SUBJECT: Missing Final Technical Report

1. No Final Technical Report has been obtain for grant number FA9550-10-1-0493. I have attempted on multiple occasions to reach the Principal Investigator and his organization (as well as my colleagues at University of Queensland) to obtain the Final Technical Report but was unsuccessful. Note that there was a previous Program Manager that transferred it to the next Program Officer, and then that person transferred to me. It has been almost a decade since it was conducted.
2. The research project for this grant covered Sensor Scheduling and Fusion for Catalog Maintenance of Resident Space Objects.
3. My contact details are 908-294-0973 or [dougrieken@us.af.mil](mailto:dougrieken@us.af.mil)
