## FOREWORD

This Index is issued under the authority of DoD Directive 5025.1, "Department of Defense Directives System," June 24, 1994. It meets the requirements of Title 5, United States Code, Section 552(a)(2). It provides numerical and alphabetical listings of DoD Directives, Instructions, Publications, and their changes (hereafter referred to as "DoD issuances") and identifies those DoD issuances that have been codified in Title 32 of the Code of Federal Regulations. This Index applies to the Office of the Secretary of Defense (OSD), the Military Departments, the Chairman of the Joint Chiefs of Staff, the Inspector General of the Department of Defense, the Defense Agencies, and the DoD Field Activities.

*disref Superseded*  
This Index replaces the Change 2 (Reprint), October 31, 1996 edition of this Index. Send recommended changes to the Index to Chief, Directives and Records Branch, Attn: Room 2A286, Washington Headquarters Services, 1155 Defense Pentagon, Washington, DC 20301-1155.

The DoD Components may obtain copies of the Index through their own publications channels. This Index is approved for public release, and its distribution is unlimited. Authorized registered users may obtain copies of this Index from the Defense Technical Information Center, 8725 John J. Kingman Road, Suite 0944, Fort Belvoir, VA 22060. Other Federal Agencies and the public may obtain copies from the U.S. Department of Commerce, National Technical Information Service, 5285 Port Royal Road, Springfield, VA 22161.

## C1. CHAPTER 1

### GENERAL

#### C1.1. ORGANIZATION OF THE INDEX

This Index is an annual DoD issuance published in February with quarterly changes. The Index will be updated on the internet between the publishing dates (see URL <http://web7.whs.osd.mil/corres.htm>). The Index is divided into the following seven chapters:

C1.1.1. Chapter 1 contains the organization of the index, definitions, abbreviations used in the index, DoD publication suffixes, offices of primary responsibility (OPR), abbreviations used in the stock point column, and a table of subject numbers for DoD issuances.

C1.1.2. Chapter 2 contains a sequential listing of DoD Directives and Instructions. It identifies the types of issuances, issuance numbers, dates of the basic issuances, subjects, number of changes, names and telephone numbers of action officers, OSD offices of primary responsibility, sources of availability, accession numbers for the Defense Technical Information Center (DTIC) and the National Technical Information Service (NTIS), and part numbers for the issuances codified in Title 32 of the Code of Federal Regulations (CFR).

C1.1.3. Chapter 3 contains a sequential listing of DoD publications. It identifies the types of issuances, issuance numbers, dates of the basic issuances, subjects, number of changes, names and telephone numbers of action officers, OSD offices of primary responsibility, sources of availability, accession numbers for the Defense Technical Information Center (DTIC) and the National Technical Information Service (NTIS), and part numbers for the issuances codified in Title 32 of the Code of Federal Regulations (CFR).

C1.1.4. Chapter 4 lists DoD issuances and DoD Directive-type memorandums that have been canceled.

C1.1.5. Chapter 5 contains an alphabetical listing of subjects of DoD Directives, Instructions, and Publications.

C1.1.6. Chapter 6 lists documents that have been issued by the OSD Components that may affect the public.

C1.1.7. Chapter 7 prescribes procedures for obtaining DoD issuances and lists DoD Components that receive DoD Directives, Instructions, and this Index through the DoD Directives System Automated Distribution System.

## **C1.2. DEFINITIONS**

- C1.2.1. Code of Federal Regulation (CFR). An annual codification of the general and permanent rules published in the Federal Register by Federal Agencies. The CFR is divided into 50 titles; Title 32 contains DoD issuances.
- C1.2.2. DoD Components. The Office of the Secretary of Defense (OSD), the Military Departments, the Chairman of the Joint Chiefs of Staff, the Unified Combatant Commands, the Office of the Inspector General of the Department of Defense, the Defense Agencies, and the DoD Field Activities.
- C1.2.3. DoD Directive. A broad DoD policy document containing what is required by legislation, the President, or the Secretary of Defense to initiate, govern, or regulate actions or conduct by the DoD Components within their specific areas of responsibilities. DoD Directives establish or describe policy, programs, and organizations; define missions; provide authority; and assign responsibilities.
- C1.2.4. DoD Directive-type Memorandum. A memorandum issued by the Secretary of Defense, Deputy Secretary of Defense, or OSD Principal Staff Assistants (PSAs) that, because of time constraints, cannot be published in the DoD Directives System. Directive-type memorandums signed by the PSAs are procedural in nature. They implement policy documents, such as DoD Directives, Federal laws, and Executive orders. Directive-type memorandums signed by the Secretary or Deputy Secretary of Defense are policy-making documents. A directive-type memorandum shall be converted into a DoD Directive or Instruction within 90 days, unless the subject is classified with limited distribution or is material of limited or temporary relevance.
- C1.2.5. DoD Directives System. The single, uniform system of DoD issuances and directive-type memorandums used to convey DoD policies, responsibilities, and procedures. It provides for the orderly processing, approval, publication, distribution, internal review, and records management of DoD Directives, DoD Instructions, and DoD Publications, and changes thereto. The DoD Directives System also includes the OSD Federal Register system.
- C1.2.6. DoD Instruction. A DoD issuance that implements the policy, or prescribes the manner or a specific plan or action for carrying out the policy, operating a program or activity, and assigning responsibilities.
- C1.2.7. DoD Issuance. DoD Directives, DoD Instructions, DoD publications, and their changes.
- C1.2.8. DoD Publication. DoD issuances that include Catalogs, Directories, Guides, Handbooks, Indexes, Inventories, Lists, Manuals, Modules, Pamphlets, Plans, Regulations, and Standards that implement or supplement DoD Directives or DoD Instructions by providing uniform procedures for management or operational systems and disseminating administrative information.
- C1.2.9. Defense Technical Information Center (DTIC) Accession Number. A unique number assigned to documents by DTIC. The DTIC accession number should be used by authorized registered users to order a DoD issuance from DTIC.
- C1.2.10. National Technical Information Service (NTIS) Accession Number. A unique number assigned to documents by NTIS. The NTIS accession number should be used to order a DoD issuance from NTIS.

**C1.2. DEFINITIONS, Continued**

C1.2.11. Office of the Secretary of Defense (OSD). The principal staff element of the Secretary of Defense in the exercise of policy development, planning, resource management, fiscal and program evaluation, and oversight responsibilities. The OSD Components include the immediate offices of the Secretary and Deputy Secretary of Defense, the OSD Principal Staff Assistants, and such other staff offices as the Secretary establishes to assist in carrying out his assigned responsibilities.

C1.2.12. OSD Principal Staff Assistants. The Under Secretaries of Defense (USDs), the Director of Defense Research and Engineering (DDR&E), the Assistant Secretaries of Defense (ASDs), the Director of Operational Test and Evaluation (DOT&E), the General Counsel of the Department of Defense (GC, DoD), the Inspector General of the Department of Defense (IG, DoD), the Assistants to the Secretary of Defense (ATSDs), and the OSD Directors or equivalents who report directly to the Secretary or Deputy Secretary of Defense.

C1.2.13. Part. A unified body of the CFR that applies to a single function of an Agency or to specific subject matter under control of an Agency. DoD issuances are contained in Parts 100 through 300 of Title 32 of the CFR.

**C1.3. ABBREVIATIONS USED IN THE INDEX**

| <b><u>ABBREVIATION</u></b> | <b><u>EXPLANATION</u></b>                                                                                                                                                                                                                                                                                                                                                                                                 |
|----------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| AO                         | Action Officer. The names of the points of contact of DoD issuances identified in Chapters 2 and 3 under the column heading, "ACTION OFFICER AND ORGANIZATIONAL DATA." These individuals may be contacted on specific issues pertaining to issuances. If an AO is identified in the "STOCK POINT" column in Chapters 2 and 3, that individual must be contacted for copies of the issuance.                               |
| 32 CFR<br>Part No.         | This column identifies DoD issuances that have been codified in Title 32 of the Code of Federal Regulations. Issuances are assigned part numbers. Each title of the CFR is divided into chapters, and each chapter is divided into parts. A part consists of a unified body of regulations applying to a single function of the issuing agency or devoted to specific subject matter under control of the issuing agency. |
| C                          | CONFIDENTIAL. This letter preceding the issuance number indicates the security classification of the issuance. Inquiries concerning these issuances should be addressed to the Action Officers.                                                                                                                                                                                                                           |
| Ch                         | Change. This entry indicates that a change(s) was issued to the basic DoD issuance.                                                                                                                                                                                                                                                                                                                                       |
| DoDD                       | DoD Directive. A DoD issuance that establishes or describes policies, programs, and organization; defines missions; provides authority; and assigns responsibilities.                                                                                                                                                                                                                                                     |
| DoDI                       | DoD Instruction. A DoD issuance that implements the policy, or prescribes the manner or a specific plan or action for carrying out the policy, operating a program of activity, and assigning responsibilities.                                                                                                                                                                                                           |
| DSN                        | Defense Switched Network (formerly Autovon). The basic General Purpose switched voice network of the Defense Communications System.                                                                                                                                                                                                                                                                                       |
| O                          | FOR OFFICIAL USE ONLY. This letter preceding the issuance number indicates the security classification of the issuance. Inquiries concerning these issuances should be addressed to the Action Officers.                                                                                                                                                                                                                  |
| OPR                        | Office of Primary Responsibility. The organizational names of the cognizant OSD Components of DoD issuances identified in Chapters 2 and 3 under the column heading "ACTION OFFICER AND ORGANIZATIONAL DATA."                                                                                                                                                                                                             |
| Rpt                        | Reprint. This entry indicates that a new edition of the issuance has been printed to incorporate changes.                                                                                                                                                                                                                                                                                                                 |
| S                          | SECRET. This letter preceding the issuance number indicates the security classification of the issuance. Inquiries concerning these issuances should be addressed to the Action Officers.                                                                                                                                                                                                                                 |

C1.3. ABBREVIATIONS USED IN THE INDEX, Continued

| <u>ABBREVIATION</u> | <u>EXPLANATION</u>                                                                                                                                                                              |
|---------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Supp                | Supplement. This document was issued as a change to the basic DoD issuance.                                                                                                                     |
| Trans               | Transmittal. This document was issued as a change to the basic DoD issuance.                                                                                                                    |
| TS                  | TOP SECRET. These letters preceding the issuance number indicates the security classification of the issuance. Inquiries concerning these issuances should be addressed to the Action Officers. |

**C1.4. DOD PUBLICATION SUFFIXES**

DOD PUBLICATIONS ARE CATEGORIZED BY LETTER SUFFIXES FOLLOWING THE NUMBERS AS INDICATED BELOW:

| <u>SUFFIX</u> | <u>EXPLANATION</u> |
|---------------|--------------------|
| -C            | Catalog            |
| -D            | Directory          |
| -G            | Guide              |
| -H            | Handbook           |
| -I            | Index              |
| -INV          | Inventory          |
| -L            | Listing            |
| -M            | Manual             |
| -P            | Plan               |
| -PH           | Pamphlet           |
| -R            | Regulation         |
| -S            | Supplement         |
| -STD          | Standard           |

C6. CHAPTER 6

INDEX OF FINAL OPINIONS, STATEMENTS OF POLICY, AND STAFF INSTRUCTIONS  
WHICH AFFECT THE PUBLIC

The Department of Defense is required by Title 5, United States Code, Section 552(a)(2), as amended, to publish an annual index of final opinions, statements of policy, and staff instructions affecting the public, adopted or promulgated after July 4, 1967. The following information supplements the DoD Directives System Annual Index and consists of final opinions, statements of policy, and staff instructions which affect the public. Requests for these documents should be forwarded to the following responsible offices:

| <u>Responsible Office</u>                                                                                                                                                                                                  | <u>Title of Document</u>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             |

C7. CHAPTER 7

DISTRIBUTION OF DoD ISSUANCES

C7.1. DoD Directives and Instructions.

C7.1.1. **Distribution to OSD Components.** Automatic distribution of DoD Directives and Instructions is available to OSD Components. OSD Components may be placed on distribution, be removed from distribution, or change existing requirements by completing the DD Form 2590 in this Chapter.

C7.1.1.1.1. To obtain a copy of a specific DoD issuance, OSD Components should visit the OSD Publications Counter, Room 3B960, Pentagon.

C7.1.1.1.2. To obtain multiple (more than 3) copies of DoD issuances, OSD Components should address a memorandum, on letterhead, to the OSD Publications Counter, Room 3B960, Pentagon, Washington, DC 20301.

C7.1.2. **Distribution to the Military Departments.** Automatic distribution of DoD Directives and Instructions is available to the Army, Navy, and Air Force offices that are listed on the "Military Departments" pages in this Chapter. These offices receive a maximum of 10 copies of DoD Directives and Instructions for distribution to their Components and, at their discretion, may reproduce additional copies for their Components or fund additional copies by riding the OSD/WHHS printing requisitions. The Components of the Military Departments that are not included on the "Military Department" pages in this Chapter should address their requirements for DoD Directives and Instructions to the appropriate office listed below:

C7.1.2.1. Army.

C7.1.2.1.1. Army personnel in the Pentagon refer to:

U.S. Army Information Systems Command, Publications Service Counter, ATTN: ASQNS-OP-MO-D, Room 1B928, Pentagon, Washington, DC 20310.

C7.1.2.1.2. Army personnel outside the Pentagon refer to:

U.S. Army Publications and Printing Command, ATTN: ASQZ-NV, 2461 Eisenhower Avenue, Hoffman Building 1, Room 1040, Alexandria, VA 22331.

C7.1.2.2. Navy. U.S. Department of the Navy, Navy Directives and Records Management Branch, ATTN: CODE N09B35D, Washington Navy Yard, Washington, DC 20374.

C7.1.2.3. Air Force. Office of the Secretary of the Air Force, ATTN: SAF/AAD, 110 Luke Avenue, Suite 300B, Bolling AFB, Washington, DC 20332-9080.

C7.1.3. **Distribution to the Joint Chiefs of Staff.** Automatic distribution of DoD Directives and Instructions is available to Components under the Chairman of the Joint Chiefs of Staff offices that are listed in this Chapter.

C7.1.4. **Distribution to the Defense Agencies.** Automatic distribution of DoD Directives and Instructions is available to the offices within the Defense Agencies that are listed on the "Defense Agencies" pages in this Chapter. These offices receive a maximum of 10 copies of DoD Directives and Instructions for distribution to their Components and, at their discretion, may reproduce additional copies for their Components or fund additional copies by riding the OSD/WHHS printing requisitions. The Components of the Defense Agencies that require DoD Directives and Instructions should contact the office listed on the "Defense Agencies" pages in this Chapter.

C7.1.5. **Distribution to the Combatant Commands.** Automatic distribution of DoD Directives and Instructions is available to a single office within each Combatant Command. Components under each Combatant Command may obtain DoD Directives and Instructions from the designated point of contact listed in this chapter. If the point of contact does not have a copy of an issuance, the Executive Agent for that Command will supply it. The Executive Agents for the Combatant Commands are as listed below:

COMBATANT COMMAND

U.S. European Command  
U.S. Southern Command  
U.S. Atlantic Command  
U.S. Pacific Command  
U.S. Central Command  
U.S. Space Command  
U.S. Special Operations Command  
U.S. Strategic Command  
U.S. Transportation Command

EXECUTIVE AGENT

Secretary of the Army  
Secretary of the Army  
Secretary of the Navy  
Secretary of the Navy  
Secretary of the Air Force  
Secretary of the Air Force  
Secretary of the Air Force  
Secretary of the Air Force

C7.1.6. Distribution to DoD Academic Institutions and Joint DoD Components. Automatic distribution of DoD Directives and Instructions is available to DoD Academic Institutions and Joint DoD Components. Individual offices within DoD Academic Institutions and Joint DoD Components may obtain DoD Directives and Instructions from the designated point of contact listed in this Chapter. Joint DoD Component refers to an organization comprised of two or more of the Services.

C7.2. DoD Publications. DoD publications are not available through automatic distribution, except DoD 5025.1-1 (this Index). Specified distribution lists are developed for DoD Publications by the Action Officers. The Military Departments and Defense Agencies may obtain DoD Publications by riding the OSD/WHIS printing requisitions. Components of the Military Departments should contact the appropriate office listed in subsection A.2. above, for copies of DoD Publications. Components of the Defense Agencies should contact the appropriate office listed on the "Defense Agencies" pages in this Chapter to for copies of DoD Publications. Components of the Combatant Commands should contact the designated point of contact listed in this chapter or the Executive Agent for that Command for copies of DoD Publications. Some DoD publications are distributed from the Defense Technical Information Center (DTIC) and the National Technical Information Service (NTIS), and the accession numbers for the basic publications are listed in chapter 3 of this Index. Requesters obtaining DoD publications from either DTIC or NTIS should inquire about changes to the publications. The changes may be provided under the same accession number as the basic DoD publication or they may be provided under separate accession numbers. Other DoD Publications may be obtained from the various sources that are listed in the availability column in chapter 3 of this Index.

C7.3. Classified DoD Issuances. Specified distribution lists are developed for each classified DoD issuance by the Action Officer. Inquiries of classified issuances should be addressed to the Action Officer identified in chapters 2 and 3 of this Index. Classified DoD issuances shall not be released without the need-to-know, the written consent of the Action Officer, and the appropriate level of security clearance.

C7.4. Secondary Distribution of DoD Issuances.

C7.4.1. The Pentagon Library. Automatic distribution of DoD Directives and Instructions is available to the Pentagon Library, Room 1A518, Pentagon, Washington, DC 20310.

C7.4.2. The Defense Technical Information Center (DTIC). DoD issuances are forwarded to DTIC for distribution to authorized registered users. DTIC is located at 8725 John J. Kingman Road Suite 0944, Fort Belvoir, VA 22060-6218. The DTIC accession numbers for basic DoD issuances are listed in chapters 2 and 3 of this Index. DTIC users should query DTIC about changes to DoD issuances. The changes may be provided under the same accession number as the basic DoD issuance or they may be provided under separate accession numbers.

C7.4.3. The National Technical Information Service (NTIS), U.S. Department of Commerce. DoD issuances are forwarded to NTIS for sale to the public, including contractors and U.S. Government Agencies. NTIS is located at 5285 Port Royal Road, Springfield, VA 22161. The NTIS accession numbers for DoD issuances are listed in chapters 2 and 3 of this Index. Requesters should query NTIS about changes to DoD issuances. The changes may be provided under the same accession number as the basic DoD issuance or they may be provided under separate accession numbers.

**C7.5. Other Distribution.**

C7.5.1. **CD-ROM.** DoD Directives and Instructions are available on CD-ROM. OSD Components may be placed on distribution, be removed from distribution, or change exiting requirements for the CD by forwarding a request memorandum, on letterhead, to the Chief, Directives and Records Branch, Room 2A286, Directives and Records Division, Washington Headquarters Services, 1155 Defense Pentagon, Washington, DC 20301-1155. Components of the Military Departments should contact the appropriate office listed in subsection A.2. above, for copies of the CD (Please note that the Military Departments were required to purchase the CD. If a decision was made not to purchase the CD, then the CD may not be available within your particular Military Department). Components of the Defense Agencies should contact the appropriate office listed on the "Defense Agencies" pages in this Chapter to for copies of the CD (Please note that the Defense Agencies were required to purchase the CD. If a decision was made not to purchase the CD, then the CD may not be available within your particular Defense Agency). Components of the Combatant Commands should forward a request memorandum, on letterhead, to the Chief, Directives and Records Branch, Room 2A286, Directives and Records Division, Washington Headquarters Services, 1155 Defense Pentagon, Washington, DC 20301-1155 for copies of the CD. The CD is distributed to DTIC and NTIS for distribution and sale.

C7.5.2. **Internet Home Page.** Current DoD Directives and Instructions are available on the Internet on the Directives and Records Branch home page. The Directives and Records Branch home page Universal Resource Locator (URL) is: <http://web7.whs.osd.mil/corres.htm>.

| DISTRIBUTION REQUEST<br>FOR OSD AND JOINT DOD COMPONENTS                                                                                                                                                                                                   |                                                    | 1.
