A. REISSUANCE AND PURPOSE

This Instruction reissues reference (a) to prescribe policy, assign responsibilities, and update reporting requirements regarding retired military pay records.

B. APPLICABILITY AND SCOPE

This Instruction:

1. Applies to the Office of the Secretary of Defense (OSD), the Military Departments, and the Defense Logistics Agency (DLA). The term "Military Services," as used herein, refers to the Army, Navy, Air Force, Marine Corps, and the U.S. Coast Guard (by agreement with the Department of Transportation).
2. Covers all retired military personnel, including enlisted members, warrant officers, and commissioned officers, and their survivors, who are receiving or are eligible to receive retirement payments or annuities at the end of or during each reporting period.

C. POLICY

It is DoD policy to maintain a centralized data base of retired military personnel and their survivors. This data base provides information for research, actuarial analysis, interagency reporting, the annual reconciliation with Veterans Administration disability compensation files, and evaluation of DoD programs and policies. In addition, extracts of the data base are used in the creation of the Defense Enrollment Eligibility Reporting System (DEERS).

D. RESPONSIBILITIES

1. The Assistant Secretary of Defense (Force Management and Personnel) (ASD(FM&P)), consistent with reference (b), shall provide overall guidance on

93-27462

Copy**

DoD reporting of retired military personnel and their survivors in coordination with the Assistant Secretary of Defense (Reserve Affairs) (ASD(RA)) with respect to the latter's responsibilities stated in reference (c) and reference (d).

2. The Secretaries of the Military Departments shall ensure that the Military Services implement this Instruction.

3. The Director, Defense Manpower Data Center (DMDC), Defense Logistics Agency (DLA) shall serve as custodian of all tape extracts of retired military pay records provided in accordance with this Instruction. DMDC shall provide data quality control, inquiry capabilities, and administrative and computer support on these tape extracts.

E. INFORMATION REQUIREMENTS

1. Two magnetic tape reports, the Retired Pay Master File (Tape A) (enclosure 2, attachment 1), and the Survivor Benefits Master File (Tape B) (enclosure 2, attachment 2), and one hard copy report, the Status of Retired Pay Amounts (enclosure 2, attachment 3), are required.

2. Submission instructions and report formats are specified in enclosure 2.

3. Magnetic tapes shall be accompanied by a letter of transmittal that identifies the files transmitted and states the number of records in each file.

4. DoD standard data elements and data codes published in DoD 5000.12-M (reference (e)), shall be used where specified by a DoD reference number. Other data elements and data codes are being examined for standardization action. If specific coding instructions are not provided, reference shall be made to DoD 5000.12-M (reference (e)). A Military Service failing to comply either with the coding instructions contained herein or with those codes published in reference (e) shall be responsible for the conversion costs in accomplishing data interchange.

5. Four reporting periods are required for each fiscal year: As of December 31, as of March 31, as of June 30, and as of September 30.

6. Reports shall be submitted within 30 days of the dates provided in subsection E.5., above.

7. The first reports under this Instruction shall be the reports for the period as of September 30, 1986.

8. The "Retired Pay Master File (Tape A)" is assigned Reported Control Symbol DD-FM&P(Q)1375.

9. The "Survivor Benefits Master File (Tape B)" is assigned Report Control Symbol DD-FM&P(Q)1758.

10. The "Status of Retired Pay Accounts" is assigned Report Control Symbol DD-FM&P(Q)1757.

SUBMISSION INSTRUCTIONS

A. Data Specifications

1. The Retired Pay Master File (Tape A) shall contain one record for each Military Service member or former member who is on the retired rolls as of the reporting date or who was removed from the retired rolls during the preceding 3 months. Chapter 67 retirees, see 10 U.S.C. (reference (f)), who have been discharged from Military Service (former members) will be separately identified as data are available. Attachment 1 describes the record format of Tape A.

2. The Survivor Benefits Master File (Tape B) provides information on the survivors of deceased Military Service members who have or had entitlement to an annuity from the Department of Defense. The file shall contain one record for each annuitant account that is in an active or suspended status as of the reporting date or that was terminated during the preceding 3 months. Attachment 2 describes the record format of Tape B.

3. The hard copy report, Status of Retired Pay Accounts, summarizes the data provided on Tape A and Tape B. Attachment 3 describes the report format.

4. Blanks shall be used for inapplicable and unavailable data, unless otherwise specified.

5. Numeric data shall be right-justified with leading zeroes, unless otherwise specified. Alpha and alphanumeric data shall be left-justified with trailing blanks.

6. All date of birth fields allow for four positions of the year. If the century is not available in the source record, leave the first two positions of the year blank.
