Report Documentation Page				Form Approved OMB No. 0704-0188	
Public reporting burden for the collection of information is estimated to average 1 hour per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to Washington Headquarters Services, Directorate for Information Operations and Reports, 1215 Jefferson Davis Highway, Suite 1204, Arlington VA 22202-4302. Respondents should be aware that notwithstanding any other provision of law, no person shall be subject to a penalty for failing to comply with a collection of information if it does not display a currently valid OMB control number.

Mandatory DOD Notice For EMAIL Use

You are accessing a U.S. Government (USG) information system (IS) that contains information which is exempt from public release under the Freedom of Information Act (5 U.S.C. 552). This information is provided for your use only and is not to be distributed outside your organization.

By using this IS (which includes any device attached to this IS), you consent to the following:

- The USG routinely intercepts and monitors communications on this IS for purposes including, but not limited to, penetration testing, COMSEC monitoring, law enforcement (LE), and counterintelligence (CI) investigations.
- At any time, the USG may inspect and seize data stored on this IS.
- Communications using, or data stored on, this IS are not private, are subject to routine monitoring, interception, and search, and may be disclosed or used for any USG authorized purpose.
- This IS includes security measures (e.g., authentication and access controls) to protect USG interests--not for your personal benefit or privacy.
- Notwithstanding the above, using this IS does not constitute consent to PM, LE or CI investigative searching or monitoring of the content of privileged communications, or work product, related to personal representation or services by attorneys, psychotherapists, or clergy, and their assistants. Such communications and work product are private and confidential.
- Security protections may be utilized on this IS to protect certain interests that are exempt from public release under the Freedom of Information Act (5 U.S.C. 552). These protections may be modified or eliminated at the USG's discretion. By signing this document, you acknowledge and understand that this IS is a U.S. Government information system (as defined in CNSSI 4009) that is provided for U.S. Government use only and is not to be distributed outside your organization. I understand and accept the [user agreement](#).

Welcome to Tent Superstore Category.

Support of Commercial Shelter requirements is in the process of being transitioned into the Construction & Equipment Supply Chain. Currently commercial shelters in support of high priority and/or deployment requirements are being transitioned into the Construction & Equipment Supply Chain. If you have a requirement that meets the high priority and/or deployment criteria and need additional information will be provided when the entire transition occurs.
