procedures.

D. PROHIBITION AGAINST REPRODUCTION OF DOD AV MATERIAL

Copies of DoD AV productions are accountable. DoD AV records may not be copied in whole or in part or otherwise reproduced.

E. STANDARD AV PRODUCTION IDENTIFICATION NUMBER (SAVPIN)

All AV productions listed in this volume are assigned a SAVPIN. The only number used when requesting copies of AV productions listed in Appendix C is the SAVPIN.

F. TYPES OF LOAN

1. Specified Term Loan. A specified term loan is for a specified number of days. Loan periods may be extended if available copies have not been prebooked by other requesters. Requests for a loan extension shall show the added time needed and be received at least 10 workdays before the due-in date, if possible.

2. Indefinite Loan. Indefinite loans are for an unspecified period of time and are authorized for DoD Components only. On account of the limited number of prints and volume of requests, loans to the public are limited to 2 weeks.

CHAPTER 2

ORDERING INSTRUCTIONS

A. WHERE AND HOW TO OBTAIN COPIES

1. This volume of DoD AV productions cleared for public exhibition is listed by Military Service; that is, each AV production is designated DA, DN, or DF to indicate from which Military Service a particular AV production should be borrowed:

DN - Navy and Marine Corps AV Productions
DF - Air Force AV Productions

2. DA AV productions shall be ordered by mail from:

DAVA - Tobyhanna Activity
Attn: DAVA-T-LLD
Tobyhanna, PA 18466

3. DN AV productions shall be ordered by mail as follows:

a. Persons residing east of the Mississippi River shall write to:

Commanding Officer
Naval Education and Training Support Center

2. AV materials shall be shown only by qualified projectionists.

3. Films shall be returned tails our (NOT rewound).

4. Users shall furnish exact number of showings and total audience count for each item borrowed on the invoice copy received with the AV material. The invoice must be returned with the material to the issuing library.

C. HOW TO USE THIS CATALOG

1. Appendix A, AV Thesaurus, and Categorical Index. This appendix contains a list of subjects, by category field, group codes, and scope notes that provide the key to locating AV productions listed in Appendix C.

a. The Thesaurus contains scope notes that shall be used when a specific AV production is not being requested or when the title and number is not known. By using this section, specific categories can be identified and referred to. This is done by identifying the specific groups and subgroups within a general subject field.

b. There are currently 21 general fields and 157 groups that are recognized officially in the DAVIS. An alpha character is assigned to each general field. For example, "A" is Aeronautics, "B" is Behavioral and Social Sciences, and so forth. Subject groups are further divided into groups that are identified by numbers beginning with "01" in each field. The number "01" in field "A" represents "Aerodynamics."

c. Finally, Appendix A contains an index of each production by category; that is, subject and group codes. Any particular AV production may be listed under more than one category.

2. Appendix B, Alphabetical Title Index/SAVPIN Cross Reference. This Appendix lists AV productions by title in alphabetical order. When the articles "A", "An," and "The" are used in the title, they appear at the end of the title; that is, the title "The Death of Superman" is listed as "Death of Superman, The." When the title of a production is known, the user shall:

a. Locate the AV production by title.

b. Identify the SAVPIN.

c. Find the SAVPIN listed numerically in Appendix C for a complete description of the AV production.

3. Appendix C, Catalog of DoD Productions Cleared for Public Release. This appendix contains full information on unclassified AV productions for general distribution. Data in the record include:

a. The DoD SAVPIN.

b. Production title.

c. Description of primary and secondary distribution media.

d. Length of the production or number of units.

e. Clearance.

f. Currency status. (An AV production is current unless identified as historical.)

g. Calendar year completed.

h. Synopsis.

i. Remarks.

4. Some AV productions are available from more than one Military Service and, therefore, are listed two or more times under the same SAVPIN.
